INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
403(b) Thrift Plan of Opportunity Village
Las Vegas, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the 403(b) Thrift Plan of Opportunity Village (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 403(b) Thrift Plan of Opportunity Village's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of Opportunity Village and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Opportunity Village's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of Opportunity Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Opportunity Village's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Schedule of Assets (Acquired and Disposed of Within Year) during the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
403(b) Thrift Plan of Opportunity Village
Las Vegas, Nevada

We were engaged to audit the accompanying statement of net assets available for the benefits of the 403(b) Thrift Plan of Opportunity Village (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Plan management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Variable Annuity Life Insurance Company and Mutual of America Life Insurance Company, except for comparing the information with the related information included in the financial statement. We have been informed by the plan administrator that Variable Annuity Life Insurance Company and Mutual of America Life Insurance Company hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certification from Variable Annuity Life Insurance Company and Mutual of America Life Insurance Company as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the investment information certified by the Variable Annuity Life Insurance Company and Mutual of America Life Insurance Company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

403(B) THRIFT PLAN OF OPPORTUNITY VILLAGE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of Opportunity Village (the “Plan”) is provided for general information purposes only. Plan participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Opportunity Village (the “Employer”) who are not leased employees. The Plan was established October 1, 2004 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Investment Options

Each participant may direct their contributions into any one or combination of available investment options. Participants may elect to allocate their elective deferrals between pre-tax contributions or after-tax designated Roth contributions. Participants may change their investment options at will.

Eligibility

There are no age or service requirements to participate in the Plan.

Contributions

The Plan provides for voluntary contributions by its participants and matching contributions by the Employer. Participants may elect to defer up to 100% of their annual compensation, as defined by the Plan, up to an annual dollar limitation in accordance with the Internal Revenue Code (\$19,500 for 2021). In addition, the Plan allows participants, attaining the age of 50, to make catch-up contributions not to exceed an annual dollar limitation in accordance with the Internal Revenue Code (\$6,500 for 2021). Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan’s provisions.

The Employer matches 50% of the participant’s contributions, not to exceed a maximum of \$2,000 for each participant. In addition, the Employer contributes non-matching contributions equal to the dollar amount left over from the benefits provided by a Government Service Contract for each applicable participant after paying for medical benefits on a monthly basis. The Employer non-matching contribution is made whether or not the employee is making contributions to the Plan and amounted to \$137,916 for the year ended December 31, 2021.

403(B) THRIFT PLAN OF OPPORTUNITY VILLAGE
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions and Plan earnings based on participants' directed account balances.

Vesting

Participants are immediately vested in their contributions, Employer contributions, and actual earnings thereon.

Payment of Benefits

On termination of service due to retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or in monthly installments of \$100 or more. On termination due to death, disability, or other reasons, a participant or the participant's designated beneficiary will receive a lump-sum distribution equal to the value of the participant's vested interest in the Plan.

Notes Receivable from Participants

Under the Plan, a loan made to a Plan participant shall be in an amount that is not less than \$1,000 and not more than 50% of the vested interest in the participant's account up to \$50,000. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Designated Roth contributions are not available for loan purposes. Loans are generally collateralized by the participant's account, and repayment of a loan is not to exceed a period of five years, with the exception of loans used for the purchase of a principal residence which can be repaid up to 10 years. The interest rates on loans are commensurate with current interest rates charged for loans made under similar circumstances. The Plan had \$11,961 and \$14,932 of outstanding notes receivable from participants at December 31, 2021 and 2020, respectively.

Group Annuity Loans

Participants may borrow funds from Mutual of America Life Insurance Company using a portion of their Plan account as security for the loan. These loans are not funded with Plan assets and do not reduce the balance of the participants' accounts unless the loan is in default at the time when the benefits are distributable. Group annuity loans are subject to the same restrictions as noted above. The interest rate on group annuity loans at December 31, 2021 was 4.0%. At December 31, 2021 and 2020, participants had outstanding group annuity loan balances of \$12,640 and \$20,022, respectively.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Expenses

Certain expenses of the Plan are paid by the Employer and are therefore excluded from these financial statements. Fees for the administration of notes receivable from participants and maintenance of participant accounts are included in administrative expenses and charged directly to the participant accounts.

Termination of the Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to amend or terminate the Plan subject to the provisions of ERISA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments.

403(B) THRIFT PLAN OF OPPORTUNITY VILLAGE
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2021 AND 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3. FIXED ANNUITY CONTRACTS WITH INSURANCE COMPANIES

The Plan has fixed annuity contracts with Variable Annuity Life Insurance Company and Mutual of America Life Insurance Company. These accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses as allowed by the Plan. Contributions to the fixed annuity contracts are maintained in the general account of the insurance companies. The contract issuers are contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. These contracts are reported at fair value. Plan management has determined that contract value approximates fair value. Contract value represents contributions made under the agreement, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against the fund's value for credit risk of the contract issuer or otherwise.

NOTE 4. PARTY-IN-INTEREST

Mutual of America Life Insurance Company and the Variable Annuity Life Insurance Company, the Plan custodians, manage certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the supplemental Schedule of Assets (Held at End of Year).

NOTE 5. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

403(B) THRIFT PLAN OF OPPORTUNITY VILLAGE
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2021 AND 2020

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Fixed annuity contracts: Valued using a discounted cash flow valuation methodology. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire portfolio compared to the minimum crediting rate, as stated in the contract, and prevailing market conditions.

Variable annuity contracts: These investments are held in separate accounts of insurance companies and consist of investments in mutual funds registered with the Securities and Exchange Commission and are valued at the net asset value at which the mutual fund shares are actively traded.

Custodial accounts: These accounts consist of mutual funds which are valued at the net asset value of shares held by the Plan at year end.

403(B) THRIFT PLAN OF OPPORTUNITY VILLAGE
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2021 AND 2020

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Fixed annuity contracts with insurance companies	\$ 2,586,219	\$ -	\$ 2,586,219	\$ -

NOTE 6. RISKS AND UNCERTAINTIES

Each investment fund is diversified through a portfolio containing a wide variety of investments that fit the particular investment strategy and targeted composition. Further diversification is available to participants through participation in more than one fund. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. In addition, forced liquidation due to the complete or partial termination of the Plan, although not expected at this time, may affect the estimated value of the fixed annuity contracts.

NOTE 7. INFORMATION CERTIFIED BY PLAN'S CUSTODIANS (UNAUDITED)

The Plan's investments are held and administered by the following service providers: Mutual of America Life Insurance Company ("Mutual of America"), The Variable Annuity Life Insurance Company ("VALIC"), and Oppenheimer Funds. VALIC and Mutual of America have supplied the Plan administrator with a certification as of December 31, 2021 and 2020, that the fair value and information included in the supplemental schedules for the following Plan assets are complete and accurate.

	<u>2021</u>	<u>2020</u>
Certified amounts:		
Fixed annuity contract with insurance companies	\$ 2,586,219	\$ 2,594,371
Variable annuity contracts with insurance companies	8,560,276	7,145,015
Notes receivable from participants	11,123 *	12,740 *
* \$838 of the 12/31/2021 balance and \$2,192 of the 12/31/2020 balance are loans administered by Oppenheimer Funds and are not certified.		

Mutual of America and VALIC also certified to the completeness and accuracy of \$1,295,851 of net appreciation in fair value of investments and \$55,014 of interest and dividend income related to the aforementioned investments for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2021 AND 2020

NOTE 8. TAX STATUS OF THE PLAN

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exemption. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 9. CARES AND SECURE ACTS

During the year ended December 31, 2020, the Plan implemented certain directives, where applicable, of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2020 (the "SECURE Act"), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts were implemented during the year ended December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.
