INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Atlanta Speech School, Inc. Retirement Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Atlanta Speech School, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of Atlanta Speech School, Inc. Retirement Plan because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Atlanta Speech School, Inc. Retirement Plan (the "Plan") has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 1 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on these supplemental schedules.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Atlanta Speech School, Inc. Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated June 28, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

ATLANTA SPEECH SCHOOL, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following is a brief description of Atlanta Speech School, Inc. Retirement Plan (the "Plan"). Participants or other interested parties should refer to the Plan Agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan adopted by Atlanta Speech School, Inc. (the "School"), effective September 1, 1958, to provide deferred tax benefits, savings and matching employer contributions to eligible employees. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the requirements of Section 403(b) of the Internal Revenue Code. The School is the sponsor and administrator of the Plan and the trustees are TIAA-CREF and VOYA Retirement Insurance and Annuity Company ("VOYA"). The trustees manage the investments as directed by participants and provides recordkeeping services for the Plan. Effective January 1, 2020, the School moved the Plan from TIAA-CREF to VOYA. Initially, plan account balances, not held in the TIAA Traditional Fund, were automatically transferred to target date investment funds maintained by VOYA. The TIAA Traditional Fund contract with the School contains restrictions that will not allow these funds to transfer immediately to VOYA. Therefore, TIAA will liquidate and transfer funds in this account to VOYA monthly for five years. During this transition period, permissible withdrawals and distributions will continue to be available from these assets at TIAA, subject to the Plan's established eligibility guidelines. Although the Plan is automatically directing account balances and ongoing deferrals to age-appropriate target date retirement funds based on a participant's date of birth, the participant will have the option to change the initial investment allocation to any combination of investment options available with VOYA.

B. Beginning Balances

The Plan has not maintained sufficient accounting records and supporting documents needed to gain the proper assurance with regards to the December 31, 2008, and ultimately the December 31, 2021 statements of net assets available for benefits balances. Although a good faith effort was made at the service provider level and the Plan sponsor level to produce the necessary data, the data available was not sufficient.

Further, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of

ATLANTA SPEECH SCHOOL, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Beginning fair value balances as of January 1, 2009 were audited but investment data and transaction data prior to January 1, 2009 were not sufficient to provide assurance with regards to the December 31, 2008 balances, and ultimately the December 31, 2021 balances as reported on the Statement of Net Assets Available for Benefits. Although full cooperation was provided from both the Plan sponsor and service providers, the service providers were unable to produce the pre-2009 investment and transaction detail and supporting data needed. Given the number of years the Plan has been in existence, it was not possible to obtain the required transaction data and investment detail far enough back for the auditors to gain the assurance needed with regards to the beginning balances on the Statement of Net Assets Available for Benefits.

C. Eligibility

Prior to January 1, 2018, employees were eligible to participate in the Plan once employment commenced and could enter the Plan the first day of each month of the Plan year. Employees were required to complete one consecutive year with at least 1,000 hours worked during that year and contribute a minimum of 5% before they were eligible to receive matching contributions made by the School. Beginning January 1, 2018, the School elected to operate the Plan as a safe harbor 403(b) plan. The Plan no longer requires participants to have completed one year of service to be eligible for employer safe harbor matching contributions. Effective January 1, 2020, employees who work less than 1,000 hours in a Plan Year will be excluded from the safe harbor/additional matching contribution.

D. Contributions

Participants can contribute up to the applicable limit pursuant to Code Section 403(b) of their pre-tax annual compensation, as defined by the Plan, subject to certain limitations for highly compensated individuals. Effective January 1, 2018, the School elected to amend the Plan for an automatic contribution feature that applies to newly hired employees, newly eligible employees and employees who have elected to make deferrals at a rate lower than 5% of compensation. Under the automatic contribution feature, the employees will be automatically enrolled at a deferral rate of 5% of compensation. Participants may elect to not defer or to contribute more or less than the automatic contribution amount. However, if the participant has elected to contribute less than 5%, the deferral percentage will be automatically increased to 5% on the following January 1, unless a new election is made by the participant. Participants who attain age 50 before the end of the Plan year can make additional catch-up contributions. The School makes a safe harbor matching contribution of 100% of the first 5% of compensation that a participant contributes to the Plan.

E. Participant Accounts

Participants' accounts are maintained by the Plan trustee and are credited with the participant's contribution and allocations of Plan sponsor contributions, Plan earnings and certain Plan administrative expenses. Allocations are based on participant contributions or account balances, as defined. Participants' accounts are charged administrative fees for loans, termination and/or withdrawals on an individual basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account

F. Vesting

Participants are immediately vested in their voluntary contributions and the School's contributions plus actual earnings thereon.

G. Loans to Participants Secured by Participant Accounts

Prior to the change in trustees, participants were able to borrow directly from TIAA-CREF using a portion of their Plan account as security for the loan. Such loans are subject to certain limitations. Applicants receiving such loans are required to pledge as collateral an account value equal to 110% of the loan amount for the period of time the loan is outstanding. Loan balances outstanding from TIAA-CREF to the Plan's participants were \$100,998 and \$153,612 as of December 31, 2021 and 2020, respectively. As such, approximately \$111,098 and \$168,973 of account values as of December 31, 2021 and 2020, respectively, serves as collateral for the related loans, which are included in investments in the accompanying Statements of Net Assets Available for Benefits. As of December 31, 2021 and 2020, total loans in default were \$19,628. and \$11,301, respectively. The portion of the participant balance that is collateral for the defaulted loan is segregated to the Plan Loan Default Fund, which is invested in the TIAA Traditional Annuity.

During the year ended December 31, 2021 and 2020, notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. The minimum loan amount is \$1,000 and cannot exceed the lesser of 50% of a participant's vested account balance or \$50,000. Repayment of loans must be made at least quarterly and must be repaid within five years unless the loan is related to the purchase of a primary residence. The notes receivable, which are collateralized by the balance in the participant's account, bear interest ranging from 4.25% to 5.75%. Principal and interest are paid ratably through direct bank deductions for notes held by VOYA.

H. Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, in response to COVID-19, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. As part of the relief the Act provides, it allows for

ATLANTA SPEECH SCHOOL, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

retirement plan participants to have greater access to their savings if they are impacted by the coronavirus. The Plan administrator has elected to adopt certain provisions of the CARES Act and will amend the Plan pursuant to IRS regulations. Please refer to the following section I. Payments of Benefits, for further descriptions of the benefit distribution provisions adopted by the Plan administrator.

I. Payments of Benefits

Upon termination of service due to retirement, attainment of normal retirement age before severance from employment, termination, death or disability, a participant or representative may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or installment payments. In addition, upon written request and approval, participants may withdraw some or all of the contributions in their employee contribution account if the withdrawal is necessary due to hardship. Under the CARES Act, qualified Plan participants are permitted to withdraw penalty-free distributions of up to \$100,000 during 2020.

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Prior to January 1, 2009, the Department of Labor ("DOL") did not require audited financial statements. Although the Plan maintained accounting records and supporting documents relating to contracts and custodial accounts issued to current and former employees prior to January 1, 2009, these records were unaudited. Accordingly, we are unable to determine the extent to which the accompanying financial statements and supplemental schedule may have been affected by these conditions.

B. Use of Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant

ATLANTA SPEECH SCHOOL, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

E. Payments of Benefits

Benefits are recorded when paid.

F. Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the School and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

G. Subsequent events

Subsequent events have been evaluated by management through October 14, 2022, the date these financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The Plan invests in eight different accounts provided by College Retirement Equities Fund ("CREF"): Stock, Global Equities, Growth, Equity Index, Bond Market, Inflation-Linked Bond, Social Choice, and Money Market. These accounts invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Accumulation units in CREF accounts are available for transactions at the closing accumulation unit value on any day the NYSE is open for business. In an effort to reduce market timing and excessive trading, participants will be prohibited from making any purchases or sales

NOTES TO FINANCIAL STATEMENTS

for 90 days if a purchase, sale and repurchase within that account is made within a 60-day period, other than for the CREF Money Market Account.

The TIAA Real Estate Account ("REA") invests mainly in real estate properties and real estate-related investments. Accumulation units in the REA are available for transactions at the closing accumulation unit value on any day the NYSE is open for business. Transfers out of the REA are limited to one per calendar quarter.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in inactive markets,
- Inputs other than quoted prices that are observable for the asset or liability,
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

- The fair values of registered investment company shares and other mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

DECEMBER 31, 2021 AND 2020

- The fair values of accumulation units held by the Plan in CREF accounts (registered investment companies) are based on each account's daily NAV, which is considered by Plan management to be the best approximation of fair value. CREF accounts are not exchange traded. Data for NAVs are available daily to Plan administrators and client investors on TIAA-CREF's website and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of the underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in these accounts.
- The fair value of the Plan's interest in the TIAA Real Estate Account (a pooled separate account) is based on the fund's daily NAV, which is considered by Plan management to be the best approximation of fair value. The unit value of the fund is calculated daily and available to Plan administrators and client investors on TIAA-CREF's website. Underlying holdings are primarily valued using independent appraisals or independent pricing sources. There are no unfunded commitments from participants who invest in this account.
- Investments in the TIAA Traditional Annuity Contracts and VOYA Fixed Plus Accounts are reported at contract value, which approximates fair value. As these investments are contract-based, observable prices for identical or similar investments do not exist and, accordingly, these investments are valued using unobservable inputs. The contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals. Liquidity restrictions apply to certain types of contracts that could impact the value realized upon exiting the contract. See Note 4 for discussion of the TIAA Traditional Annuity.

The preceding methods described produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. TIAA TRADITIONAL ANNUITY

The TIAA Traditional Annuity is a guaranteed fixed annuity contract previously available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by TIAA. The Traditional Annuity is offered through a variety of contract types, including the Retirement Annuities ("RA") and Group Supplemental Retirement Annuities ("GSRA"). The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement.

When participants chose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified minimum rate of interest, is guaranteed by TIAA's claims paying ability. The TIAA Traditional Annuity also provides the potential for additional interest if declared by TIAA's Board of Trustees. Additional interest, when declared, remains in effect for the declaration year, which begins each March 1 for accumulating annuities and January 1 for lifetime payout annuities. Additional interest is not guaranteed for future years. Together, the guaranteed minimum and additional amounts make up the crediting interest rate.

ATLANTA SPEECH SCHOOL, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

The RA contract does not allow lump-sum cash withdrawals, and transfers must be spread over 10 annual installments. All other withdrawals and transfers from RA and GRA contracts must be spread over 10 annual installments (five annual withdrawals after termination of employment). The GSRA contract provides for full participant-directed liquidity. When a participant's accumulation in the TIAA Traditional Annuity is converted to a lifetime payout annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a distribution in the statement of changes in net assets available for benefits. Amounts remaining in the contract at January 1, 2021 are being liquidated and transferred to VOYA over a five year pay-out.

5. POOLED SEPARATE ACCOUNT

Units held in the pooled separate account ("PSA") are valued at the NAV based on the fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The PSA holds between 15% and 25% of its net assets in investments other than real estate and real estate related investments, comprised of publicly traded, liquid investments. Determination of fair value of the real estate assets involves significant judgement. Valuation of the PSA's real estate properties are based on real estate appraisals, which are estimates of property values based on a professional's opinion and may not be an accurate predictor of the amount the PSA would actually receive if it sold a property. Appraisals can be subjective in certain respects and rely on a variety of assumptions (including comparable property sales and historic pricing) and conditions at that property or in the market in which the property is located, which may change materially after the appraisal is conducted. Among other things, market prices for comparable real estate may be volatile, in particular if there has been a lack of recent transaction activity in such market.

As the PSA generally obtains appraisals on a quarterly basis, there may be circumstances in the period between appraisals or interim valuation adjustments in which the true realizable value of a property is not reflected in the PSA's daily NAV calculation or in the PSA's periodic financial statements. This disparity may be more apparent when the commercial and/or residential real estate markets experience an overall and possibly dramatic decline (or increase) in property values in a relatively short period of time between appraisals.

6. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF and VOYA have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

ATLANTA SPEECH SCHOOL, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivables from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information ring such information to the related information included in the financial statements and supplemental schedule.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by TIAA-CREF and VOYA, the trustees as defined by the Plan and, therefore, these investments and investment transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$31,052 for the year ended December 31, 2021. Notes receivable from participants also qualify as exempt party-in-interest transactions.

8. PLAN TERMINATION

Although they have not expressed any intent to do so, the School has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

9. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service ("IRS"). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes the Plan is qualified and the related custodial accounts and tax-deferred annuities are tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.
