INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor/Plan Administrator
Navitas USA Holdings LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Navitas USA Holdings LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Navitas USA Holdings LLC Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Navitas USA Holdings LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Navitas USA Holdings LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Navitas USA Holdings LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions for the year ended December 31, 2021 and the Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Navitas USA Holdings LLC Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NAVITAS USA HOLDINGS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Navitas USA Holdings LLC Retirement Savings Plan (the “Plan”) provides general information only. Participants should refer to the Plan agreement and any amendments thereto for a more complete description of the Plan’s provisions.

GENERAL INFORMATION

On May 1, 2010, the Plan, was adopted by Navitas USA Holdings LLC (the “Sponsoring Employer”) and became effective covering eligible employees until December 31, 2018. On January 1, 2019, the Sponsoring Employer amended and restated the Plan. Effective January 1, 2019, SAE Institute Group, Inc., SAE Institute of Technology Miami, SAE Institute of Technology New York, SAE Institute of Technology Atlanta, SAE Institute of Technology of Chicago, SAE Institute of Technology of Nashville, SAE Institute of Technology San Francisco, SAE Institute of Technology San Jose, SAE Institute of Technology Los Angeles, and SAE Expression College adopted the Navitas USA Holdings, LLC Retirement Saving Plan as established and agreed to be Adopting Employers under the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Sponsoring Employer oversees governance of the Plan and determines the appropriateness of the Plan’s investments offerings and monitors investment performance.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) was enacted into law. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants including:

- Distributions up to the lesser of vested account balance or \$100,000
- Increased loan limits up to the lesser of 100% the vested account balance or \$100,000
- Loan repayment extension allowing payments to be deferred up to one year
- Waivers of Required Minimum Distributions that would otherwise have been payable during 2020

The provisions of the CARES Act were effective and operationalized immediately, prior to amending the plan document. Plan management has adopted certain relief provisions included in the CARES Act. The Plan formally amended the Plan to incorporate the CARES Act effective January 1, 2022.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

ELIGIBILITY

Effective January 1, 2019, an employee is eligible to participant in the Plan upon reaching age 21 and being credited with 1,000 hours of service work.

CONTRIBUTIONS

Eligible participants may elect to contribute up to 100% of their eligible pretax annual compensation up to the maximum amount allowed under the provisions of the Internal Revenue Code (“IRC”). Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts, if the contributions satisfy federal and state regulations for qualified rollovers. Participants direct the investment of their contributions to various investment options offered by the Plan.

The Company may make discretionary profit sharing contributions and additional safe harbor contributions to the Plan. The total of these contributions are subject to certain statutory limitations. Effective April 30, 2020, the Plan will no longer provide for Safe Harbor Contributions.

PARTICIPANT ACCOUNTS

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution and the Company’s safe harbor contribution, as well as allocations of (a) the employer’s discretionary profit sharing contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are vested immediately in their salary-deferral, traditional ADP non-elective Safe Harbor matching contributions and rollover contributions, plus actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Except for the Cares Act provisions, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest. The interest rate on loans outstanding at December 31, 2021 and 2020 ranges from 4.25% to 6.25% and 5.25% to 6.50%, respectively, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Such loans must be repaid to the Plan within a five-year period, unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period may be within reasonable time determined at the time the loan is made. Principal and interest is paid ratably through payroll deductions.

PAYMENTS OF BENEFITS

Upon termination of employment due to retirement, disability, or death, a participant may elect to receive a distribution in the form of a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants who have reached age 59-1/2 may elect to withdraw all or a portion of the entire account.

The Plan adopted certain relief provisions included in the CARES Act, including allowing penalty-free distributions up to \$100,000 through December 31, 2020 for qualifying reasons.

HARDSHIP WITHDRAWALS

Participants may apply for a hardship withdrawal as defined by the IRC to meet excessive medical or educational expenses, payments for burial or funeral expenses of a deceased parent, spouse, child or dependent, expenses incurred to purchase a new principal residence or to prevent eviction from a principal residence and expenses for the repair of damage to a principal residence under IRC Section 165. The Plan Administrator must approve the application.

FORFEITURES

At December 31, 2021 and 2020, there were no forfeited, non-vested accounts. Forfeitures may be used to offset Plan administrative expenses. Forfeitures may also be allocated among qualified participants eligible to share in the allocations of employer contributions or forfeitures in the same proportion that each participant's compensation for the Plan year bears to the compensation to all participants for that year. During 2021, no forfeited nonvested accounts were used to reduce Plan administrative expenses and employer contributions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation presented on the statement of changes in net assets available for benefits includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant to be in default, the participant loan balance is reduced and a benefit payment is recorded as a distribution of loan balance to participant.

During the year ended December 31, 2021, \$7,712 of loans in default were deemed distributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

General expenses of administering the Plan are paid by the Plan Sponsor, while record-keeping and transaction based fees associated with optional services offered under the Plan, such as a Plan loan, are paid for by the participants. Expenses paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

SUBSEQUENT EVENTS

In preparing these financial statements, The Plan has evaluated events and transactions for potential recognition or disclosure through October 14, 2022, the date the financial statements were available to be issued. Except as disclosed in Notes 5 and 9, there were no other subsequent events that require recognition or disclosure in these financial statements.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments and notes receivable are disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021, and 2020, and net appreciation in fair value of investments, interest and dividend income for the year ended December 31, 2021, were obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (USA), the custodian of the Plan. This information has not been audited by the Plan's independent auditors.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (“ASC”) Subtopic 820-10, *Fair Value Measurements* are described as follows:

LEVEL 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020. The Plan does not hold any investments for which leveling is required.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts

Valued based on the observable net asset value (“NAV”) of the underlying investment or the net asset value of the underlying pool of securities. The NAV of these accounts is not a public-quoted price in an active market. There are currently no participant redemption restrictions on these investments; the redemption notice period is applicable only to the Plan.

In accordance with Accounting Standards Codification Subtopic 820-10, certain investments measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020:

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The pooled separate accounts' investment strategies are listed below:

Balanced/asset allocation funds seek to achieve current income and growth of capital by investing in a diversified portfolio of fixed-income securities and equity securities with an overall goal of total return with reduced risk over the long-term.

Aggressive growth funds seek long-term growth of capital by primarily investing in stocks of small and mid-cap companies in both domestic and international economies.

Growth funds seek long-term growth by primarily investing in mid-cap and large-cap, both domestic and international stocks.

Growth and income funds seek to preserve a broadly diversified portfolio across all market cycles with relatively low to moderate levels of volatility.

Income funds seek to invest in a diversified portfolio of debt securities, high-yield and emerging markets which provide a higher level of volatility.

Conservative funds seek to provide a steady stream of income and some protection against stock market volatility. Investments from this category are normally fixed income securities primarily in U.S government agency and U.S. treasury securities.

NOTE 5 - TAX STATUS

The Company adopted a volume submitter profit sharing plan through December 31, 2021, which received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, stating that the Company may rely on the opinion letter with respect to the qualification of the Plan under IRC Section 401(a) and also informing the Company that the IRS will not issue a determination letter to the employer who adopts this plan. The Company may separately request a determination from the IRS with respect thereto. The Company has not requested such a determination. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Effective January 1, 2022, the Company adopted a non-standardized pre-approved profit sharing plan, which received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020.

NOTE 5 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's policy is to record interest and penalties as a deduction from net assets available for benefits. For the year ended December 31, 2021, there were no interest and penalties expense recorded and no accrued interest and penalties.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by John Hancock Life Insurance Company (USA). John Hancock Life Insurance Company (USA) is the custodian as defined by the Plan. These transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services amount to \$63,319. The Plan issues notes to participants. Such notes qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsoring Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, all participants automatically become 100% vested in their account balances and all net assets shall be allocated and distributed to the participants based on their respective account balances.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company determined that certain remittances of employee deferrals and/or loan repayments for the Plan years ended December 31, 2021 and 2020 were not made timely in accordance with the Department of Labor's ("DOL") regulations. The Company reported the remittances in question as prohibited transactions. The 2019 and 2020 remittances not made timely were corrected outside the DOL's Voluntary Fiduciary Correction Program ("VFCP") during 2021. Subsequent to December 31, 2021, and prior to the issuance of these financial statements, the Plan is in the process of filing outside the DOL's Voluntary Fiduciary Correction Program ("VFCP") to correct the 2021 errors identified. All remittances that the Company has categorized as late are included in the Schedule of Delinquent Participant Contributions in the supplemental information to the financial statements.
