INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the RMS 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of RMS 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of RMS 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RMS 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RMS 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RMS 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RMS 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator of
the RMS 401(k) Plan and Trust

We were engaged to audit the accompanying statement of net assets available for benefits of RMS 401(k) Plan and Trust, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by MassMutual Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RMS 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Note 1. Description of Plan

The following description of the RMS 401(k) Plan and Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a tax deferred savings plan adopted under section 401(k) of the Internal Revenue Code and a profit-sharing plan for employees of Road Machinery & Supplies Co., Inc. (Company), who have completed one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make salary deferral contributions of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Company may contribute a matching or profit-sharing contribution at its sole discretion. Contributions are subject to certain limitations. Participants may direct the investment of the contributions into various investment options under the Plan. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and non-elective contributions and, (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and Company matching contributions plus actual earnings thereon. Employer profit sharing contributions, if applicable, are vested over a seven-year period.

Payment of Benefits

On termination of service or attaining retirement age, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in their account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to a variety of pooled separate accounts maintained by Massachusetts Mutual Life Insurance Company. The investment options range from low-risk income funds to high-risk international growth funds.

Forfeited Accounts

At December 31, 2021, forfeited nonvested accounts totaled \$11,029. These forfeitures can be used to reduce future employer contributions to the Plan. In 2021, \$11,066 in forfeitures were used to reduce employer contributions.

RMS 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Participant Notes Receivable

Participants may borrow from their fund accounts. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Administration

The employer pays certain administrative expenses, including consulting, audit and administrative fees, on behalf of the Plan.

Note 2. Summary of Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefits

Benefits are recorded when paid.

RMS 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Investment in Guaranteed Interest Account (Insurance Contract)

Investment contracts held by a defined-contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Plan invests in an investment contract through MassMutual Life Insurance Company. Contract value for this investment contract is based on the net asset value of the fund as reported by the investment advisor. The statement of net assets available for benefits presents the contract value of the investment in the contract. The statement of changes in net assets available for benefits is prepared on a contract value basis.

Risks and Uncertainties

The Plan provides for various investment options in various combinations of investment securities. Investment securities are exposed to various risk factors including, but not limited to, interest rates, market conditions and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statement of Assets Available for Plan Benefits in future periods.

Note 3. Information Certified by the Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by MassMutual Life Insurance Company (MassMutual), the custodian of the Plan.

Note 4. Tax Status

The Internal Revenue Service has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 5. Termination of Plan

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

RMS 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Note 6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: The net asset value of a pooled separate account is based on the market value of its underlying investments. The pooled separate account net asset value is not a publicly quoted price in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

RMS 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

** Per US GAAP guidance, investments which use a net asset value per share (NAV) practical expedient for fair value measurement, as defined in ASC 820, should be removed from the leveling table and shown as a reconciling item.

	2021 Fair Value	2020 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts (a)	\$ 35,471,660	\$ 29,985,892	\$ -	Immediate	None

(a) Pooled separate accounts seek to either replicate the movements of an index of a specific financial market or to maximize returns on investment allocation models as specified in the prospectus of the individual pooled separate accounts.

Note 7. Investment Contract with Insurance Company

The Plan has entered into an investment contract with Massachusetts Mutual Life Insurance Company. Massachusetts Mutual Life Insurance Company maintains certain of the Plan's assets as follows:

Guaranteed Interest Accounts - these accounts provide a guaranteed interest rate for a specified period of time as determined by the Plan custodian, or allowed, by the Plan. The rate credited is the rate in effect on the day when each deposit is directed to the account. All rates credited during the 12-month "deposit year" are averaged into a single composite rate. The guaranteed interest accounts are supported by Massachusetts Mutual Life Insurance Company's general account. The fair value of the accounts is the amount that would be paid any time funds are withdrawn or transferred within the Plan prior to their maturity (for an event other than death, disability, termination, or retirement) and reflects a surrender charge, if applicable, according to the terms of the Plan's contract. Average yield earned on the account for 2021 was 3.00%.

Pooled Separate Accounts - these accounts hold assets allocated to each separate account. The value of each separate account is determined at the close of each business day based on fair value.

RMS 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

These accounts are separate accounts (not part of Massachusetts Mutual Life Insurance Company's general account (i.e. segregated)); Income, gains, or losses from the assets in each account are credited to or charged against that account without regard to other income, gains or losses of Massachusetts Mutual Life Insurance Company or any other separate account.

Note 8. Related Party Transactions

Massachusetts Mutual Life Insurance Company, the Custodian, manages the pooled separate accounts. Transactions related to these funds thereby qualify as party-in-interest transactions; however, the Department of Labor has issued prohibited transaction exemptions indicating that these types of transactions are to be considered exempt party-in-interest transactions.

Note 9. Subsequent Events

Management evaluates events occurring subsequent to the date of the balance sheet in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through **October 13, 2022**, which is the date the financial statements were available to be issued.

Note 10. Transfers to the Plan

Effective January 1, 2021, the Plan merged with the Tritec of Minnesota Incorporated 401(k) Plan and assets totaling \$1,184,005 were transferred from the Tritec Plan to the RMS 401(k) Plan and Trust.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
