INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Delta College ETAL 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Delta College ETAL 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of the
Delta College ETAL 401(K) Plan
October 17, 2022
Page 2

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Delta College ETAL 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, the plan sponsor approved the merger of the Plan into the ESS Retirement Savings Plan, effective December 31, 2021. As a result, all investments were transferred from the Plan on that date. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Delta College ETAL 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

To the Plan Administrator of the
Delta College ETAL 401(K) Plan
October 17, 2022
Page 3

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Delta College ETAL 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

To the Plan Administrator of the
Delta College ETAL 401(K) Plan
October 17, 2022
Page 4

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Delta College ETAL 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Delinquent Participant Contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Delta College ETAL 401(K) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 7, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DELTA COLLEGE ETAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN

The following description of Delta College ETAL 401(K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Delta College, Inc.; Medical Training College; Delta College of Art and Technology; and Pensacola School of Massage Therapy & Health Careers, Inc. (collectively, the Company). Under the provisions of the Plan, employees who have completed one (1) year of service (1,000 hours) and have attained 18 years of age are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees electing to participate in this Plan may contribute up to 80% of their compensation, not to exceed the maximum allowable amount under the Internal Revenue Code. Contributions are invested according to the participant's fund election. The Plan provides for matching contributions by the Company in an amount equal to 25% of elective deferrals which does not exceed 4% of the participant's compensation. The Company may also make other discretionary contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, and an allocated portion of the Plan's earnings and charged with an allocation of administrative expenses. Allocations are based upon participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a maximum of 50% of the account balance, not to exceed \$50,000. The loans are collateralized by the balance in the participant's account and bear interest at rates ranging from 4.25% to 5.75%, which are commensurate with current prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Participants who fail to make payments when they are due under the terms of the loan are considered to be in default.

As of December 31, 2021 and 2020, no loans were considered to be in default.

DELTA COLLEGE ETAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AS OF DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions and qualified employer contributions plus actual earnings on these contributions. Vesting in the Company's matching and discretionary contributions is based on the following vesting schedule:

<u>Full Years of Service</u>	<u>Percentage Vested</u>
0 - 1	0%
1	25%
2	50%
3	75%
4	100%

Payment of Benefits

Upon termination of service, participants are entitled to receive a lump sum payment equal to the value of their vested account balance.

Forfeited Accounts

If a participant terminates his employment with the Company before becoming entitled to his full benefits under the Plan, the non-vested portion of his account is forfeited and may be used first to pay administrative expenses incurred by the Plan and then to be used to reduce employer contributions to the Plan. In 2021 and 2020, forfeited amounts were only used to reduce plan expenses.

Plan Merger

The plan sponsor previously executed a participation agreement whereby all participants of the Plan would become participants in the ESS Retirement Savings Plan. As a result, all investments and receivables were transferred from the Plan into the ESS Retirement Savings Plan on December 31, 2021.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with the accrual basis of accounting, and investments are valued at current fair value as quoted by the trustee of the Plan. All assets of the Plan are participant directed.

DELTA COLLEGE ETAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AS OF DECEMBER 31, 2021 AND 2020

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds, common stock, and the money market account are valued at quoted market prices which represent the net asset values of shares held by the Plan at year-end. Net appreciation or depreciation in the fair value of investments is calculated based on the changes in market values from the beginning of the period to the end of the period. See Note 3 for a discussion of fair value measurements. As discussed in Note 1, all assets were transferred to the ESS Retirement Savings Plan on December 31, 2021.

Purchases and sales of securities are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Net investment gain of investments includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

Fees for certain transactions, such as withdrawals and loan processing, are charged directly to the account of the participant reporting such a transaction and are included in administrative expenses. Investment related expenses are included in net investment gain from investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

(3) FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in the active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of the fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021, and 2020:

2021				
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual funds	\$ -	\$ -	\$ -	\$ -
Investments at fair value	\$ -	\$ -	\$ -	\$ -
2020				
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual funds	\$ 2,144,708	\$ -	\$ -	\$ 2,144,708
Investments at fair value	\$ 2,144,708	\$ -	\$ -	\$ 2,144,708

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

(4) PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(5) RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds with registered investment companies. The funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with mutual funds, it is at least reasonably possible that changes in the values of the funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(6) TAX STATUS

The Company has adopted a prototype plan which received a favorable determination from the Internal Revenue Service on February 13, 2015. The Plan itself has not separately applied for recognition of tax-exempt status. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management has analyzed the Plan's tax positions taken on Federal income tax returns for all open tax years (current and prior three years) and has concluded that as of December 31, 2021 and 2020, no provision for income tax is required in the Plan's financial statements. The Plan's Federal tax return for tax years for which the applicable statutes of limitations have not expired are subject to examination by the Internal Revenue Service.

(7) RELATED PARTY TRANSACTIONS

Certain plan investments are held and managed by American Funds, an affiliate of Capital Bank and Trust Company. Since Capital Bank and Trust Company is the Plan trustee, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net investment gain, as they are paid through revenue sharing, rather than a direct payment. The Company may also directly pay other fees related to the Plan's operations. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
