INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
JenCap LLC 401(k) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of JenCap LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of JenCap LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JenCap LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JenCap LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JenCap LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) and Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of JenCap LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JenCap LLC 401(k) Plan
Notes to Financial Statements
For the Year Ended December 31, 2021

1. Description of Plan

The following description of the JenCap LLC 401(k) Plan (the "Plan") provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan was established to provide employees of Jencap Holdings LLC (the "Company") with a systematic means of savings and investing for the future. There is no age or service requirement in order for employees to be eligible to participate in the plan. Participants are eligible to begin receiving matching contributions immediately upon entry into the plan. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan management determines the appropriateness of the Plan's investment offerings and monitors investment performances.

b. Coronavirus Aid Relief and Economic Security Act

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan agreement. The Plan Administrator has adopted certain relief provisions included in the CARES Act including those related to hardship distributions and participant loan deferment. The Plan agreement has not been formally amended to reflect the relief provisions as of December 31, 2021, but it is management's intention to amend the agreement prior to the deadline established of December 31, 2025.

c. Contributions

Each year, participants may contribute up to 90% of their annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make matching contributions to the Plan equal to a percentage of a participant's elective deferrals, which the Company will determine each year. Matching contributions may be made with respect to participant contributions in an amount and allocation formula as determined by the Company. For the year ended December 31, 2021, the Company matched 50% of elective deferrals up to 6% of annual compensation.

Notes to Financial Statements
For the Year Ended December 31, 2021

1. Description of Plan - Continued

d. Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions and Plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are immediately vested in their contributions and any qualified non-elective contributions that may be made by the Company, plus actual earnings thereon. Vesting in the Company's discretionary contributions that may be made by the Company is based upon years of continuous service. However, if an active participant reaches normal retirement age, dies, or becomes totally and permanently disabled prior to attaining normal retirement age, the participant's account becomes 100% vested. A participant is 33% vested after one year of service, 66% vested after two years of service, and 100% vested in their employer's contribution account thereafter. Certain classes of employees are vested on Company matching contributions and profit-sharing contributions based upon the vesting schedule provided to them on the date of hire.

f. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are determined by the Administrator of the Plan upon reviewing the interest rates charged for similar types of loans by other lenders. For the year ended December 31, 2021, interest rates ranged from 3.25% to 6.50%. Principal and interest are paid ratably through payroll deductions. A participant will be permitted to have only one loan outstanding at any time.

g. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or his/her beneficiary, if applicable, may elect to receive a lump-sum amount equal to the fair value of the participant's vested interest in his or her account or may delay the receipt of benefits until a later date. Accounts with less than \$1,000 may only be distributed to the participant in a lump-sum payment. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan also permits participant withdrawals after attaining 59 1/2 or due to certain financial hardships to be made out of vested account balances.

1. Description of Plan - Continued

h. Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$12,450 and \$13,727, respectively. These accounts may be used to reduce future employer contributions or toward Plan expenses. Also, in 2021, employer contributions were reduced or Plan expenses were paid using \$30,199 from forfeited nonvested accounts.

i. Revenue Credit Program

The Plan Sponsor has an agreement with Fidelity Workplace Services LLC ("recordkeeper"), whereby the recordkeeper provides services to the Plan that, in situations where recordkeeping revenue earned in connection with Plan services exceed agreed upon compensation, Fidelity Workplace Services LLC will deposit in a suspense account of the Plan any excess revenue. This revenue credit can be used to pay qualified plan-level expenses. At December 31, 2021 and 2020, unused revenue credit account balances totaled \$33,401 and \$24,100, respectively. No revenue credits were used to offset Plan expenses in 2021.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, the actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Accounting Policies - Continued

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

e. Excess Contributions Payable

Amounts payable to the Company totaling \$13,545 for contributions in excess of amounts allowed by Plan documents are recorded as excess contributions payable, with a corresponding reduction to 2021 contributions. The Plan distributed the 2021 excess contributions to the participants or Company prior to September 15, 2022. There were excess contributions totaling \$90 for the year ended December 31, 2020 that were paid during the 2021 year.

f. Payments of Benefits

Benefits are recorded when paid.

g. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets;

JenCap LLC 401(k) Plan

4. Fair Value Measurements - Continued

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used at December 31, 2021 and 2020.

Money Market Deposit Accounts and Mutual Funds

The fair value of the funds is based on quoted net asset values of the shares as reported by the funds. The funds held by the Plan are open-end mutual funds and money market funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The funds held by the Plan are considered to be actively traded.

Common Collective Trust ("CCT")

The Plan's investment in the Fidelity Managed Income Portfolio Class 1 is valued at net asset value ("NAV") of units of a stable value comingled pool collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

4. Fair Value Measurements - Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investment Measured at Net Asset Value				<u>554,938</u>
Total Investments				<u>\$ 57,888,997</u>

The Plan's investment in the Fidelity Managed Income Portfolio Class 1 (the "Fund") as of December 31, 2020, was reported at an estimated fair value of \$554,938 using NAV per share. There were no unfunded commitments as of December 31, 2020. The redemption frequency occurs daily and there are no other redemption restrictions or redemption notice periods on the investment. The Fund's investment objective is stability of principal and high current income. The Fund pursues this investment objective by investing primarily in guaranteed investment contracts ("GICs"), including traditional GICs, Synthetic GICs and separate account GICs, money market mutual funds and other stable value products that can be carried at contract value. It is the policy of the Fund to use its best efforts to maintain a stable net asset value of \$1 per unit, although there is no guarantee that the Fund will be able to maintain this value.

5. Party-In-Interest and Related Party Transactions

Certain Plan investments are managed by Fidelity Management Trust Company, the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the Statement of Net Assets Available for Benefits.

JenCap LLC 401(k) Plan
Notes to Financial Statements
For the Year Ended December 31, 2021

5. Party-In-Interest and Related Party Transactions - Continued

As discussed in Note 1.i., the Plan participates in a Revenue Credit Program with the Plan's recordkeeper.

All of these party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

7. Tax Status

The Plan obtained its most recent opinion letter dated June 30, 2020, in which the Internal Revenue Service states that an adopting employer, such as the Company, may rely on the letter with respect to the qualification of its plan, such as the Plan, under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification.

The Plan has been amended since receiving the opinion letter. Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Transfer of Assets to the Plan

Effective January 1, 2021, the Plan Sponsor consented to the adoption of the Plan by Quaker Agency, Inc. 401k Plan and Trust. Effective May 19, 2021, the Plan Sponsor consented to the adoption of the Plan by Landmark E&S Insurance Brokers 401(k) Plan. For the year ended December 31, 2021, Plan assets totaling \$11,622,608 were transferred to the Plan relative to this merger.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits as per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 84,542,544	\$ 58,738,271
Add: excess contributions payable	13,545	90
Less: employer contributions receivable	(172,773)	(102,130)
Less: participant contributions receivable	(132,027)	(78,522)
Less: Miscellaneous	<u>(1)</u>	<u>-</u>
Net assets available for benefits per Schedule H of the Form 5500	<u>\$ 84,251,288</u>	<u>\$ 58,557,709</u>

11. Nondiscrimination Testing

For the year ended December 31, 2020, Plan management determined that the nondiscrimination testing failed to include certain payroll amounts for select employees from eligible compensation for testing purposes and calculation of the employer match as outlined in the Plan Document. As of the report date, the Plan Sponsor contacted the third-party administrator to correct the year-end testing, but had not yet received the corrected nondiscrimination testing. The enclosed financial statements include an employer contribution receivable in the amount of \$1,142 for the employer match on the additional payroll. Additionally, no adjustment has been made to the excess contribution payable for the year ended December 31, 2020, should one arise from the revised testing.

12. Delinquent Participant Contributions

The Plan Sponsor is required to remit participant contributions as soon as they can be reasonably segregated from the employer's general assets. Certain amounts were not withheld from payroll during 2021, totaling \$17,593, nor were the funds remitted timely. The Plan Sponsor is assessing the impact of lost earnings that were applicable

on the missed contribution related to amounts withheld from wages, and the corrective contributions are pending as of the report date. At December 31, 2021, the Plan Sponsor accrued \$19,054, inclusive of estimated earnings and employer match, on the Statements of Net Assets Available for Benefit under the heading "Contributions Receivable - Employer."

13. Subsequent Events

ASC 855-10 defines "Subsequent Events" as further disclosure requirements for events that occur after the statement of financial position date but before financial statements are issued. In accordance with ASC 855-10, the Company management has evaluated events subsequent to December 31, 2021, through October 11, 2022, which is the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan Sponsor consented to the partial adoption of the Plan by Paragon Insurance Holdings, LLC.
