INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
American Automatic Sprinkler Co. Retirement Plan
Fairfax, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of American Automatic Sprinkler Co. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
-
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Automatic Sprinkler Co. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Automatic Sprinkler Co. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Automatic Sprinkler Co. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Automatic Sprinkler Co. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is a supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information,

including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of American Automatic Sprinkler Co. Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the American Automatic Sprinkler Co. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 1996. The Plan covers substantially all employees age 21 or older of American Automatic Sprinkler Company, Inc. (the Company), who have completed 6 months of service, except for independent contractors and union employees for whom coverage under this Plan was part of the negotiated contract. Employees can enter the plan semi-annually on January 1 or July 1 once they have met the age and service requirements.

The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

In 2020, the Plan adopted all relevant provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The plan was formally amended subsequent to December 31, 2021.

Some of the more notable provisions under the CARES Act allow qualified individuals to take coronavirus-related distributions and loans, as defined in the CARES Act, of up to \$100,000 during 2020; provide relief of loan repayment by allowing a one-year deferral of loan repayments due between March 27, 2020 and December 31, 2020; provide a temporary suspension for 2020 required minimum distributions and delay the commencement date for required minimum distributions. Additionally, participants could receive up to \$100,000 in aggregate for in-service withdrawals before December 31, 2020 and the 10% penalty tax for early withdrawal was waived. The related taxes can be included in the impacted participant's taxable income over a three-year period. There were no limits to the number of such withdrawals each impacted participant could take and the repayment of the withdrawal amount is permitted if repayment occurs within three years of the distributions. These provisions were extended through June 25, 2021 under the Consolidated Appropriations Act of 2021, which was signed into law on December 27, 2020.

Contributions

Each year participants may contribute up to 100 percent of annual compensation, as defined in the Plan, as pre-tax contributions subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, collective investment trusts, and a guaranteed investment contract as investment options for participants.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

The Plan is a safe harbor plan where the Company matches 100% of the first 3% of a participant's salary deferral plus 50% of the next 2% of salary deferral. The Company may also make discretionary nonelective contributions as determined by the Company's Board of Directors on an annual basis. For the years ended December 31, 2021 and 2020 the Company made safe harbor matching contributions to the plan totaling \$232,096 and \$223,056, respectively, and discretionary nonelective contributions in the amount of \$150,000 for 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, and employer safe harbor contributions plus all earnings thereon. Vesting in the Company's discretionary nonelective contributions is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in the employer discretionary contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service. Regardless of years of service, participants become 100% vested in employer contributions upon death or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts the lesser of \$50,000 or 50% of their vested account balance, with a minimum loan amount of \$1,000. In most instances, the repayment period shall not exceed five years. A plan participant may have only two loans outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Loan terms range from one to five years, or longer for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding loans as of December 31, 2021 and 2020 ranged from 5.25% to 7.50%.

Payment of Benefits

Upon termination of service a participant may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of the two. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested account balances totaled \$529 and \$2, respectively. During the years ended December 31, 2021 and 2020, forfeitures of nonvested accounts were used to pay plan expenses in the amount of \$4,163 and \$3,524, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are recognized as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses paid on behalf of the Plan. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In particular, the novel coronavirus ("COVID-19") pandemic and the resulting adverse impacts to global economic conditions, as well as the Plan's operations, may affect future estimates including, but not limited to, fair value measurements, downward adjustments to investments in equity securities, or asset impairment charges.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividend income for the years then ended, disclosed in the accompanying financial statements and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021, is derived from statements which have been certified by Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, and Principal Trust Company, (collectively "Principal" the trustee of the Plan), as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used

**AMERICAN AUTOMATIC SPRINKLER CO.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual Funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSA)

The PSA are separate accounts established by Principal and are primarily invested in domestic stocks and mutual funds with observable level 1 pricing inputs. The PSA are valued daily at the unit value of shares held by the Plan in the separate investment accounts based on the underlying investments and their quoted NAV. The NAV of the PSA is not publicly quoted but is available to current investors via the Employer website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value. The Plan has no unfunded commitments related to the PSA and redemptions and subscriptions are permitted daily.

Collective Investment Trust Funds (CITs)

Collective investment trust funds (CIT) invest in collective trust funds and a variety of separate accounts and mutual funds. The fair values of the collective investment trust and the separate accounts are not publicly quoted pricing inputs; the fair values of the mutual funds are publicly quoted pricing inputs (level 1). The fair value of all these investments is used in determining the NAV of the CITs, which is not publicly quoted but is available to current investors via the Company website or when plan participants access their account values. Participant transactions (purchases and sales) may occur daily. Therefore, those investments are considered to have a readily determinable fair value. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract (FBRIC) with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the FBRIC is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The FBRIC is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The FBRIC does have a surrender charge of 5% that may be charged if the Plan terminates its interest in the contract.

The FBRIC is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Under the terms of the existing contract, the crediting interest rate is based on a formula agreed upon with the issuer. The crediting rate is currently reset on a semiannual basis and will not be less than the guaranteed minimum interest rate. In no case will the guaranteed minimum interest rate be less than 1% or greater than 3%.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the ability of the Plan to transact at account value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

In an event that the Plan terminates the Plan's Interest in the contract, Principal will pay out the value of the Plan's Interest, subject to a surrender charge. Refer to Note 11 for details of the Plan's decision to terminate the contract subsequent to December 31, 2021.

NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's investments are managed by Principal Life Insurance Company, Principal Global Investors Trust Company, and Principal Trust Company. Therefore, the transactions in these funds qualify as party-in-interest. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Participant loans also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 - TAX STATUS

The Plan has adopted a prototype non-standardized profit-sharing plan sponsored by Principal Financial Group. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the prototype non-standardized profit sharing plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a pandemic, which is ongoing as of the date the financial statements. The spread of COVID-19 has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world. As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments and this may continue for an extended period of time. The extent of COVID-19's effect on the Plan's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, the overall impact of COVID-19 on the Plan's investment portfolio, participant account balances and the amounts reported in the Plan's financial statements and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500:

	<u>2021</u>	<u>2020</u>

Net assets available for benefits per Schedule H of Form 5500	<u>\$ 11,291,251</u>	<u>\$ 9,400,807</u>

NOTE 11 - SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan appointed a new trustee and recordkeeper. Principal served as the trustee and recordkeeper of the Plan until February 1, 2022, at which point all plan assets (with the exception of the Principal Fixed Income Guaranteed Option) were transferred to the new trustee Reliance Trust Company and recordkeeper ADP Retirement Services. Principal will continue to hold and manage the Fixed Income Guaranteed Option account until such point as the plan contractual obligations are met.

NOTE 11 - SUBSEQUENT EVENTS (Continued)

With the change in recordkeepers the Plan adopted a prototype non-standardized defined contribution plan sponsored by ADP, LLC effective January 1, 2022.

Effective August 1, 2022, the plan document was amended and restated to bring a plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). There were no other changes in the plan provisions.

Subsequent events have been evaluated through October 14, 2022, which is the date the financial statements are available to be issued.
