Independent Auditor's Report

Executive Committee
Davis Graham & Stubbs LLP

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Davis Graham & Stubbs LLP Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year ended December 31, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment for plan year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Executive Committee
Davis Graham & Stubbs LLP

We were engaged to audit the accompanying statement of net assets available for benefits of Davis Graham & Stubbs Retirement Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Great-West Trust Company, LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2021 AND 2020, AND
FOR THE YEAR ENDED DECEMBER 31, 2021**

1. DESCRIPTION OF THE PLAN

The following description of the Davis Graham & Stubbs LLP Retirement Plan (the “Plan”) is provided for general information purposes. Participants should refer to the Plan agreement and Summary Plan Description for more complete information.

General

The Plan is a 401(k) Plan covering all eligible partners and employees of Davis Graham & Stubbs LLP (other than law clerks hired on or after April 1, 2011 and law students). An employee is eligible to enter the Plan as of the earlier of January 1 or July 1 coincident with or next following completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986 (the Code), as amended. The Plan was amended to comply with the Final Regulations issued under Sections 401(k), 401(m) and 415 of the Code; and with respect to certain provisions of the Pension Protection Act of 2006 and the Worker, Retiree, and Employee Recovery Act of 2008. The Plan is administered by Davis Graham & Stubbs LLP.

From December 31, 2020 through December 28, 2021 Great-West Trust Company, LLC was the Plan’s Trustee and holds the Plan’s investment assets. As of December 29, 2021, Vanguard Fiduciary Trust Company is the Plan’s Trustee, and holds the plan’s investment assets at December 31, 2021.

Participants may elect to make combined before-tax and after-tax Roth contributions of up to 75% of eligible compensation. Total employee contributions are limited to the maximum allowable under the Code of \$19,500 in both 2021 and 2020. If participants are age 50 or older, they may elect to defer additional catch-up contributions to the Plan of \$6,500 in both 2021 and 2020.

Contributions

For the plan year ended December 31, 2020, Davis Graham & Stubbs LLP may contribute to the Plan an amount equal to a percentage of each non-key employee participant’s compensation for the year, provided the participant is not also a participant in the Davis Graham & Stubbs LLP Money Purchase Plan who received a benefit under such plan that is greater than or equal to 3% of the participant’s eligible compensation, and is an employee on the last day of the period for which the contribution is made.

Effective December 29, 2021, each year Davis Graham & Stubbs LLP may contribute to the accounts of participants who are Davis Graham & Stubbs Partners and Davis Graham & Stubbs employees who are not practicing law at Davis Graham & Stubbs LLP an amount equal to 8% of that participant’s compensation up to the taxable wage base and 13.7% of that participant’s eligible compensation in excess of the taxable wage base (“Profit Sharing Contribution”), provided the participant has completed 1,000 hours of service during the plan year and is an employee on the last day of the period for which the contribution is made. To the extent that a Plan participant is not eligible for a Profit Sharing Contribution of at least 3% of the participant’s eligible compensation (e.g., non-partner attorneys, whether licensed or not, practicing law at DGS), an amount equal to 3% of that participant’s eligible compensation, less any Profit Sharing Contribution contributed to the participant’s Plan account, provided that the participant is an employee on the last day of the Plan year.

1. DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

In total, all contributions made to the Plan and to the Davis Graham & Stubbs LLP Money Purchase Plan on behalf of each participant are not to exceed the lesser of 100% of the participant's eligible compensation for that year or the maximum allowable under the Code of \$58,000 (\$64,500 for those 50 and older) in 2021 and \$57,000 (\$63,500 for those 50 and older) in 2020. Participants eligible to make catch-up contributions to the Davis Graham & Stubbs LLP Retirement Plan may exceed such dollar limitations by the amount of the catch-up contribution.

Each participant's account is credited with that participant's contributions plus an allocation, if any, of (a) the employer's contributions and (b) Plan earnings (losses), as of the current valuation date. The Plan values the individual participants' accounts daily based on the current market value of each type of asset. Amounts credited to a participant's account are fully vested and non-forfeitable.

Investment Options

Participants in the Plan may elect to direct the Trustee to invest all contributions made by them, or on their behalf, into any of 25 fund options available under the Plan. Self-directed accounts are also available whereby amounts are invested as designated by the participant.

Absent an investment election by the participant, contributions are invested in the Vanguard Wellesley Income Admiral Fund.

Distributions

A participant's entire interest in the Plan is distributable upon the participant's termination of employment, death, attainment of normal retirement age (age 65), or disability, as defined under the Plan. Participants can defer distributions until attaining the later of age 72 (70 ½ if you reach 70 ½ before January 1, 2020) or retirement in certain circumstances. The Plan requires that lump-sum distributions be made to terminated participants with a total account balance less than or equal to \$1,000. Participant benefits are payable, in a lump sum payment, as a qualified rollover into an Individual Retirement Account or another qualified plan, in installment payments or a combination thereof.

Distributions under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act") are permitted to qualified individuals up to \$100,000 from January 1, 2020 to December 31, 2020, require self-certification, and are not subject to a 10% early withdrawal penalty. Recipients may spread the income evenly over a three-year period for income tax purposes and may make recontributions of prior distributions within 3 years of the distribution.

Termination Provisions

Davis Graham & Stubbs LLP has the right to terminate the Plan at its discretion and upon approval of the Executive Committee. In the event the Plan terminates, the net assets of the Plan will be distributed to each participant according to the amount then credited to his or her account in the Trust.

Administrative Expenses

The expenses of maintaining the Plan are paid in part by Davis Graham & Stubbs LLP and in part with Plan assets.

1. DESCRIPTION OF THE PLAN (Continued)

Income Tax Status

The Plan is an adopter of a prototype plan and is entitled to rely on the opinion letter issued by the Internal Revenue Service as to the qualified status of the Plan under Section 401(a) of the Code, as amended, to the extent provided under Revenue Procedure 2017-41. As such, the Trust is exempt from federal income tax under Section 501(a) of the Code. The Plan is required to operate in conformity with ERISA, the Code, and its terms to maintain its qualification. The Plan administrator is not aware of any course of action or series of events that have occurred, including Plan amendments that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan recognizes income and expenses and other changes in net assets using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets during the reporting period. Actual results could differ significantly from those estimates.

Concentration of Credit Risk

Overall, the investments offered by the Plan are diversified by geographic area, globally, and by fund objective. They generally represent uncollateralized ownership in or lending to publicly held corporations and the U.S. government and U.S. government agencies traded on reputable domestic and foreign exchanges.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (“Cares Act”) was signed into law. The applicable Cares Act provisions included additional distributions and an available pause on 2020 required minimum distributions. The Plan intends to formally adopt the Cares Act on or before the last day of the 2022 plan year, or a later date if determined by the Department of Treasury.

4. FAIR VALUE MEASUREMENTS

Authoritative guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted market prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements: The fair value of mutual funds and unit investment trusts is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock and money market fund cash equivalents are based on quoted market prices.

Level 2 Fair Value Measurements: The fair value of commingled funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair value of interest-bearing cash equivalents is based on original cost plus accrued interest. The fair value of certain corporate bonds for which quoted market prices are not available are valued based on price quotes from multiple dealers for the security or similar securities.

5. INVESTMENTS

Custody of Plan investments and reporting thereof was managed by Great-West Trust Company, LLC from December 31, 2020 through December 28, 2021. From December 29, 2021 through December 31, 2021 custody of Plan investments and reporting thereof was managed by Vanguard Fiduciary Trust Company.

During 2021, the Plan had total investment gains (including interest and dividend income, and gains and losses on investments bought and sold, as well as held during the year) of \$10,377,484. Of total investment gains, \$1,342,582 was from investments in the self-directed accounts.

6. INFORMATION PROVIDED BY THE PLAN TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate and was not subjected to auditing procedures:

- Investments as shown in the statements of net assets available for Plan benefits as of December 31, 2021 and 2020, and Notes 4 and 5;
- Investment income as shown in the statement of changes in net assets available for Plan benefits for the year ended December 31, 2021, and Note 5;
- Schedule H, Line 4i - schedule of assets held for investment for plan year ended December 31, 2021, as shown on the accompanying schedule.

7. NET ASSETS TRANSFERRED IN

On December 29, 2021, the Davis Graham & Stubbs Money Purchase Plan was merged into the Davis Graham & Stubbs Retirement Plan. The Davis Graham & Stubbs LLP Money Purchase Plan was a defined contribution plan in compliance with sections 401(k), 401(m) and 415 of the Internal Revenue Code of 1986 (the Code), as amended; and with respect to certain provisions of the Pension Protection Act of 2006 and the Worker, Retiree, and Employee Recovery Act of 2008. The transferred net assets have been recognized in the accounts of the Davis Graham & Stubbs Retirement Plan as of December 29, 2021, at their balances as previously carried in the accounts of the Davis Graham & Stubbs Money Purchase Plan. The changes in net assets of the combined plans are included in the accompanying statement of changes in net assets available for benefits December 29, 2021. A summary of the transferred net assets follows:
