INDEPENDENT AUDITOR'S REPORT

October 17, 2022

Plan Administrator
Fastco Industries, Inc. 401(k) Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Fastco Industries, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2021, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with U.S. generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 Financial Statements of Fastco Industries, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by qualified institutions. Their report dated October 15, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - PLAN DESCRIPTION

The following description of the Fastco Industries, Inc. 401(k) Plan, (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the plan document.

General. The Plan is a defined contribution plan established by Fastco Industries, Inc., (The “Company”) under the provision of Section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. All employees of the Company who have completed two months of service, as defined, are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Plan Administration. The Plan is administered by the Benefits Committee which is appointed by the board of directors of the Company. The Plan’s custodians, Massachusetts Mutual Life Insurance Company (through December 31, 2020), Great-West Life & Annuity Insurance Company (Great-West), and Reliance Trust Company are responsible for the custody and management of the Plan’s assets.

Coronavirus Aid, Relief and Economic Security (CARES) Act. On March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus, COVID-19, to be a pandemic. In response to this declaration, the United States federal government passed the CARES Act on March 27, 2020. The CARES Act allows eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic. These distributions are permitted to be repaid. The CARES Act also permits a temporary increase on plan loan amounts from \$50,000 to \$100,000 and suspension of loan payments for up to one year. The Plan adopted these changes during 2020. Formal written amendments to the Plan to reflect these changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions. Eligible employees can contribute up to the maximum percentage of compensation and dollar amount permissible under Section 402(g) of the IRC not to exceed the limits of Code Sections 401(k), 404 and 415. Beginning in February, 2021, the Company matched 100 percent of employee deferrals up to 1 percent of compensation. The Company may also provide a discretionary non-elective contribution to be determined annually. The participant contributions and the Company contributions may be allocated to various pooled separate accounts, common/collective trust funds and guaranteed investment contracts as the participant directs.

Vesting. Participants are immediately vested in their elective contributions and employer matching contributions plus any investment earnings or loss thereon. Participants begin vesting in employer non elective contributions at 20 percent after one year of service. The vesting increases 20 percent per year for each year of service after the first year and participants are fully vested after five years.

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Payment of Benefits. On retirement, death, disability or termination of service, a participant (or the participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's account balance. In addition, participants may generally elect to receive their benefit as a qualified joint and survivor annuity, a partial lump sum payment and installment distributions over a specified period not to exceed the life or life expectancy of the participant. A participant may also receive in-service distributions from their account balance if they reach the age of 59 ½. Hardship distributions are permitted if certain criteria are met.

Participant Accounts. Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances.

Participant Loans. A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest based on the average rate charged by at least two local commercial lenders. Loans are repaid by means of payroll deduction. A fee related to administering a loan under the Plan may be deducted from the participant's account.

Forfeited accounts. Forfeited nonvested accounts are used to reduce employer contributions or to pay administrative expenses related to the plan. For 2021, \$412 of forfeitures were used to offset employer matching contributions. There was \$1,121 of unallocated forfeitures as of December 31, 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian and insurance company. The contract value of the guaranteed investment contract is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. See Note 6 for more information. Participant notes receivable are valued at cost which approximates fair value.

Net Appreciation (Depreciation) in Fair Value of Investments

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Risks and Uncertainties

The Plan invests in various investment securities. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the changes in the values of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Administrative Expenses

The Company paid administrative expenses of \$8,200 related to the Plan during 2021.

Events Occurring After Reporting Date

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through the date of the accompanying Independent Auditor's Report, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN AND INSURANCE COMPANY

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly for the plan year ended December 31, 2020, Massachusetts Mutual Life Insurance Company (Insurance Company) certified that the investment assets, transactions, income and supplemental schedule is complete and accurate. Accordingly, for the plan year ended December 31, 2021, Great-West Life & Annuity Insurance Company (Insurance Company & Custodian) and Reliance Trust Company (Custodian) have certified that the investments assets, transactions, income and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 – INVESTMENTS

The Plan has entered into a group annuity contract with Massachusetts Mutual Life Insurance Company (through December 2020) and Great-West Life & Annuity Insurance Company (December 2021). Great-West Life & Annuity Insurance Company maintains the contributions in Pooled Separate Accounts, Common Collective Trust Funds and Guaranteed Income Funds.

There were no investments which were both acquired and disposed of within the respective plan year that are required to be disclosed.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into an investment contract with Great-West Life & Annuity Insurance Company (Great West). Great West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Great West. The contract is included in the financial statements at contract value, (which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses) because it is fully benefit responsive. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates was 3.02% for 2021 and 3.59% for 2020. The crediting interest rate is based on an agreed-upon formula with the issuer but cannot be less than zero.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents; (2) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (3) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial statements for which all significant inputs are observable, either directly or indirectly.
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following tables presented by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31:

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Other (1)</u>	<u>Total</u>
Pooled separate accounts	\$ 0	\$ 0	\$ 0	\$5,781,030	\$5,781,030
Common/collective trust funds	0	0	0	745,933	745,933
Money market	1,121	0	0	0	1,121
	<u>\$ 1,121</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$6,526,963</u>	<u>\$6,528,084</u>

<u>2020</u>					
Pooled separate accounts	\$ 0	\$ 0	\$ 0	\$5,258,140	\$5,258,140
Common/collective trust funds	0	0	0	745,933	745,933
	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$6,004,073</u>	<u>\$6,004,073</u>

- (1) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year end as provided by Great-West and are not assigned a level in the fair value hierarchy. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the account net of investment management fees. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

Common/collective trust funds: Valued at the net asset value (NAV) of units held by the Plan at year end as provided by Great-West and Wilmington Trust and are not assigned a level in the fair value hierarchy. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the account net of investment management fees. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments.

<u>Investments</u>	<u>Fair Value</u>		<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
	<u>2021</u>	<u>2020</u>			
Pooled Separate Accounts	\$ 5,781,030	\$ 5,258,140	N/A	Daily	Daily
Common/collective investment funds	745,933	736,213	N/A	Daily	30
	<u>\$ 6,526,963</u>	<u>\$ 5,994,353</u>			

NOTE 7 – PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts, common/collective trust funds, and an unallocated contract managed by Great-West and Reliance Trust Company held under an annuity contract. Great-West and Reliance Trust Company are the recordkeeper and custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. The Plan fiduciary has a participation agreement with Wilmington Trust, as trustee of the Wilmington Collective Trust. Under the agreement the Plan fiduciary has selected certain funds to be available to Plan participants and Plan investment options through the group annuity contract with Great-West. Administrative fees of \$30,926, \$6,079, and \$19,493 were paid to the investment advisors, third party administrator and recordkeeper, respectively.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - INCOME TAX STATUS

The Company adopted a Prototype Standardized Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020 which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Company believes that the Plan currently is designed and is being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 10 - PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will receive the balance in their participant's account.

NOTE 11 – UNCERTAINTIES

As a result of current global events, economic uncertainties have arisen which have resulted in significant volatility of financial markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
