INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators of
Intertech Security, LLC 401(k) Plan
Pittsburgh, PA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Intertech Security, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 194 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Intertech Security, LLC 401(k) Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Intertech Security, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103 (a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Intertech Security, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intertech Security, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Intertech Security, LLC 401(k) Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our audit report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

INTERTECH SECURITY, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 PLAN DESCRIPTION

The following description of Intertech Security, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established January 1, 2004, covering eligible employees of Intertech Security, LLC (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All salaried and hourly employees of the Company who are at least eighteen (18) years of age and have been employed by the Company for three consecutive months are eligible for participation in the Plan. The Plan does not cover union employees whose employment is governed by a collective bargaining agreement or certain nonresident aliens who have no earned income from sources within the United States.

Contributions

Participants may contribute up to one hundred percent (100%) of their compensation, provided the contributions do not exceed limitations established by the Internal Revenue Code (IRC). Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Eligible employees may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered under the Plan.

The Company will make matching contributions to the Plan equal to a uniform percentage of salary deferrals but has the option to limit the matching percentage. Matching percentages are determined by the Company each plan year. In 2021, the Company made matching contributions equal to fifty percent (50%) of each participant's contribution up to six percent (6%).

In addition, the Company may, in its sole discretion, make profit sharing contributions to the Plan on behalf of each participant who is employed on the last day of the Plan year and has completed a year of service during the Plan year. Contributions to each group shall be allocated in the ratio that each participant's compensation bears to the compensation of all members of the group who are eligible to receive profit sharing contributions. There were no such contributions for the year ended December 31, 2021.

On July 10, 2017, the Company amended the Plan to allow the Company to make a prevailing wage contribution on behalf of each employee hired to work for the Company under a prevailing wage contract. The prevailing wage contribution will be an amount equal to the remaining balance of the prevailing wage defined bona-fide fringe benefit amount, based on the employees' employment classification as designated on the appropriate prevailing wage determination after the application of other prevailing wage defined bona-fide fringe payments. In addition, the prevailing wage contribution is not subject to any age or service requirements or entry date provisions and is one hundred percent (100%) vested. Highly compensated employees are excluded from receiving a prevailing wage contribution.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon and any prevailing wage contributions from the Company. Employer matching and profit sharing contributions credited to a participant's account vest based on years of service, in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	25%
2	50%
3	75%
4	100%

Participant Accounts

Each participant's account is credited with (a) the participant's contribution and related employer matching contribution, (b) an allocation of the Company's profit sharing contribution, if any, (c) prevailing wage contributions, (d) investment earnings, and (e) charged administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan is entirely participant-directed and, as such, upon enrollment in the Plan, a participant may direct employee and employer contributions in any investment option offered in the Plan. Participants may change their investment options at any time. The Plan currently offers various common collective trust funds and registered investment companies (mutual funds) as investment options.

Payment of Benefits

Benefits are payable upon retirement, death, disability, attainment of age fifty-nine and a half (59 ½), financial hardship, or termination of employment in a lump-sum payment equal to the vested value in the participant's account.

Forfeitures

The Plan's forfeited accounts are used first to pay any administrative expenses. Any remaining forfeited accounts are used to reduce employer contributions. Cumulative forfeited non-vested accounts amounted to \$3,532 as of December 31, 2021. During the year ended December 31, 2021, forfeitures in the amount of \$8,221 were used to reduce employer contributions to the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. Repayments of the loans are made in equal installments over a period not to exceed five years (unless the loan is for the purchase of a primary residence). The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with current interest rates charged for loans made under similar circumstances. Principal and interest are paid ratably through monthly payroll deductions.

Hardship Withdrawals

The Plan administrator may direct the custodian to distribute up to one hundred percent (100%) of a participant's vested account balance, in the event of immediate financial need. Withdrawals will be authorized only if the distribution is for the payment of unreimbursed medical care expenses, costs directly related to the purchase of the participant's principal residence, tuition payments, payment to prevent eviction from the participant's principal residence, payments for burial or funeral expenses for the employee's deceased parent, spouse, children or dependents or expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the IRC. Participants will be suspended from making any contributions to the Plan for a period of six months after the hardship withdrawal.

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. The CARES Act contains several provisions that affect employee benefit plans. Key provisions include:

1. Allowing participants to take a coronavirus-related distribution (CRD) of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. CRDs may be repaid within three years. The plan management may rely on an employee's certification that the employee satisfies the conditions for a CRD;
2. Allowing participants to borrow up to \$100,000 from qualified plans – an increase from \$50,000 previously allowed under Internal Revenue Code section 72(p) – for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed;
3. Allowing suspension of loan payment due March 27, 2020 through December 31, 2020 for up to one year; and
4. Allowing suspension of 2020 required minimum distributions.

Plan sponsors are permitted to make the CARES Act options available immediately even before a written amendment is made to the plan document. The deadline to formally adopt the amendments has been extended to December 31, 2022 (for calendar years) or the end of the plan year starting in 2022 (for non-calendar years).

During 2020, the Plan sponsor has elected to adopt the following provisions of the CARES Act:

- Special hardship distributions as summarized in item 1 above;
- Special loan provisions as summarized in items 2 and 3 above; and
- Waiver of required minimum distributions as summarized in item 4 above.

The elections made by the Plan sponsor above will be incorporated into a formal plan amendment to be prepared by Schneider Downs Retirement Solutions (TPA) no later than December 31, 2022.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a description of fair value measurements.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan performs fair value measurements in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance. ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy establishes three levels of inputs that may be used to measure fair value:

- Level 1 – inputs are unadjusted quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Registered Investment Companies:* Valued based on quoted market prices at the net asset value (“NAV”) of shares held by the Plan at year end as reported by Charles Schwab Bank, the trustee.
- *Common Collective Trust Funds:* Valued at the NAV of units held by the Plan at year end adjusted for any cash held for liquidity purposes and any fees imposed by the fund. The net asset value per unit is determined by dividing the net assets by the number of units outstanding on the day of valuation. The net asset value of the fund is determined daily and valued by Charles Schwab Bank, the custodian. Units are issued and redeemed daily, at the daily net asset value. Also the net investment income and realized and unrealized gains on investments are not distributed.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, a summary of the Plan’s investments measured at fair value on a recurring basis at December 31, 2021 and 2020:

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
As of December 31, 2021 -				
Registered investment companies	\$4,658,629	\$ ---	\$ ---	\$ 4,658,629
Investments measured at net asset value (1)				1,422,201
Total	<u>\$4,658,629</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 6,080,830</u>

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
As of December 31, 2020 -				
Registered investment companies	\$5,165,974	\$ --	\$ ---	\$5,165,974
Investments measured at net asset value (1)				1,366,024
Total	<u>\$5,165,974</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$6,531,998</u>

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value based on net asset value per practical expedient at December 31, 2021 and 2020:

	2021			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common Collective Trust Funds	<u>\$ 1,422,201</u>	None	Daily	None
	2020			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common Collective Trust Funds	<u>\$ 1,366,024</u>	None	Daily	None

NOTE 4 INCOME TAX STATUS

The Plan adopted a non-standardized prototype plan sponsored by Dunbar Bender & Zapf, Inc. The non-standardized prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, as to the non-standardized prototype plan's qualified status. The non-standardized prototype plan opinion letter has been relied upon by this Plan. The non-standardized prototype plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is currently designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. As a result, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examination by the U.S. federal, state, or local tax authorities for years prior to 2018.

NOTE 5 CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Bank, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA – required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.
- Investment information and participant loans included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA required supplemental schedule.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their employer contributions.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 RELATED PARTY TRANSACTIONS

During the plan year ended December 31, 2020, the Plan entered into an investment advisor agreement with Schneider Downs Wealth Management Advisors LP (SDWMA). Fees paid to SDWMA for investment advisory services amounted to \$31,804 for the Plan year ended December 31, 2021. In addition, during the plan year ended December 31, 2020, the Plan entered into a Recordkeeping, Compliance, Reporting, and Consulting Agreement with SDAdvantage Retirement Solutions LP (SD). Fees paid to SD for services pursuant to the consulting agreement were \$14,829 for the Plan year ended December 31, 2021. SDWMA is an investment advisor for the Plan and SD is the recordkeeper for the Plan, and accordingly, these transactions qualify as party-in-interest.

NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued. Other than noted below, the Plan is not aware of any subsequent events which would require recognition or disclosure in the combined financial statements.

Plan Merger

Effective January 1, 2022, the Fedora Security 401(k) Plan was merged into the Intertech Security, LLC 401(k) Plan.
