To the Plan Administrator and Participants of the
Appalachian Orthopaedic Associates, P.C. 401(k) Profit Sharing Plan
Kingsport, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Appalachian Orthopaedic Associates, P.C. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Appalachian Orthopaedic Associates, P.C. 401(k) Profit Sharing Plan
Independent Auditors' Report

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Appalachian Orthopaedic Associates, P.C. 401(k) Profit Sharing Plan
Independent Auditors' Report

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Trust Company and First Tennessee Bank National Association, the custodians of the Plan. Their report, dated October 14, 2021, indicated that (a) the amounts and disclosures in the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agreed to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

Appalachian Orthopaedic Associates, P.C. (the Company) established the Appalachian Orthopaedic Associates, P.C. 401(k) Profit Sharing Plan (the Plan) on January 1, 1997. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have reached the age of 21 and completed one year (1,000 hours) of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, and in accordance with applicable sections of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a fixed account, several pooled separate accounts, mutual funds, and common collective trusts as investment options for participants.

The Plan is a safe harbor 401(k) plan. The Company provides a safe harbor nonelective contribution equal to 3% of eligible compensation. In addition, the Company contributes a matching contribution of 100% of the first 3% of deferred compensation and 50% of the next 2%. The Company may, at its discretion, make employer discretionary profit-sharing contributions. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution match and a pro rata share of all income earned by the participant's investments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are vested immediately in their own contributions and any actual earnings thereon. In addition, participants are immediately vested in their safe harbor Company matching contribution portion of their account. Vesting in the Company's discretionary profit-sharing contribution and employer matching portions of their account plus actual earnings thereon is based on years of continuous service. Participants are 100% vested in their accounts after six years of service.

During 2021 and 2020, \$14,195 and \$7,702 of forfeitures were used to reduce the Company's contributions or pay Plan expenses, respectively.

Payment of Benefits

On termination of service due to termination, death, disability, or retirement, a participant may elect to receive a lump-sum amount or a rollover amount equal to the value of the participant's vested interest in his or her account. Participants who have met certain age requirements may receive benefits while still employed. Additionally, hardship distributions are permitted if the participant meets certain hardship criteria.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the guaranteed investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to a benefit-responsive investment contract because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for a discussion of contract value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Plan fees and administrative expenses may be paid by either the Plan or the Company on a discretionary basis. In addition, the plan invests in certain investments that have revenue sharing arrangements in which the third-party administrator is compensated by these shared revenues.

NOTE 3 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets.

Level 2

Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

APPALACHIAN ORTHOPAEDIC ASSOCIATES, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market Fund: Valued at net asset value (NAV) of shares held by the Plan at year-end.

Mutual Funds: Fair value is based on unadjusted quoted prices in active markets. Mutual funds held by the Plan are open-end funds registered with the Securities and Exchange Commission. These funds report their net asset value (NAV) at the close of each business day.

Pooled Separate Accounts (PSAs): Investments in pooled separate accounts are valued using the unadjusted NAV as of the reporting date, which is the basis for current transactions. The NAV is used as a practical expedient to estimate fair value. PSAs are valued based on the underlying investments (i.e., common stock, mutual funds, and short-term securities) in the separate account as reported by Principal Life Insurance Company (Principal Life). While the majority of the underlying assets values are based on quoted prices, NAV of the PSAs are not publicly quoted. The NAV is reported by Principal Life as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

Common Collective Trusts: The net asset value (NAV), as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 46,845	-	-	46,845

Investments Measured at Net Asset Value (a)	-	-	-	12,681,272
Total Investments at Fair Value	\$ 5,812,237	955,164	-	19,448,673

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANIES

The Plan invests in the Principal Fixed Income Guaranteed Option (the Contract), a benefit responsive group annuity contract issued by the Principal Life Insurance Company. The Contract is not a portfolio of contracts whose yields are based on changes in the fair value of underlying assets, but rather a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned, or the interest credited, on the group annuity contract. The underlying assets consist primarily of treasuries, commercial real estate mortgages, mortgage backed securities and short-term cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANIES (CONTINUED)

The interest crediting rate is determined on a semiannual basis and is calculated based upon many factors, including current economies and market conditions, the general interest rate environment, and purchases and redemptions by unit holders. An employer-level surrender of the Plan's interest in the Principal Fixed Income Guarantee Option or employer-initiated transfer will be subject to either a 12-month irrevocable advance notice or a 5% surrender charge, whichever the employer chooses. The average market yield earned by the Contract, which is also the actual interest credited to participants in the Contract for the years ending December 31, 2021 and 2020, was 1.10% and 1.60%, respectively. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Although the existence of certain conditions or transactions outside the normal operations of the Contract could limit the Plan's ability to transact at contract value, management has determined that as of December 31, 2021 and 2020, these conditions or transactions are not considered probable.

NOTE 5 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and First Tennessee Bank National Association, the custodians of the Plan. These transactions qualify as party-in-interest transactions. During years 2021 and 2020, fees paid by the Plan for administrative services were \$59,246 and \$47,797, respectively.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 8 - TAX STATUS (CONTINUED)

Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - CUSTODIANS' CERTIFICATION

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedules that were prepared or derived from information prepared by Principal Trust Company and First Tennessee Bank National Association, the custodians of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from Principal Trust Company and First Tennessee Bank National Association that such information is complete and accurate.

Statements of Net Assets Available for Benefits – all items and amounts, except for receivables.

Statements of Changes in Net Assets Available for Benefits – all items and amounts, except for contributions, benefits paid to participants, administrative expenses, and other income.

Supplemental Schedules – all items and amounts, except for delinquent participant contributions.

NOTE 10 - CORONAVIRUS AID, RELIEF AND ECONOMIC SECURITY ACT OF 2020 (CARES ACT)

As part of the CARES Act, the Plan permitted "qualified individuals" to take coronavirus-related distributions (CRDs) during the 2020 calendar year. CRD provisions generally included the following:

- Eligible individuals were able to take a distribution of part or all of their account balance up to an aggregate maximum of \$100,000.
- The 10% early withdrawal tax penalty for distributions prior to age 59 ½ was waived.
- Eligible individuals who took a CRD in 2020 can (but are not required to) repay all or a portion of the distribution to the plan.
- For individuals who choose to repay their distribution, the amount repaid generally will be treated as a rollover contribution into the Plan and that amount will not be considered taxable income.
