INDEPENDENT AUDITOR'S REPORT

To the Participants and the Retirement Committee of
F&E Aircraft Maintenance 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of F&E Aircraft Maintenance 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of F&E Aircraft Maintenance 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

F&E AIRCRAFT MAINTENANCE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF PLAN

The following description of the F&E Aircraft Maintenance 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of F&E Aircraft Maintenance Miami, LLC and certain other affiliated employers within a controlled group (collectively, the "Company", "Employer" or "Plan Sponsor"). Employees are eligible to participate in the Plan upon reaching 21 years of age and completing two months of service. The Plan was formed effective August 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Amendments: On September 29, 2021, an amendment to the prototype adoption agreement was executed to allow for discretionary employer matching contributions. Effective November 1, 2021, the Company started matching 3% of a participant's compensation determined each payroll period, as further defined in the Plan documents. Participants will be vested following a 5-year graded vesting schedule. For participants employed as of November 1, 2021, the Plan will honor the time the participant has been employed at the Company prior to the employer match implementation.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law. Plans were permitted to adopt CARES Act provisions applicable to retirement Plans immediately provided the Plan document is retroactively amended on or before December 31, 2022. As a result, the Plan implemented changes per the provisions of the CARES Act effective April 2020. The CARES Act provisions implemented by the Plan allow Plan participants to receive up to \$100,000 of coronavirus-related distributions, from eligible retirement plans, as defined by the Internal Revenue Code ("IRC") Section 402(c)(8)(B). A coronavirus-related distribution is subject to certain requirements and limitations as set forth in the CARES Act. The CARES Act also temporarily waived the required minimum distribution rules for 401(k) plans for calendar year 2020 although beneficiaries may still request to receive a distribution. The amendment needed to reflect the waived required minimum distributions was extended and must be retroactively amended on or before December 31, 2025.

F&E AIRCRAFT MAINTENANCE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Plan Amendments--Continued: The CARES Act also increased the limits on loans from an eligible retirement plan, from a maximum equal to the lesser of \$50,000 or 50% of their vested account balance; to a maximum equal to the lesser of \$100,000 or 100% of their vested account balance. These loans are available to eligible individuals for 180 days beginning on March 27, 2020. Coronavirus related loans are to be repaid over a five-year period; however, if repayments began prior to December 31, 2020, such repayment period was extended for an additional year.

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total annual compensation to the Plan ("elective deferrals") on a pre-tax basis or after-tax basis ("Roth"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [\$19,500 and if over 50 years of age, the participant may contribute an additional \$6,500 in 2021, as determined by the Internal Revenue Service ("IRS")] or 90% of compensation, as defined in the Plan document.

Participant Accounts: Each participant's account is credited with the participant's elective deferrals and allocation of the Company's contributions and investment earnings or losses and charged with an allocation of administrative expenses, if the expenses are not paid by the Company. Allocations are based on participant compensation as a percentage of total compensation of all eligible participants, as defined. Investment income includes interest, dividends, realized gains or losses on sale of investments and the net changes in unrealized appreciation or depreciation of the investments.

Vesting: Participants are immediately vested in their elective deferrals plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of credited service. The following outlines the Plan's vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Investment Options: Upon enrollment in the Plan, a participant may direct elective deferrals in any of the investment options offered by the Plan. Participants may change their investment options at their discretion. As of December 31, 2021 and 2020, the Plan offers investments in mutual funds and a common collective trust.

F&E AIRCRAFT MAINTENANCE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Notes Receivable from Participants: Except for the CARES Act provisions in effect during 2020, participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only two loans may be outstanding at a time. The repayment period is up to five years, unless the loan is for the purchase of a primary residence, in which case the repayment period may be up to 30 years. The loans are secured by a maximum of 50% of the non-forfeitable balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates on participant loans outstanding at December 31, 2021 ranged from 4.25% to 6.50%. Principal and interest is paid ratably through weekly and bi-weekly payroll deductions.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The normal retirement age is 65 years. A participant may also receive a distribution if they experience undue financial hardship as further defined in the Plan documents and in accordance with the IRC.

Forfeited Accounts: Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. Forfeitures of non-vested discretionary employer contributions are used by the Company to offset future contributions to the Plan or Plan administrative expenses. There were no forfeitures during the year ended December 31, 2021.

Hardship Distributions: Participants may request a hardship distribution based on financial hardship, as defined in the Plan documents. There were eight hardship distributions totaling approximately \$42,000 during the year ended December 31, 2021.

Administrative Expenses: In accordance with the Plan documents, certain administrative expenses, primarily related to services provided by third parties, are paid by the Plan Sponsor on behalf of the Plan. Administrative Plan related expenses, such as professional fees, amounting to approximately \$25,000 were paid by the Plan Sponsor for the year ended December 31, 2021.

F&E AIRCRAFT MAINTENANCE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of additions and deductions. Actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee of the Plan (Note C). See Note D for discussion of fair value measurements.

The Plan invests indirectly in the Invesco Stable Value Fund, a fully benefit-responsive investment contract ("FBRIC"), through its participation in the Invesco Stable Value – ADPZ, a common collective trust. The Invesco Stable Value Fund is a collective trust consisting primarily of investment contracts such as traditional guaranteed investment contracts (GICs), separate account insurance contracts and wrapper contracts (also known as synthetic GICs). Accordingly, the Plan's investment in the common collective trust is stated at net asset value ("NAV"), as defined in Accounting Standards Codification ("ASC") 820 (see Note D).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

F&E AIRCRAFT MAINTENANCE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees for the administration of loans are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to participant contributions on the statement of changes in net assets available for benefits. Excess contributions payable totaled approximately \$45,000 and \$79,000 as of December 31, 2021 and 2020, respectively. Total excess contributions payable as of December 31, 2021 and 2020 include an unpaid accrual of \$44,997 from prior years (as of December 31, 2017).

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor as noted in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other administrative transaction fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties: The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events: The Plan's management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 14, 2022, the date the financial statements were available to be issued.

NOTE C--CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company ("Reliance"), the trustee of the Plan.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy in accordance with GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

F&E AIRCRAFT MAINTENANCE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission (the "SEC"). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Stated at fair value as determined by the issuer of the common collective trust based on the fair market value of the underlying investments, which is valued at the NAV of units of the common collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Because of inherent uncertainties of valuation and under certain market conditions, the preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of December 31, 2021			
	Quoted Prices In Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total
Mutual funds, at fair value	<u>\$ 7,578,074</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 7,578,074
Common collective trust, measured at NAV (*)				<u>54,262</u>
Total assets at fair value				<u>\$ 7,632,336</u>

NOTE D--FAIR VALUE MEASUREMENTS--Continued

	Assets at Fair Value as of December 31, 2020			
	Quoted Prices In Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total
Mutual funds, at fair value	<u>\$ 6,322,251</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 6,322,251
Common collective trust fund, measured at NAV (*)				<u>31,349</u>
Total assets at fair value				<u>\$ 6,353,600</u>

(*) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy (Note E). The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE E--FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following tables summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively:

F&E AIRCRAFT MAINTENANCE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE G--PARTY-IN-INTEREST TRANSACTIONS

The Plan's common collective trust is managed by ADP, Inc. ("ADP"). ADP is the recordkeeper of the Plan as defined by the Plan documents for the year ended December 31, 2021, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for trustee and fund management fees are paid indirectly by the Plan and are included in net appreciation in fair value of investments.

NOTE H--TAX STATUS

On March 1, 2018, the Plan adopted the amended and restated prototype non-standardized 401(k) profit sharing prototype plan (the "Amended and Restated Plan") from ADP. The Amended and Restated Plan received a favorable IRS opinion letter, dated July 16, 2014, which stated that the prototype plan document and related trust, adopted by the Plan, are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator and the Plan's tax counsel has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits and reviews by various regulatory agencies. In July 2020, the Plan Sponsor was notified by the U.S. Department of Labor (the "DOL") that the Plan's 2018 Form 5500 Annual Report ("Form 5500") was rejected and deemed incomplete because the 2018 audited financial statements submitted in support of the Form 5500 were not in compliance with ERISA requirements. The Plan Sponsor subsequently engaged a new accounting firm to re-audit the Plan and issue audited financial statements that comply with ERISA. In September 2020, the Plan Sponsor resubmitted to the DOL re-audited 2018 financial statements that comply with ERISA. In November 2020, the DOL accepted the Plan's re-audited financial statements as complete and in resolution of this matter. The Plan administrator and the Plan's legal counsel believe the Plan is no longer subject to income tax examination for years prior to 2018.

NOTE I--CONCENTRATIONS

As of December 31, 2021 and 2020, two of the Plan's investment options held represented approximately 33% and 45% of the Plan's total investments, respectively.
