Independent Auditors' Report

To the Corporate Committee, Employee Benefit Plans
Keystone Employee Welfare Benefit Plan I:

Opinion

We have audited the accompanying financial statements of Keystone Employee Welfare Benefit Plan I (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2020 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United Stated in America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

KEYSTONE EMPLOYEE WELFARE BENEFIT PLAN I

NOTES TO FINANCIAL STATEMENTS
(Modified cash basis)

Note 1 – Plan description

General. The Keystone Welfare Benefit Plan I (the "Plan") was formed on January 1, 2001 by the merger of the Welfare Benefit Plan For Keystone Consolidated Industries, Inc. Retirees; the Keycon Wire Welfare Benefit Plan for Bargaining Unit Employees of Sherman Wire; the Metalcrafters – UAW Local 449 Retiree Medical Benefit Plan; the DeSoto, Inc. Welfare Benefit Plan; and the Keystone Consolidated Prescription Drug Plan (collectively, the "Merged Plans"). On January 1, 2002, the Keycon Wire Welfare Benefit Plan for Non-Bargaining Unit Employees of Sherman Wire; the Sherman Wire of Caldwell, Inc. Welfare Benefit Plan for Non-Bargaining Unit Employees of Sherman Wire; the Keystone Steel and Wire Welfare Benefit Plan for Bargaining Unit Employees; and the Keystone Steel and Wire Welfare Benefit Plan for Non-Bargaining Unit Employees were also merged into the Plan. On January 1, 2013, the Plan was amended and restated to include medical and prescription drug coverage for active bargaining and non-bargaining unit employees only, life insurance for all active and retired employees with life insurance, management travel and accident insurance and management long-term disability. As part of this amendment and restatement, all medical and prescription coverage related to retired employees that elected lifetime COBRA under the 1114 Agreement discussed below was transferred to Keystone Employee Welfare Benefit Plan II ("Retiree Plan"). Effective December 1, 2018, material modifications were made to the 2013 amendment to the Plan to merge the Engineered Wire Products Inc. Salaried Employees Medical Plan, the EWP Teamsters Insurance Plan, the Engineered Wire Products, Inc. Employees Medical Plan (Warren Plan) and the Engineered Wire Products, Inc. Employees Medical Plan (New Mexico Plan) (collectively, the "EWP Plans") into the Plan.

Keystone is a wholly-owned subsidiary of Liberty Steel Holdings, USA ("LSH"). LSH is a GFG Alliance Company and is 100% beneficially owned by Mr. Sanjeev Gupta through intermediary holdings companies. Consequently, Mr. Gupta may be deemed to control Keystone and the Plan.

The Plan provides benefits to certain employees and retirees of Keystone Consolidated Industries, Inc. ("Keystone" or the "Employer") as well as certain subsidiaries and former subsidiaries of Keystone. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The following description of the Plan provides only general information by participant group. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Bargaining Unit Employees of Keystone Steel and Wire – The Plan provides medical care to bargaining unit employees of Keystone Steel and Wire ("KSW") (and their eligible dependents or beneficiaries). KSW is a division of Keystone. Life insurance coverage is also provided to employees. Participants in this group make monthly contributions to the Plan ranging from $110 to $696.

Non-Bargaining Unit Employees of KSW and Keystone Corporate – The Plan provides medical care to non-bargaining unit employees of KSW and Keystone Corporate employees (and their eligible dependents or beneficiaries). Life insurance coverage is also provided to employees. Participants in this group make monthly contributions ranging from $110 to $696.

Salaried Employees of the Engineered Wire Products, Inc. Upper Sandusky Division – The Plan provides medical and prescription benefits to salaried employees of the Engineered Wire Products, Inc. ("EWP") Upper Sandusky division (and their eligible dependents or beneficiaries). EWP is a subsidiary of Keystone. Life insurance, short-term disability and long-term disability coverage are also provided to employees. Participants in this group make monthly contributions to the Plan ranging from $96 to $272.

Teamsters Employees of EWP Upper Sandusky Division – The Plan provides medical and prescription benefits to Teamsters employees of EWP Upper Sandusky division (and their eligible dependents or beneficiaries). Life insurance and short-term disability coverage are also provided to employees. Participants in this group make monthly contributions to the Plan ranging from $144 to $196.

Employees of the EWP Las Cruces Division – The Plan provides medical and prescription benefits to employees of the EWP Las Cruces division (and their eligible dependents or beneficiaries). Life insurance, short-term disability and long-term disability coverage are also provided to employees. Participants in this group make no monthly contributions to the Plan.

Employees of the EWP Warren Division – The Plan provides medical and prescription benefits to salaried and Teamsters employees of the EWP Warren division (and their eligible dependents or beneficiaries). Life insurance, short-term disability and long-term disability coverage are also provided to employees. Participants in this group make no monthly contributions to the Plan.

Keystone Retirees – Prior to February 2004, the Plan provided medical care benefits to retired bargaining unit employees (and their eligible dependents or beneficiaries) of the former Chicago Heights Steel division of Keystone; retired non-bargaining unit employees (and their eligible dependents or beneficiaries) of the former MetalCrafters, and PlastiCrafters divisions of Keystone; retired Keystone management employees; and retired Keystone Steel & Wire division non-bargaining unit employees. There are no active employees in this group, however, the Plan continued to provide medical care benefits to retired participants receiving a pension until February 2004, when medical care benefits to all retirees in this group were permanently terminated. All retirees in this group will continue to receive the same life insurance and Medicare Part B benefits they received in the past. In addition, Keystone management and Keystone Steel & Wire division non-bargaining unit retirees who retired on or before November 1, 1982 have received and continue to receive certain payments under the terms of the 1114 Agreement discussed below. As of January 1, 2013, only life insurance for these participants was included in the Plan. All other benefits for this participant group were transferred to the Retiree Plan.

MetalCrafters - UAW Local 449 Retirees – Prior to March 2004, pursuant to the settlement of certain litigation in 1988, the Plan provided lifetime medical care benefits (up to $50,000 annually per covered individual) to eligible bargaining unit retirees (and their eligible dependents) of the former MetalCrafters division, Rockford, Illinois of Keystone. During 1989, Keystone sold the MetalCrafters division, but retained certain retiree medical care obligations. Effective in March 2004, medical care benefits to all retirees in this group were permanently terminated. All retirees in this group will continue to receive the same life insurance and Medicare Part B benefits they received in the past. In addition, retirees in this group received and continue to receive certain payments under the terms of the 1114 Agreement discussed below. As of January 1, 2013, only life insurance for these participants was included in the Plan. All other benefits for this participant group were transferred to the Retiree Plan.

DeSoto, Inc. Retirees – Prior to February 2004, the Plan provided medical and life insurance benefits to certain retirees (and their eligible dependents or beneficiaries) of the DeSoto division of Sherman as well as Sherman's wholly-owned subsidiaries. Certain retiree participants are eligible for life insurance coverage and make monthly contributions to the Plan for life insurance coverage in the amount of $4.52 per $1,000 of coverage. Effective in February 2004, medical care benefits to all retirees in this group were permanently terminated. All retirees in this group will continue to receive the same life insurance and Medicare Part B benefits they received in the past. As of January 1, 2013, only life insurance for these participants was included in the Plan. All other benefits for this participant group were transferred to the Retiree Plan.

Affected Retirees – During October 2004 in connection with Keystone's Chapter 11 proceedings (the Company reorganized and emerged from bankruptcy protection on August 31, 2005), the Company entered into an agreement (the "1114 Agreement") with a group of retirees consisting of Keystone management and Keystone Steel & Wire division non-bargaining unit retirees who retired on or before November 1, 1982 (the "Management Retirees"), Metalcrafters UAW Local 449 retirees (the "UAW Retirees") and the Keystone Steel & Wire division bargaining unit retirees who retired on or after May 3,

1993 (the "ISWA Retirees") (collectively, the "Affected Retirees"). Medical care benefits to ISWA Retirees are provided under another benefit plan. All medical care benefits to the Affected Retirees had previously been terminated in March 2004 under an order of Interim Relief from the Court. Effective August 31, 2008, the payments under the 1114 Agreement were amended. Under the terms of the 1114 Agreement, as amended, the Affected Retirees received, or will receive in the future, among other things:

- A $500,000, in the aggregate, payment in October 2004;
- A $3,000,000, in the aggregate, payment after the Company emerged from Chapter 11;
- A $145 per month payment to each Affected Retiree, Affected Retiree spouse and Affected Retiree dependents during 2004;
- A $150 per month payment to each Affected Retiree, Affected Retiree spouse and Affected Retiree dependents during 2005;
- A minimum monthly payment to each Affected Retiree, Affected Retiree spouse and Affected Retiree dependents of $120, $129, $163 and $160 during 2006, 2007, 2008 and 2009, respectively, and $160 with a 2.5% annual increase for future years thereafter.
- Additional monthly payments during 2006 and thereafter of up to $190 based on the prior year's free cash flow (as defined in the 1114 Agreement) ; and
- The Affected Retirees also received, in the aggregate, a $5.0 million unsecured claim against Keystone treated in accordance with the Company's plan of reorganization.

Employer contributions. The Employer contributes an amount equal to all costs of the Plan in excess of the participants' contributions.

Plan termination. The Employer has the right to discontinue the Plan or to amend the Plan at any time to exclude any participating group, in compliance with the provisions of ERISA and subject to the provisions of any applicable collective bargaining agreement. In the event the Plan is discontinued while participants are receiving benefits, such participants may continue to receive benefits, either from the Plan or the Employer, as applicable, in accordance with the provisions of the Plan. The Plan cannot terminate coverage to the Affected Retirees.

Expenses of administering the Plan. To the extent not paid by the Employer, administrative expenses are paid by the Plan. For 2020 and 2021, the Employer paid a significant portion of the administrative expenses.

Stop-Loss Coverage. The Plan carries stop-loss insurance in order to limit exposure for self-insured benefits.

Tax status. The Plan's various trusts have received favorable determination letters from the Internal Revenue Service and therefore are exempt from federal income taxes under Section 501(c)(9) of the Internal Revenue Code of 1986, as amended. The Plan has been amended since receiving the determination letters. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan had no significant uncertain tax positions for the years ended December 31, 2020 and 2021. The Plan's Annual Return/Report of Employee Benefit Plan is subject to examination by the IRS for three years from the date of filing.

Note 2 – Summary of significant accounting policies

Basis of accounting. The financial statements of the Plan are prepared on a modified cash basis of accounting. Consequently, certain expenses and related liabilities are recognized when paid rather than when the obligation is incurred. The significant modification of the cash basis of accounting used by the Plan is the recognition of receivables at year end, if appropriate, for contributions withheld by the Employer from participants prior to the Plan's year end which were not received by the Plan until the next plan year and for refunds due to the Plan. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with U.S. generally accepted accounting policies.

Cash and cash equivalents. Cash and cash equivalents are principally bank time deposits and money market mutual funds with maturities of three months or less.

Refunds. As of December 31, 2020 and 2021, the Plan had receivables of $1,025 and $1,354,530, respectively, consisting of paid claims. These receivables were related to overpayments of benefit claims during 2019 and 2020 which were settled in 2020 and 2021, respectively.

Management estimates. The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of additions and deductions to net assets available for benefits during the reporting period. Ultimate actual results may, in some instances, differ from previously estimated amounts.

Benefit obligations. The Plan records claim expenses when the claims are paid. Claims incurred but not reported approximated $1,301,000 and $897,636 at December 31, 2020 and 2021, respectively.

The present value of the estimated future benefits payable as of December 31, 2020 and 2021 is as follows:

	December 31,	
	2020	**2021**
	(In thousands)	
Retirees and dependents	**$ 36,363**	**$ 32,934**
Active elgibile to retire	**3,610**	**3,641**
Actives not yet eligible	**4,454**	**3,412**
Total	**$ 44,427**	**$ 39,987**

The retiree and dependent amounts have been reduced by $1,405,000 and $1,381,000 at December 31, 2020 and 2021, respectively for currently payable benefits. The discount rate used in determining the actuarial present value of the accumulated post retirement benefit obligation was 2.10% and 2.53% at December 31, 2020 and 2021, respectively. The mortality table used was the Pri-2012 Blue Collar with Generational Improvement Scale MP-2020 in 2020 and the Pri-2012 Blue Collar with Generational Improvement Scale MP-2021 in 2021. The foregoing assumptions are based on the presumption the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the post retirement benefit obligation.
