Plan Administrator
GI Partners of Illinois, LLC 401(k) Plan
Libertyville, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the GI PARTNERS OF ILLINOIS, LLC 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the GI PARTNERS OF ILLINOIS, LLC 401(K) PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the GI PARTNERS OF ILLINOIS, LLC 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the GI PARTNERS OF ILLINOIS, LLC 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the GI PARTNERS OF ILLINOIS, LLC 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the accompanying table of contents as of December 31, 2021, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the GI PARTNERS OF ILLINOIS, LLC 401(K) PLAN. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the GI Partners of Illinois, LLC 401(k) Plan (“Plan”) provides only general information.

Effective January 1, 2017, GI Partners of Illinois, LLC (“Company”) established the Plan, by merging seven separate employee benefit plans into the Plan, for the exclusive benefit of all eligible employees and their beneficiaries with the intention to provide a measure of retirement security for its employees. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. As a result of the merge, assets of \$22,045,724 were transferred to the Plan.

Effective December 3, 2018, one of the participating groups which merged into the Plan was spun off. As a result of the spin-off, assets of \$5,795,934 were transferred out from the Plan. During 2019, the remaining balance of \$57,452 from the spin-off was transferred out from the Plan.

Effective August 14, 2020, the Plan completed a merger with GI Solutions. As a result of the merger, assets of \$716,575 were transferred into the Plan. During 2021, a small portion of remaining assets totaling \$3,502 were transferred into the Plan.

1. General - The Plan is a defined contribution plan designed to operate under the provisions of Section 401(k) of the Internal Revenue Code (“IRC”). The Plan covers substantially all employees except those covered by a collective bargaining agreement or non-resident aliens with no U.S. source income.
2. Eligibility - Each employee is eligible to make pre-tax deferrals to the Plan, receive employer profit sharing contributions, and employer safe harbor contributions after completion of one year of service. Once employees have met this requirement, employees will enter the Plan on January 1st or July 1st, coincident with or next following satisfaction of the eligibility requirements.
3. Contributions - Participants may choose to contribute by payroll deduction any percentage of their compensation, to a maximum of \$19,500 for 2021 and 2020. Participants over the age of 50 may elect to contribute additional funds up to the annual “catch-up” contribution limit of \$6,500 for 2021 and 2020. Participants are allowed to designate a portion of the deferral as Roth elective deferrals. Participants may also rollover amounts representing distributions from other qualified plans.

The Company is required to make a safe harbor contribution for all Plan participants. The safe harbor contribution was 3% of eligible compensation for the Plan years ending December 31, 2021 and 2020. The Company’s safe harbor contribution was \$448,566 for 2021 and \$514,076 for 2020.

The Company may also elect to make a discretionary profit-sharing contribution. The Company’s discretionary profit-sharing contribution was \$866,602 for 2021 and \$921,648 for 2020.

4. Participant Accounts - Each participant’s account is credited with the participant’s contribution and allocation of the Company’s contributions and plan earnings. Participants direct the investment of their contributions and the Company’s contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

5. Vesting - Participants are 100% vested in their voluntary contributions, rollover contributions, the Company's safe harbor contributions. Vesting in the Company's profit sharing contributions portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.
6. Payment of Benefits - On termination of service, a participant will receive their vested benefits in a lump-sum distribution. Participants may receive distributions of their elective deferral contributions plus actual earnings thereon under certain financial hardship circumstances.
7. Forfeited balances of terminated participants' non-vested accounts are used to reduce the employer's contributions in a nondiscriminatory manner at the discretion of the Plan Administrator, or administrative expense. Forfeitures totaled \$34,255 in 2021 and \$14,019 in 2020. Forfeitures utilized to reduce employer contributions were \$-0- in 2021 and 2020. Forfeitures utilized to pay the administrative expense were \$57,047 in 2021 and \$-0- in 2020. Forfeitures available for future use are \$20,526 as of December 31, 2021 and \$38,850 as of December 31, 2020.

CORONAVIRUS-RELATED RELIEF FOR RETIREMENT PLANS

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020. The CARES Act distribution provision allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, the Plan allowed the temporary loan repayment deferral provision of the CARES Act. The deferral provision allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared under the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are held by Empower Retirement, formally known as Massachusetts Mutual Life Insurance Company ("MassMutual"). All funds are valued at quoted market values as of December 31, 2021 and 2020, except for the guaranteed investment contract.

The Plan also provides a self-directed brokerage account investment alternative called Schwab Personal Choice Retirement Account ("PCRA"), which offers participants additional investment choices beyond the core investment options provided by the Plan. Participants are responsible for paying trading fees and commissions in their PCRAs. Participants may choose to invest all or part of their plan balance in a PCRA.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**INVESTMENT VALUATION AND INCOME RECOGNITION (Continued)**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. See Note 4 for discussion of investments valued at contract value.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Dividend and interest income are recognized when received. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Expenses of the Plan, to the extent that the Company does not pay such expenses, may be paid out of the assets of the Plan.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Investments held in a PCRA are valued using quoted market prices at year end, when available. When quoted prices do not exist, investments are valued using quoted prices for similar securities and valuations provided by alternative pricing sources supported by observable inputs.

Level 3 Fair Value Measurements

Level 3 Fair Value Measurements are not applicable to the Plan for 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)Assets at Fair Value as of December 31, 2020

Total.....	\$ 27,155,289	\$ 5,835,371	\$ —	\$ 32,990,660

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

NOTE 4—GUARANTEED INVESTMENT CONTRACT

The Plan participates in a benefit-responsive investment contract with Empower Retirement. Empower Retirement maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Interest rates are reviewed on a semi-annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Average yield earned both by the Plan and interest credited to participants is 1.50% for 2021 and 2.00% through September 2020 and then 1.50% until December 2020.

NOTES TO FINANCIAL STATEMENTS

NOTE 5—PARTICIPANT NOTES RECEIVABLE

Participants may borrow up to 50% of their vested equity balance, with a minimum loan amount of \$1,000 and a maximum of \$50,000. Repayments of principal and interest are made in equal installments over the specified loan period through regular payroll deductions. Loan terms range from 1-5 years except loans for the purchase of a primary residence, which may be up to thirty years. Loans are secured by the balance in the participant's account. The interest rate charged is 1% over the existing prime rate at the time the loan is issued and is fixed over the life of the loan.

NOTE 6—INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Reliance Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

- a. Investments, as shown in the accompanying statements of assets available for benefits as of December 31, 2021 and 2020.
- b. Investment income, as shown in the accompanying statements of changes in assets available for benefits for the years ended December 31, 2021 and 2020.
- c. The schedule of assets (held at end of year) as of December 31, 2021, as shown on Schedule H - Line 4(i).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8—TAX STATUS

The Plan is a Volume Submitter Defined Contribution Plan ("Volume Submitter Plan") designed by Hessel & Associates, LLC. The Volume Submitter Plan was adopted by the Company on August 14, 2020. The Volume Submitter Plan obtained its latest opinion letter on December 15, 2016, in which the Internal Revenue Service ("IRS") stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Company has not applied for its own determination letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

The Plan presently meets the requirements of Section 401(a) of the Internal Revenue Code and, accordingly, its income is exempt from federal income taxes under Section 501(a). A similar status exists for Illinois income taxes.

NOTES TO FINANCIAL STATEMENTS

NOTE 8—TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

The Plan's investments are managed by Empower Retirement and as a result, Empower Retirement is considered a party-in-interest. The Plan paid certain asset based and transaction fees in the amount of \$75,296 for 2021 and \$17,157 for 2020.

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan and, therefore, is considered a party-in-interest.

The Plan's third party administrator is Hessel & Associates, LLC which is considered a party-in-interest. Fees are paid by the Company.

NOTE 10—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 11—PROHIBITED TRANSACTIONS

During 2021, the Company failed to transmit participant contributions within the timeframe required by DOL Regulation 2510.3-102 totaling \$47,631. The Company remitted \$47,631 to the Plan in 2021. The Company will remit participants' lost earnings to the Plan in 2022.

During 2020, the Company failed to transmit participant contributions within the timeframe required by DOL Regulation 2510.3-102 totaling \$942. The Company remitted \$942 to the Plan in 2021. The Company will remit participants' lost earnings to the Plan in 2021.

During 2019, the Company failed to transmit participant contributions within the timeframe required by DOL Regulation 2510.3-102 totaling \$42,378 for 2019. The Company remitted \$21,004 to the Plan during 2019. The Company remitted the remaining amount of \$20,891 to the Plan in 2020 and will remit the remaining amount of \$483 to the Plan in 2021. The Company will remit participants' lost earnings to the Plan in 2021.

The Company discovered that it also failed to transmit additional participant contributions within the time frame required by DOL Regulation 2510.3-102 totaling \$8,023 for 2017 and \$16,510 for 2018. For the 2017 failed amount, the Company remitted \$8,023 to the Plan during 2019. For the 2018 failed amount, the Company remitted \$1,474 to the Plan during 2019 and remitted \$75 to the Plan during 2020 and will remit the remaining amount of \$14,960 to the Plan in 2021. The Company will remit participants' lost earnings to the Plan in 2021.

NOTE 12—SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2022, the date which the financial statements were available for issue. Three subscriber groups left the Plan in 2021. The assets for two of these groups will remain in the Plan and are eligible for distributions. The assets of the third subscriber will be spun off into a new plan during 2021.

Except as disclosed above, there were no subsequent other events which require disclosure.
