INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Commodity Truck Acquisition, LLC Employee Benefit Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Commodity Truck Acquisition, LLC Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a year from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at Year-End as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the

certified investment information, we compared such information to the related certified investment information.

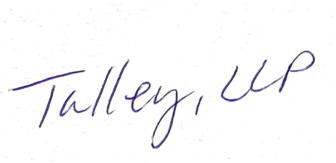

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 and 2020

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The Commodity Truck Acquisition, LLC Employee Benefit Plan (the "Plan") was adopted by Commodity Truck Acquisition, LLC (the "Company") on January 1, 1999 and was most recently amended and restated on January 1, 2015. The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. **General.** The Plan is a defined contribution plan covering all employees of the Company who have completed three months of service and have attained age 18. The Plan excludes union employees whose employment is governed by a collective bargaining agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is intended to be a qualified defined contribution plan that satisfies the requirements of section 401(k) of the Internal Revenue Code (the "Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Company contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan.

2. **Contributions.** For the years ending December 31, 2021 and 2020, participants may contribute up to $19,500 of pretax annual compensation, as defined in the Plan. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions up to $6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

   The Company may contribute a discretionary matching contribution equal to a percentage, to be determined by the employer, of the participant's salary deferrals. The Company did not make discretionary matching contributions during the years ended December 31, 2021 and 2020.

   The Company may contribute a basic safe harbor matching contribution or an enhanced safe harbor matching contribution. The Company did not make safe harbor contributions during the years ended December 31, 2021 and 2020.

   The Company may contribute a discretionary profit-sharing contribution to be determined by the employer. The Company did not make discretionary profit sharing contributions during the years ended December 31, 2021 and 2020.

3. **Participants Accounts.** Separate accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contribution and allocation of the Company's contributions and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined.

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

4. **Vesting.** Participants are immediately vested in their contributions and employer safe harbor contributions plus related earnings. Vesting in the Company's matching and profit-sharing contribution portions of their accounts, plus related earnings, is based on years of continuous service. Company matching and profit-sharing contributions vest 20% after two years of service and increase 20% for each additional year of service, with 100% after six years of service. Participants also become fully vested upon reaching age 65, in the event of death or upon suffering a permanent disability while employed with the Company.

5. **Investment Options.** Participants may choose among various investment funds in which their contributions are to be invested. All of the Plan's investment options are participant-directed.

6. **Notes Receivable from Participants.** Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or a reasonable period of time for the purchase of a primary residence. The notes secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.5%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. The loans in default as of December 31, 2021 and 2020 were $7,167 and $2,201, respectively.

7. **Payment of Benefits.** Participants are eligible to receive a distribution of their account balance, to the extent vested, upon termination of employment, retirement, death or disability. A participant may receive the value of the vested interest in his or her account as a lump-sum distribution, an annuity, or a direct rollover. Terminated employees with account balances greater than $1,000 may elect to keep their vested account balances in the Plan after termination. As of December 31, 2021 and 2020, net assets included vested account balances of terminated employees totaling $106,088 and $310,033, respectively.

8. **Forfeited Accounts.** Participants forfeit the unvested portion of their accounts upon the completion of a five-year severance or, if earlier, upon receipt of distribution of the vested account balance in the Plan. Forfeitures are used first to pay administrative expenses and next to reduce the Company's contributions as provided in the Plan. There were no forfeitures for the years ended December 31, 2021 and 2020.

9. **Plan Administration.** Reliance Trust Company and Automatic Data Processing Retirement Services ("ADP") serve as Trustee and Contract Administrator, respectively. The Plan Sponsors provide accounting and administrative services to the Plan at no cost and pay contract administration fees and asset management fees. Administrative expenses totaling $12,843 and $2,883 for the years ended December 31, 2021 and 2020, respectively, were paid by the Plan.

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

10. **Plan Termination.** The Company anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan in whole or in part at any time. In the event of termination of the Plan, each participant would become fully vested to the extent of the balance in their account, and all accumulated plan benefits would be disbursed to the participants.

11. **CARES Act.** On March 27, 2020, President Trump signed into law the CARES Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on participant notes is recorded on the accrual basis.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments, except for the guaranteed investment contract, are reported at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 8 for discussion of fair value. The Plan's investment in the guaranteed investment contract was valued at contract value (Note 3).

Management has determined its Key Guaranteed Portfolio Fund ("Guaranteed Fund") with Great-West to be fully benefit-responsive.

Investments in pooled separate accounts are valued at estimated fair value as reported by Great-West, as determined by the quoted market prices of similar investments.

Investment income is recorded when earned. Dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption. Unrealized gains and losses are measured as the difference between cost and fair value at the beginning of the period and at the end of the period. Investment transactions are accounted for on a trade date basis.

Investments in nonmarketable limited partnerships are valued at their unit price, or equivalent, based on the fair value of underlying assets in the partnership.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENT CONTRACT

The Plan invests in the Invesco Stable Asset Fund, a guaranteed investment contract. The Guaranteed Fund is a benefit-responsive contract entered into with Invesco. Invesco maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Guaranteed fund is valued at contract value for presentation in the Plan's net assets available for benefits. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is that amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The contract has a surrender fee should the Plan discontinue without proper notification as prescribed in the contract. Currently, Plan management believes that the occurrence of an event that would cause the plan to transact at less than contract value is not probable. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The investment contract does not permit the insurance to terminate the agreement prior to the scheduled maturity date. The interest rate was 1.50% as of December 31, 2021. The Plan invested in Great-West Guaranteed Fund in 2020 and the interest rate was 1.2% as of December 31, 2020. The interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate. Such interest rates are reviewed on a quarterly basis for resetting.

NOTE 4 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE CUSTODIAN OF PLAN ASSETS

The following financial data was certified by the custodian of Plan assets of the Plan as of and for the years ended December 31, 2021 and 2020 in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Beginning of year	2,787,489	2,310,881
End of year	$ 3,121,934	$ 2,787,489

NOTE 5 – FEDERAL INCOME TAX STATUS

The Plan adopted the Volume Submitter Profit Sharing Plan with CODA, which obtained its latest determination letter on March 31, 2014. In this letter, the Internal Revenue Service states that the Plan qualifies, in form, under Section 401(a) of the Code, and the underlying trust is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2018.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investment in pooled separate accounts and the Guaranteed Fund are managed by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

There were no party-in-interest transactions that are prohibited by the Employee Retirement Income Security Act of 1974 Section 406 and for which no statutory or administrative exemption exists.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guidance included in ASC 820-10 *Fair Value Measurements and Disclosures* provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 – The fair value of investments is based on quoted net asset values ("NAV") of the shares held by the Plan at year-end.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Fair Value Measurement
Pooled separate accounts*	$ -	$ -	$ -	$ 3,019,583
Limited partnership interest*	$ -	$ -	$ -	$ 103,472

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Fair Value Measurement
Pooled separate accounts*	$ -	$ -	$ -	$ 2,663,290
Limited partnership interest*	$ -	$ -	$ -	$ 126,593

* This category includes pooled separate accounts and a limited partnership interest that are designed to deliver safety and stability by preserving principal and accumulating earnings. Valued at the NAV of units held by the Plan at year end. The NAV is determined by the trustee of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with ASC 820, Fair Value Measurement, certain investments are measured at fair value using the NAV (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.
