Independent Auditors' Report

To the Plan Administrator and Participants
ShiftPixy, Inc. Retirement Savings Plan

Opinion

We have audited the financial statements of ShiftPixy, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SHIFTPIXY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the ShiftPixy, Inc. Retirement Savings Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was originally adopted on April 1, 2016 to qualify as a defined contribution retirement plan for Shiftable Human Capital Management Inc.'s eligible employees. On April 15, 2020, the board of directors of Shiftable Human Capital Management Inc. agreed to change the name of the plan sponsor to ShiftPixy, Inc. (the "Plan Sponsor") and to change the name of the Plan from Shiftable HR Retirement Savings Plan to ShiftPixy, Inc. Retirement Savings Plan. This Plan was established for the purpose of providing retirement benefits to the Plan Sponsor's eligible employees and the Plan Sponsor's clients in accordance with the Plan. As a result, the Plan is a multiple-employer plan and each client of the Plan Sponsor sets the eligibility, matching, and vesting terms specific to its participants under separate adoption agreements. The Plan is intended to satisfy the provisions of Section 401(k) of the Internal Revenue Code ("IRC") of 1986, as amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law on March 27, 2020, which provides relief to Plan participants who have been affected by the novel coronavirus pandemic as specified in the CARES Act. Under the CARES Act, sponsors were permitted to make changes to plan provisions impacting participant loans and distributions. In 2020, the Plan adopted certain of the CARES Act provisions which allow for waived penalties for certain early withdrawals. The Plan has not been formally amended to conform these Plan changes.

Plan Administration

The Plan Sponsor is the Plan's administrator and Slavic Integrated Administration ("Slavic") is the Plan's trustee and record keeper. Slavic maintains an investment agreement with Fidelity Life Insurance Company (the "Custodian").

Eligibility

Employees are eligible to participate in the Plan after attaining the minimum age and service requirements. Entry dates for the Plan are the earlier of January 1, April 1, July 1, and October 1, coinciding with or immediately following the satisfaction of the eligibility requirements.

SHIFTPIXY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN, continued

Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants during 2021 and distributed the 2021 excess contributions to the applicable participants during 2022.

Contributions

Each participant may elect to contribute a prescribed percentage of his or her compensation to the Plan, subject to certain IRC limitations, up to a maximum amount of \$19,500 for the 2021 Plan year. Participants that are 50 years of age or older who have met the IRC annual deferral limit may contribute an additional catch-up contribution of up to \$6,500 for 2021. Participants may also rollover amounts representing distributions from other qualified plans. In addition, participants may elect to contribute a percentage of eligible compensation into the Plan on an after-tax basis.

All contributions to each participant's account are self-directed by the participant in one or more of the investments offered under the Plan.

The Plan permits the employers to make discretionary matching contributions to participants' accounts, as defined by the Plan. For the year ended December 31, 2021, the employers made matching contributions of \$0.

The Plan also permits the employers to make discretionary employer profit sharing contributions to participants' accounts. For the year ended December 31, 2021, the employers did not make any profit-sharing contributions.

Vesting

Participants are fully vested in their contributions and the earnings thereon. Employer discretionary matching or profit sharing contributions are immediately 100% vested.

Forfeited Amounts

Forfeited amounts from terminating participants' non-vested accounts are used to either reduce employer contributions or to pay Plan expenses for the current or next plan year. As of December 31, 2021 and 2020 and for the year ended December 31, 2021, there were no forfeited non-vested amounts.

SHIFTPIXY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN, continued

Participants' Accounts

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service including death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

Hardship Withdrawals

A participant upon the attainment of age 59½ may withdraw all or any portion of his or her vested account balance. Further, pursuant to the CARES Act and subsequent legislation, certain other early withdrawals are allowed without tax consequences through June 2021. During the year ended December 31, 2021, these early withdrawals totaled \$0.

Any withdrawal made by a participant prior to attaining age 59½ that is not rolled over into another retirement account, for reasons other than death or disability, is subject to a 20% federal excise tax.

A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. For the year ended December 31, 2021, there were no hardship withdrawals.

Participant Loans

Participants may borrow from their accounts up to a maximum of 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates. Loans must be repaid within five years, unless the loan was for the purchase of a personal residence. In this case, the repayment period may be extended. Participants may only have one loan outstanding at a time. Under the CARES Act, if a loan was outstanding on or after March 27, 2020, and any repayment on the loan was due from March 27, 2020 to December 31, 2020, that due date may be delayed for up to one year.

SHIFTPIXY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation

Investments are stated at fair value (see Note 4). Net appreciation or depreciation in fair value of investments for the period is reflected in the accompanying statement of changes in net assets available for benefits. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on an accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

Certain administrative functions are performed by officers or employees of the Plan Sponsor; no such officer or employee receives compensation from the Plan for these services. Certain of the Plan’s expenses are paid by the participants and certain expenses are paid by the Plan Sponsor, as provided by the Plan document. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - INVESTMENT OPTIONS

Contributions made on behalf of the participants are invested in various funds according to participant elections. Participants may direct the investment contribution into the various options offered by the Plan. Participants may change investment elections at any time via telephone or via Internet access with Slavic.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan measures fair value of its investments in accordance with Accounting Standards Codification Topic 820 (“ASC 820”). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Mutual Funds

The fair value of the Plan’s investments in mutual funds is based upon quoted prices in active markets, which represent the net asset value of shares held, classified as Level 1 investments.

As of December 31, 2021, the Plan’s investments measured at fair value on a recurring basis were as follows:

	December 31, 2021		
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
			Total
Assets			
Mutual funds	\$ 494,214	\$ -	\$ 494,214

NOTE 4 - FAIR VALUE MEASUREMENTS, continued

As of December 31, 2020, the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2020		
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
			Total
Assets			
Mutual funds	\$ 280,047	\$ -	\$ 280,047

NOTE 5 - INCOME TAX STATUS

Effective April 1, 2016, the Plan adopted a prototype plan offered by Slavic. Slavic received a favorable determination letter from the Internal Revenue Service ("IRS") for its prototype 401(k) plan on March 31, 2014. The Plan Sponsor conforms the operations of the Plan to the prototype plan, thereby allowing the Plan Sponsor to rely on Slavic's current and future IRS determination letters. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Continued qualification is dependent on the Plan's future operations.

In accordance with U.S. GAAP, the Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months. The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan has investments with the Custodian. The Plan has incurred certain administrative fees with Slavic and the Custodian. In addition, the Plan has loans with its participants. Slavic, the Custodian, and the Plan participants are considered parties-in-interest under ERISA. All of these transactions are considered exempt party-in-interest transactions under ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for investments in any combination of investment funds with different investment strategies. These investment funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated and determined that no events have occurred, other than those mentioned above, subsequent to the date of the statement of net assets available for benefits and through October 14, 2022, the date of issuance of these financial statements, which would require recording or disclosure in its financial statements.
