INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Oceans Healthcare 401k Plan
Plano, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Oceans Healthcare 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oceans Healthcare 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oceans Healthcare 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oceans Healthcare 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oceans Healthcare 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are as of December 31, 2021, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements Oceans Healthcare 401k Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Oceans Healthcare 401k Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

Oceans Acquisition, Inc. is a member of a controlled group of employers with similar ownership. Members of the controlled group who elected to participate in the Plan are considered “participating employers”. Oceans Acquisition, Inc. and all participating employers are, collectively, hereinafter referred to as the “Company”.

The Plan is a defined contribution plan covering full-time and part-time employees of the Company. The Plan was amended and restated as of January 1, 2021. Employees of the Company are eligible to participate by making employee deferrals in the Plan on the next entry date after completing 6 months of service and attainment of age eighteen. Eligible participating employees can receive Company contributions after completing one year of service and attainment of age eighteen. Entry dates are the first day of the month coinciding with or following the date requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator and Plan management are responsible for the oversight of the Plan and appropriateness of the Plan's investment offerings.

CONTRIBUTIONS

Participants may elect to contribute pre-tax and Roth up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have deferral set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan also includes an escalation at the beginning of each plan year of the automatic deferral amount by 1 percent of compensation up to a maximum of 10 percent.

The Company may make contributions equal to a discretionary percentage of the participants' elective deferrals, to be determined by the Company, of each tier, to be determined by the Company. The tiers may be based on the rate of a participants' elective deferrals or years of service. All participants who contribute share in the allocations regardless of service completed during the Plan year and employment status at the end of the Plan year. During the year ended December 31, 2021, \$800 of qualified non-elective contributions were made by the Company.

The Company may also make a discretionary profit-sharing contribution to be determined by the Company. The profit-sharing contribution, if any, is allocated based on the participant's compensation. During the year ended December 31, 2021, no discretionary profit-sharing contributions were made.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company employer contributions and Plan earnings. Allocations of plan earnings and administrative expenses are based on participant account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee and employer contributions to any options provided by Minnesota Life. Investment options include various pooled separate accounts. The Plan does not guarantee any rates of return or investment results.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are not allowed by the Plan.

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

VESTING

Participants are immediately vested in their contributions and rollover contributions, plus actual earnings thereon. Vesting in Company contributions, plus earnings thereon are based on years of service. Prior to 2018, participants were 100 percent vested in Company contributions and earnings thereon after three (3) years of service or retirement, early retirement, disability, or death. Effective January 1, 2019, vesting occurs ratably based on the following schedule:

<u>Years (or periods) of service</u>	<u>Percentage</u>
1	33.3%
2	66.6%
3	100%

PAYMENT OF BENEFITS

On termination of service, death or disability, a participant may elect to receive their vested benefit in a lump sum payment, substantially equal installments or partial withdrawals. Further, participants may elect to receive said benefit either in cash or another tax-qualified plan. Hardship distributions are permitted only from pre-tax or Roth elective deferrals subject to limitations.

FORFEITURES

Forfeitures may be used to reduce employer contributions or pay administrative fees of the Plan. At December 31, 2021 and 2020, forfeited amounts totaled \$263 and \$31,063, respectively. During the year ended December 31, 2021, \$46,883 of forfeitures were used to pay plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

OPERATING EXPENSES

The Company, at its sole discretion, may pay the administrative expenses (i.e., custodial fees, fund fees, recordkeeping fees and other similar expenses) of the Plan. If such expenses are not paid by the Company, they are paid out of Plan assets. Investment-related expenses are included in net investment income from investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts:

The fair value of pooled separate accounts is valued at net asset value (NAV) of shares held by the Plan at year end. Units of pooled separate accounts are valued at NAV daily using publicly available quoted market prices as published by Minnesota Life on their website. The NAV serves as a practical expedient to estimate fair value. The redemption frequency and notice periods of each of these pooled separate accounts is daily, and there are no redemption restrictions on unfunded commitments.

In accordance with U.S. GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was obtained from data that has been prepared and certified to as complete and accurate by Minnesota Life, the custodian.

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Pooled separate accounts	<u>\$ 11,589,919</u>	<u>\$ 8,890,753</u>
Investment income	<u>\$ 1,243,906</u>	

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Minnesota Life. Minnesota Life is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 6 – TAX STATUS

Effective January 1, 2021, the Plan adopted a non-standardized pre-approved profit-sharing with the Internal Revenue Code (IRC) Section 401(k) Cash or Deferred Arrangement (CODA) which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the form of the plan is acceptable for use by employers for the benefit of their employees. The Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ending December 31, 2021, employee contributions totaling \$5,949 were deposited late into the Plan. The Company deposited the lost earnings in accordance with the DOL guidelines.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent to year end, but before the financial statements were available to be issued, the Plan transferred all assets to Delaware Charter Guarantee and Trust Company (Principal Trust Company) and adopted a new plan agreement.

Plan Management has evaluated subsequent events through October 11, 2022, which is the date the financial statements were available to be issued.
