## **Independent Auditors' Report**

To the Administrative Committee of the  
Fullmer Construction 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of the Fullmer Construction 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **2021 Supplemental Schedule Required by ERISA**

The 2021 supplemental schedule contained on pages 13 through 14 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

## **Notes to Financial Statements**

### **1. Description of the Plan**

The following description of the Fullmer Construction 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan providing benefits to all employees of Fullmer Construction (the Company) who have reached age eighteen or older. Employees of the Company who are ineligible to participate include union employees, nonresident aliens, or leased employees. Employees may begin contributing to the Plan on the first day of the calendar quarter coinciding with or the first day of the next calendar quarter following the satisfaction of the eligibility requirements.

#### **Contributions**

Under the provisions of the Plan, each active participant may enter into a salary deferral agreement with the Company and may defer up to 100 percent of compensation, up to the maximum allowable amount as determined yearly by the Internal Revenue Service (IRS). Participants are automatically enrolled in the Plan at a contribution rate of 2.5 percent of compensation upon meeting the eligibility requirements. Participants are given the opportunity to change this contribution rate within 14 days of their eligibility date. Participants age 50 and older may contribute catch-up contributions as allowed per IRS limitations. Participants are permitted to make Roth after-tax contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company, at its discretion, may make Company matching contributions to the Plan. For the year ended December 31, 2021, the Company elected to match employee contributions up to 2.5 percent of their eligible compensation.

The Company, at its discretion, may make discretionary Company contributions to the Plan. For the year ended December 31, 2021, the Company elected not to make a discretionary Company contribution to the Plan.

#### **Participant Account**

An account is maintained for each participant. Each participant's account is credited with the participant's contributions, Company discretionary matching contributions, Company discretionary contributions, and the participant's Plan earnings and losses.

#### **Vesting**

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company discretionary matching contributions and Company discretionary contributions is based on years of service. A year of service is given for each Plan year in which a participant performs 1,000 hours or more of service. After one year of service, a participant is 50 percent vested and after two years of service, a participant is 100 percent vested. In addition, a participant becomes fully vested upon reaching normal retirement age, death, or permanent disability.

## **Notes to Financial Statements**

### **1. Description of the Plan (Continued)**

#### **Investment Options**

Each participant directs employee and Company contributions to his or her account through investment options offered by the Plan. The investment options are comprised of various mutual funds, collective investment trust funds, and pooled separate accounts.

#### **Notes Receivable from Participants**

Participants may borrow from their accounts for hardship purposes only and loan amounts are a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50 percent of the participant's vested account balance. A participant may only have one note receivable outstanding at any time. The notes receivable are secured by the vested balance in the participant's account and bear interest at a rate commensurate with similar loans from commercial lending institutions. Interest rates on current notes receivable range from 4.25 percent to 5.75 percent. Principal and interest are repaid ratably through payroll deductions. Any outstanding note receivable balance will become due and payable in its entirety upon occurrence of a distributable event.

#### **Payment of Benefits**

Upon termination of service due to termination of employment, death, disability or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installment payments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan Administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

#### **Forfeited Accounts**

At December 31, 2021, there were no forfeited nonvested accounts. At December 31, 2020, forfeited nonvested accounts totaled \$2,060. These funds are available to pay Plan expenses, reduce Company contributions, or allocate as additional Company contributions. During the year ended December 31, 2021, the Company used forfeited nonvested accounts of \$1,398 to pay administrative expenses, \$2,277 were allocated to participant accounts as additional contributions, and used \$9 to reduce Company discretionary matching contributions.

### **2. Summary of Accounting Policies**

The preparation of these financial statements requires Plan management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of net assets available for benefits, net appreciation in fair value of investments, as well as disclosures of contingent assets and liabilities. Actual results could differ from those estimates. Plan management has considered events occurring through October 14, 2022 in its evaluation of the conditions on which estimates were based or for changes in conditions subsequent to the date of the statement of net assets available for benefits, which should be disclosed. The financial statements were available to be issued at this date.

## **Notes to Financial Statements**

### **2. Summary of Accounting Policies (Continued)**

Plan management also determines the accounting principles to be used in the preparation of financial statements. A description of the significant accounting policies employed in the preparation of these financial statements follows:

#### **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as investments held during the year.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021. Delinquent notes receivable are recorded as distributions based upon the terms of the Plan document.

#### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and requests for distributions are charged directly to the participant's account and are included in administrative expenses, and fees for investment advisory services are charged to participant accounts on a pro-rata basis, based on participant account balances. Certain investment related expenses are included in net appreciation in fair value of investments, while other plan administration expenses are paid directly by the Plan.

### 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the Accounting Standards Codification Topic 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs, other than quoted prices, that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

# Fullmer Construction 401(k) Plan

## Notes to Financial Statements

### 4. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund, which represents the net asset value (NAV) of shares held by the Plan at year end.

*Collective investment trust funds:* Valued at the NAV of units held by the Plan in the collective investment trust fund. The NAV is based on the fair value of the underlying investments held by the collective investment trust fund less its liabilities.

*Pooled separate accounts:* Valued at the NAV of the underlying assets held by the separate account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

|                                   | Level 1              | Level 2             | Level 3     | Total                |

### 4. Fair Value Measurements (Continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

|                                   | <u>Level 1</u>      | <u>Level 2</u>      | <u>Level 3</u> | <u>Total</u>         |

### 5. Related-Party and Party-in-Interest Transactions

The Plan invests in units of collective investment trust funds and pooled separate accounts managed by affiliates of Principal Trust Company. Principal Trust Company acts as Trustee for only those investments as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for investment management services are included as a reduction of the return earned on each investment, as the fees are paid through revenue sharing, rather than paid as a direct payment. As described in Note 2, the Plan made direct payments to service providers of \$70,933 for services related to the Plan, which was not covered by revenue sharing. The Plan Sponsor directly pays any other fees related to the Plan's operations, other than those fees that may be paid through the use of forfeitures as allowed by the Plan.

### 6. Tax Status

The Plan adopted a prototype plan document, which received an opinion letter dated March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

### 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company discretionary matching contributions and their Company discretionary contributions.
