To the Administrative Committee of
Gafcon, Inc. 401(k) Profit Sharing Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Gafcon, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (continued)

- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Gafcon, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gafcon, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gafcon, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gafcon, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Gafcon, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. Note 1. DESCRIPTION OF THE PLAN

The following description of the Gafcon, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established to provide retirement benefits for eligible employees of Gafcon, Inc. and Sharepoint360, Inc. (the Company) who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the amount permitted under the Internal Revenue Code, including catch-up contributions for eligible participants. There is an automatic salary deferral percentage for new participants who do not have a salary reduction agreement in effect. The automatic salary deferral percentage is 6% for the first year and increases 1% each year thereafter until it reaches 10%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (Rollover Contributions). The Company may elect discretionary matching contributions and discretionary nonelective contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, an allocation of Company nonelective contributions, and the earnings thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The allocation of Company nonelective contributions to participant accounts is determined by the Company subject to a general non-discrimination test.

Investment Options

Participants may direct the investment of their accounts among various investment options provided by JPMorgan Invest Holdings LLC.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company.

Note 1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions and earnings thereon is based on years of service. A participant is 100% vested after five years of credited service.

Forfeitures

Forfeitures can be used to pay administrative expenses or additional non-elective Company contributions. Forfeitures of $22,257 and $31,392 were used to pay administrative expenses in 2021 and 2020, respectively.

Payment of Benefits

Participants are entitled to a distribution of their vested account balance upon retirement, termination of employment, death, or permanent disability. Participants may also withdraw any part of their vested account balance upon attaining age 59½. Participants who meet the hardship withdrawal rules may withdraw all or a portion of their vested account balance upon approval of the Plan Administrator.

Notes Receivable from Participants

Participants may request loans in an amount not to exceed the lesser of $50,000 or 50% of their vested account balance. The loans are due over terms of up to 5 years, or longer if related to the purchase or improvement of a principal residence. Loans are secured by the participant's account and are repaid via payroll deductions. Interest is at 1% over the prime rate when the loan is originated and is fixed for the life of the loan. Interest rates ranged from 4.25% to 6.50% at December 31, 2021 and 2020.

CARES Act Provisions

In 2020, the Plan adopted expanded distribution and loan options available to qualified individuals, as defined, under Section 2202 of the CARES Act. The provisions allow for (i) coronavirus-related distributions of up to $100,000 to qualified individuals through December 31, 2020, which are exempt from the normal 10% early withdrawal penalty, (ii) increases to the maximum loan amount available to qualified individuals for loans made through September 22, 2020 (to the lesser of $100,000 or 100% of the participant's vested account balance), and (iii) loan repayment deferrals of up to one year for certain loans outstanding to qualified individuals.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Investment Valuation

Investments in registered investment companies and collective investment trusts are stated at fair value based on the net asset value of shares held by the Plan at year end.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus accrued but unpaid interest.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Note 3. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles prescribes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements
Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan at year end.

Level 2 Fair Value Measurements
Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets. The fair value of investments in collective investment trusts is based on the value of the underlying investments held by the trusts.

Level 3 Fair Value Measurements
Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Investments in registered investment companies	$ 17,624,219	$ -	$ -	$ 17,624,219
Investments in collective investment trusts	-	1,229,150	-	1,229,150
Total investments measured at fair value	$ 17,624,219	$ 1,229,150	$ -	$ 18,853,369

Fair Value Measurements as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Investments in registered investment companies	$ 15,688,398	$ -	$ -	$ 15,688,398
Investments in collective investment trusts	-	1,061,202	-	1,061,202
Total investments measured at fair value	$ 15,688,398	$ 1,061,202	$ -	$ 16,749,600

Note 4. INVESTMENTS IN COLLECTIVE INVESTMENT TRUSTS

The Pioneer Large Cap Value Portfolio (Pioneer Portfolio) invests primarily in common stocks but also holds investments in depositary receipts, real estate investment trusts, and a money market fund. The underlying investments are valued daily at fair value based on quoted prices in active markets. The Pioneer Portfolio is a sub-advised fund within the Wilmington Trust Collective Investment Trust.

Withdrawals from the Pioneer Fund are generally permitted daily at net asset value. The trustee of the Pioneer Fund attempts to maintain sufficient liquidity to meet all withdrawal requests. However, it is possible that such requests will exceed the Pioneer Fund's available liquidity. The trustee requires that the plan sponsor provide five business days' advance written notice for withdrawals in excess of $1 million or 10% of the assets invested in the fund. If total withdrawal requests exceed the fund's uncommitted cash and liquid investments as of the request date, the trustee will pay withdrawals based on priorities established in the trust agreement.

The Putnam Stable Value Fund (Putnam Fund) is a stable fixed income fund which invests in high-quality guaranteed investment contracts (GICs) and similar contracts issued by insurance companies, banks, and other financial institutions. The Putnam Fund may also invest up to 75% of its assets in security-backed investment contracts (SBICs), including separate account products of insurance companies. The Putnam Fund invests at least 5% of its assets in high-quality money market instruments, cash, cash equivalents, and other stable value funds (including fixed income funds underlying SBICs) with investment policies and other provisions similar to those of the Fund.

Withdrawals from the Putnam Fund are generally permitted daily at net asset value. The trustee of the Putnam Fund attempts to maintain sufficient liquidity to meet all withdrawal requests. However, it is possible that such requests will exceed the Putnam Fund's available liquidity. The trustee may defer honoring a withdrawal request if, as a result of the closing or other disruption of financial markets or exchanges, the trustee is unable to settle prudently the transactions necessary to honor a withdrawal request on a timely basis. If the trustee determines that the Putnam Fund does not have sufficient liquidity to meet a withdrawal request, the trustee may defer honoring employer-initiated withdrawal requests (e.g. a withdrawal due to plan termination) for a period of up to 12 months. Qualified employee-initiated withdrawal requests for benefit payments generally will continue to be made as provided for during such period.

Note 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2021	2020
Net assets available for benefits per the financial statements	$ 19,232,590	$ 17,214,944
Company contribution receivable at end of year	(200,000)	(200,000)
Net assets available for benefits per Form 5500	$ 19,032,590	$ 17,014,944

Note 6. INFORMATION CERTIFIED BY PLAN TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust.

	2021	2020
Investments in registered investment companies	$17,624,219	$15,688,398
Investments in collective investment trusts	1,229,150	1,061,202
Notes receivable from participants	179,221	265,344
Net realized and unrealized gain in fair value of investments in registered investment companies	208,159	1,646,558
Net realized and unrealized gain in fair value of investments in collective investment trusts	142,612	30,845
Reinvested dividends	1,894,540	663,669
Interest income on collective investment trusts	16,141	15,107
Interest income on notes receivable from participants	11,256	10,303

Note 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to amend, modify, suspend, or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to accounts of participants shall be paid to each participant in accordance with the Plan agreement.

Note 9. PARTY-IN-INTEREST

JPMorgan Invest Holdings LLC is the recordkeeper for the Plan's assets. Certain Plan investments are managed by JPMorgan Invest Holdings LLC and, as a result, these transactions qualify as party-in-interest transactions.

Note 10. TAX STATUS

The Plan operates under a standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service dated March 31, 2014, indicating that the Plan qualifies under Section 401(a) and 401(k) of the Internal Revenue Code (the Code) and is, therefore, exempt from federal income taxes under Section 501(a) of the Code. The Plan is required to operate in accordance with the Code to maintain its tax qualification. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 11. SUBSEQUENT EVENTS

Management has evaluated subsequent events for possible accrual or disclosure through October 14, 2022, which is the date the 2021 financial statements were available to be issued.
