Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of J & J Exterminating Company, Inc. Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the Audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and delinquent participant contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated December 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING 401(k) PLAN**

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the J & J Exterminating Company, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document and the Summary Plan Description of the Plan, which is made available to all participants, for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of J & J Exterminating of Shreveport, J & J Exterminating of Deridder, J & J Exterminating of Crowley, J & J Exterminating of New Orleans, J & J Exterminating of Lake Charles, J & J Exterminating of Alexandria, John PR Services, LLC and J & J Marine Pest Solutions, LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In January 2021, the Plan was restated, and funds were converted to a new custodian and recordkeeper. This conversion initiated a "blackout" period beginning January 4, 2021 and continued through January 21, 2021. During this period, employees were temporarily unable to direct or diversify investments in their individual accounts, obtain a loan from the Plan, or obtain a distribution from the Plan. However, account and contributions remained invested during this time. Also, during this period, plan assets transferred to the new custodian were transferred into mapped options selected by the participants. Future investment contributions were to be invested in these mapped options unless changed after the blackout period was over. If there were no investment elections on file at the new custodian, contributions were to be allocated to the Plan's default investment option.

Eligibility

Employees of the Company who have attained the age of 21 and completed the minimum requirement of one year of service are eligible to participate in the Plan. An employee is credited with one year of service for each twelve consecutive months in which the individual has completed 1,000 or more hours of service with the employer.

Contributions

Each year, participants may make salary deferral contributions in increments of 1% up to the maximum allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. The Company has elected to make discretionary matching contributions totaling 50% of the first 4% of the amount of employee elective deferrals, not to exceed 2% of a participant's salary. The Plan also provides for profit sharing contributions to be made at the discretion of the Company. The Company did not make profit sharing contributions for the year ended December 31, 2021.

**J & J EXTERMINATING COMPANY, INC.
PROFIT SHARING 401(k) PLAN**

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Participant Accounts

Participants direct the allocation of their contributions and discretionary matching and profit-sharing contributions from the Company among investment options offered by the Plan. Each participant's account is credited with participant's contribution, Company's discretionary matching and profit-sharing contributions, plan earnings and losses, and allocated administrative expenses for fund management fees. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. The Company's discretionary matching and profit-sharing contributions and earnings thereon are 20% vested after two years of service to the Company, 40% vested after three years, 60% vested after four years, 80% vested after five years, and 100% vested after six years.

Participants automatically become 100% vested in the Company's discretionary matching and profit-sharing contributions and earnings thereon at normal retirement, death, disability, or termination of the Plan.

Payment of Benefits

Generally, each participant shall be entitled to receive a benefit in such amount as can be provided by the total value of the participant's account as of his normal retirement date. Distributions from the Plan's assets are made upon death, disability, retirement, termination of service, or other circumstances, as described in the Plan Document. Upon termination, participants with a balance of \$1,000 or less are immediately cashed out. After attainment of age 59½, withdrawals can be made from any of the participant's vested amounts. A participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures can be used to reduce employer contributions and plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$7,297 and \$20,602, respectively. Forfeitures applied to employer contributions and used to pay plan expenses for the year ended December 31, 2021 was \$25,607.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan Document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination or partial termination of the Plan, or the complete discontinuance of contributions, the rights of all affected participants to their accrued benefits shall be fully vested and non-forfeitable.

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes Receivable from Participants

Under the provisions of the Plan Document, participants are not allowed to borrow from their individual accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Expenses

Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. Certain administrative expenses are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation of investments.

Tax Status

The Plan has adopted a volume submitter plan sponsored by CCH Incorporated DBA FT William Company. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Note 2. Summary of Significant Accounting Policies (Continued)

Tax Status (Continued)

Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by a plan in its tax returns that might be uncertain. The Plan Administrator believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Payment of Benefits

Benefits are recorded when paid.

Note 3. Information Certified by PAi Trust Company, Inc. and LT Trust Company

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by the Plan's current trustee and former custodian. The Plan Administrator has obtained certifications from the current trustee, PAi Trust Company, Inc. and former custodian, LT Trust Company, that information provided to the Plan Administrator related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules to the following assets:

	2021	2020
Investments, at Fair Value		
Mutual Funds	\$ -	\$ 5,183,937
Money Market Fund	254,559	80,558
Collective Investment Trust	6,214,059	302,570
Total Investments	\$ 6,468,618	\$ 5,567,065

The trustee also certified to the completeness and accuracy of \$676,261 of net appreciation in fair value of investments and \$22 of interest and dividends related to the aforementioned plan assets for the year ended December 31, 2021.

J & J EXTERMINATING COMPANY, INC.
PROFIT SHARING 401(k) PLAN

Notes to Financial Statements

Note 4. Risks and Uncertainties

The Plan invests in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 5. Fair Value of Financial Measurements

The *Fair Value Measurement* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities as of the reporting date. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.
- Level 2 Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly, as of the reporting date.
- Level 3 Valuations based on inputs that are unobservable and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation.

In some instances, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such instances, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements

Note 5. Fair Value of Financial Measurements (Continued)

The Plan's measurements of fair value are made on a recurring basis. There have been no changes in the methodologies used at December 31, 2021 and 2020. The valuation techniques for assets and liabilities recorded at fair value are as follows:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Valued at the quoted market prices on an available market.

Collective Investment Trust - A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as the practical expedient to estimating fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	\$ -	\$ -	\$ -
Money Market Fund	254,559	-	-	254,559

Note 5. Fair Value of Financial Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

December 31, 2020	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,183,937	\$ -	\$ -	\$ 5,183,937
Money Market Fund	80,558	-	-	80,558

Investments Measured at Net Asset Value ^(a)				<u>302,570</u>
Total Investments, at Fair Value				<u>\$ 5,567,065</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments.

Investment	2021 Fair Value	2020 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective Investment Trust					
MetLife Stable Value Solutions ^(a)	<u>\$ 6,214,059</u>	<u>\$ 302,570</u>	<u>\$ -</u>	Daily	None

(a) This fund's objective is to protect principal while providing a higher rate of return than shorter term investments, such as money market funds. The fund invests primarily in U.S. government and agency securities, asset-backed securities, mortgage-backed securities, and collateralized mortgage obligations and publicly traded corporate securities. Investment in this fund can be redeemed daily at the current net asset value per share based on the fair value of the underlying assets. The fair value of this fund has been estimated using the net asset value per share of the underlying investment.

Add: 2020 Contributions Receivable	<u>14,673</u>
Total Net Income, per the Form 5500	<u>\$ 920,248</u>

Note 7. Prohibited Transactions

The Plan was selected for a periodic review by the United States DOL in 2015 covering the period from January 2012 through February 2015. The review disclosed that the Company did not routinely remit withheld employee contributions to the Plan on the earliest date on which such contributions or repayments can reasonably be segregated from the employer's general assets. In the Company's response to the DOL's findings, the Company requested that 5 days would be a reasonable timeframe for the Company to consistently remit employee contributions to the Plan. The DOL accepted this request.

During the year ended December 31, 2021, the Plan Sponsor failed to deposit \$42,361 of participant contributions within the DOL agreed-upon timeframe of five business days. The DOL considers late deposits to be prohibited transactions. The Plan Sponsor will deposit lost earnings to the affected participants' accounts in the aggregate of \$9 to compensate those participants for potential lost income due to the delays.

Notes to Financial Statements

Note 7. Prohibited Transactions (Continued)

During the period January 30, 2020 through December 31, 2020, the Plan Sponsor failed to deposit \$18,556 of participant contributions within the DOL agreed-upon timeframe of five business days. The DOL considers late deposits to be prohibited transactions. The Plan Sponsor deposited lost earnings in 2021 to the affected participants' accounts in the aggregate of \$486 to compensate those participants for potential lost income due to the delays. The Plan Sponsor also applied for relief under the Voluntary Fiduciary Correction Program (VFCP).

Note 8. Subsequent Events

The Plan Administrator has evaluated subsequent events through the date that the financial statements were available to be issued, October 12, 2022, and determined that no events occurred that required disclosure. No further subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
