Independent Auditors' Report

To the Trustees
Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan
Springfield, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditors' Report (Continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

AND 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 1. Description of Plan

The following description of Virginia Imports, Ltd. Employees' Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering eligible employees of Virginia Imports, Ltd. (the Company) who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan on the first day of each month throughout the plan year following the completion of 160 hours of service in a 2-month period. If the service requirement is not met in the first consecutive period of months, the Plan will also cover eligible employees who have completed one year of eligible service, as defined by the Plan. Eligibility for matching or profit sharing contributions occurs on the first day of the first or seventh month of the Plan year following the completion of one year of eligible service with at least 1,000 hours of service completed, as defined by the Plan.

Contributions

Each year, participants may contribute pretax annual compensation, as defined in the Plan, not to exceed Internal Revenue Service (IRS) defined limits. Participants may also elect to contribute Roth contributions on a post-tax basis. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company may contribute matching and/or profit sharing contributions. In 2021, the Company contributed a profit sharing contribution of \$360,000, which was allocated to eligible participants pro rata based on compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Company contributions, if any, and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in company contributions plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Note 1. Description of Plan (Concluded)

Investment Options

Upon enrollment in the Plan, a participant may direct both employee and employer contributions to a variety of investment options. Participants should refer to information provided by Great-West Life & Annuity Insurance Company for a complete description of investment alternatives. At any time, participants may also elect to reallocate existing account balances between investment alternatives or to change their investment elections for future contributions. The Plan administrator and sponsor periodically review and may make changes to the investment choices available.

Payment of Benefits

On termination of service due to disability, retirement, or termination of employment, a participant will be paid in the form of a lump sum cash distribution. Salary reduction contributions will be paid as soon as administratively feasible. Employer contributions will be paid in a lump sum after a one year break in service has occurred. On termination of service due to death, distribution of the entire account must be completed by December 31 of the calendar year containing the fifth anniversary of death, unless an election to receive an annuity is made. Participants may request a hardship withdrawal of their account balance, excluding Company contributions, in cases of financial hardship.

A participant may receive the value of the vested account balance as a lump sum distribution, roll it over to another qualified plan or may keep their vested balance in the Plan if it is greater than \$5,000. The Plan has adopted automatic cash out provisions for distributions under \$1,000. The Plan has adopted automatic cash out or rollover provisions for distributions greater than \$1,000 and less than \$5,000.

Forfeitures

At December 31, 2021 and 2020, forfeitures of terminated participants' nonvested accounts totaled \$8,816 and \$23,334, respectively. Forfeitures can be used to pay plan expenses or be re-allocated as part of the Company contributions.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make certain estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates

AND 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2021

Note 2. Summary of Significant Accounting Policies (Concluded)

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit responsive group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses and Fees

The Company pays certain administrative expenses of the Plan. Investment management fees, record keeper fees and contract administration fees are paid by the Plan. Participants are also charged loan and withdrawal fees.

Benefit Payments

Benefits are recorded when paid.

Note 3. Certified Investments

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income (loss), was obtained or derived from data that has been certified as complete and accurate by the plan administrator, Great-West Life & Annuity Insurance Company, the trustee of the Plan. This information has not been audited.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 10,591,867	\$ 8,136,132
Key Guaranteed Portfolio Fund	139,506	790,405
Investment income	1,369,522	1,013,580

Note 4. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs used to measure fair value into three levels. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access.

**VIRGINIA IMPORTS, LTD. EMPLOYEES' PROFIT SHARING
AND 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2021

Note 4. Fair Value Measurements (Concluded)

Level 2: Inputs to the valuation methodology include: (1) Quoted prices for similar assets or liabilities in active markets; (2) Quoted prices for identical or similar assets or liabilities in inactive markets; (3) Inputs other than quoted prices that are observable for the asset or liability; and (4) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: The fair values of mutual fund investments are obtained from a quoted market price in an active market. These investments are classified as Level 1.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2021 and 2020:

2021	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds:	\$ 10,591,867	\$ 10,591,867	\$ -	\$ -
2020	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds:	\$ 8,136,132	\$ 8,136,132	\$ -	\$ -

For the years ended December 31, 2021 and 2020, there were no transfers between Level 1 and Level 2 and no transfers in or out of Level 3.

Note 5. Group Annuity Contract

The Plan has a fully benefit-responsive group annuity contract with Great-West Life & Annuity Insurance Company (Great-West) that invests contributions in the EI Fixed Account – Series Class I. The EI Fixed Account – Series Class I is a general account product. The account is credited with earnings based on the specified crediting rate and charged for participant withdrawals and administrative expenses. The crediting interest rate is based on a formula agreed upon with the issuer. The crediting rate is currently reset on a quarterly basis. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

**VIRGINIA IMPORTS, LTD. EMPLOYEES' PROFIT SHARING
AND 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2021

Note 5. Group Annuity Contract (Concluded)

Contract value, as reported by Great-West, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) premature termination of the contracts by the Plan, (b) layoffs, (c) Plan termination, (d) amendment to the Plan document, and (e) bankruptcy of the Plan sponsor. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 7. Tax Status

The Plan has adopted a prototype nonstandardized profit sharing plan which received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype was designed in accordance with the applicable section of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended from the original prototype. However, the plan administrator believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan continues to qualify under Section 401(a), and the related trust continues to be tax-exempt. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The plan administrator has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken.

Note 8. Risks and Uncertainties

The Plan provides for investments in various securities that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**VIRGINIA IMPORTS, LTD. EMPLOYEES' PROFIT SHARING
AND 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS (CONCLUDED)

DECEMBER 31, 2021

Note 9. Party-in-Interest Transactions

The Plan includes a mutual fund and a group annuity contract issued and managed by Great-West Life & Annuity Insurance Company. Certain subsidiaries provide administration and recordkeeping services to the Plan while another serves as Plan custodian. These transactions qualify as party-in-interest transactions; however, they are exempt from prohibited transaction rules under ERISA. The Plan made direct payment to Great-West for administrative services of \$30,171 for the year ended December 31, 2021, which are considered party-in-interest transactions.

Note 10. COVID-19 Impact and Considerations

In March 2020 the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) a global pandemic. On March 27, 2020, the CARES Act was signed into law and included new relief provisions to tax-qualified retirement plans and participants affected by the COVID-19 pandemic. As permitted by the CARES Act, the Plan allowed for the availability of certain coronavirus-related distributions.

Note 11. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.
