### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Barbizon Company 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Barbizon Company 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Barbizon Company 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Barbizon Company 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified

investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of Barbizon Company 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Barbizon Company 401(k) Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

---

### **Note 1 Description of the Plan**

The following description of the Barbizon Company 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan covering full-time employees of Barbizon Light of New England, Inc. (the “Company” or “Employer”) and its affiliates, Barbizon Electric Co., Inc., Barbizon Capitol, Inc., Barbizon Charlotte, Inc., Barbizon Delta Corporation and Barbizon Light of the Rockies, Inc., who have worked 450 hours within the first six months of service and are age twenty and one-half or older. Employees who do not work 450 hours during their first six months of service will satisfy the minimum service requirement if they have worked 1,000 hours during the twelve-month period immediately following their date of hire. If 1,000 hours are not worked during this twelve-month period, an employee will become eligible after they have worked 1,000 hours during any Plan year beginning after their date of hire. Employees covered under a collective bargaining agreement, non-resident aliens who do not receive any compensation from United States sources, or leased employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective July 1, 2021, the Board of Directors of the Company appointed Ascensus Trust Company to replace Reliance Trust Company as the Trustee of the Plan and The Vanguard Group Inc. to replace Massachusetts Mutual Life Insurance Company (“MassMutual”) as the recordkeeper of the Plan.

#### **Employee Contributions**

Each employee (also referred to herein as “participant”) of the Company, who has met eligibility requirements, as defined, may contribute to the Plan and elect to defer a percentage or an amount of their eligible compensation, as defined, not to exceed the maximum allowable under the Internal Revenue Code (“IRC”) for any plan year (\$19,500 for 2021). Employees who reach age 50 during a plan year may elect to contribute certain additional amounts beyond those defined limits (\$6,500 for 2021). Unless an opt-out form is filled out, each employee who has met eligibility requirements, as defined, will be automatically enrolled into the Plan at 3%. The Plan allows participants to make contributions on an after-tax basis (Roth elective deferrals) in addition to deferrals on a pre-tax basis.

#### **Employer Contributions**

The Employer, in its sole discretion, may make matching contributions to the Plan on an annual basis. The percentage of the matching contribution will be determined by the Company and allocated to participants based on participants’ deferrals for each payroll period. In addition, the Plan allows the Employer to make discretionary contributions. Employer discretionary contributions are allocated based on compensation in relation to all eligible participants. For the year ended December 31, 2021, the Company made matching contributions totaling \$257,632. There were no discretionary contributions made by the Company for the year ended December 31, 2021.

## Barbizon Company 401(k) Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

---

### Note 1 Description of the Plan (continued)

#### Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) employer contributions, if any, and (c) appropriate earnings on investments made with the contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants become vested with respect to employer matching and discretionary contributions in accordance with the following schedule:

| <u>Years of<br/>Service</u> | <u>Vested %</u> |
|-----------------------------|-----------------|
| 1                           | 0%              |
| 2                           | 20%             |
| 3                           | 50%             |
| 4 or more                   | 100%            |

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants can have a maximum of two loans outstanding at any time. Loan repayments are made ratably through payroll deductions, with repayment terms ranging from up to 5 years or up to 30 years if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate and are reviewed periodically by the Plan Administrator to ensure the interest charged on participant loans is reasonable. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. As of December 31, 2021, annual interest rates ranged from 3.25% to 5.50%. As of December 31, 2020, the annual interest rates ranged from 3.25% to 5.50%. The Plan allowed participants to borrow up to \$100,000 for loans made from March 27, 2020 through September 22, 2020 under the CARES Act.

**Note 1 Description of the Plan (continued)**

**Payment of Benefits**

Upon termination of service for any reason, subject to the required commencement date as defined by the Plan and by law, a participant with a vested account balance greater than \$5,000 may elect to receive either a single lump-sum distribution equal to the value of the participant's vested interest in his or her account or annual installment payments. However, a single lump-sum distribution will be made upon termination if the participant's vested account balance is less than \$5,000. The Plan also allows for in-service distributions of participant contributions when a participant becomes 59 1/2 years of age, employer contributions at the Plan's normal retirement age of 65, and rollover contributions at any time. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan; should a participant withdraw funds, he or she is not permitted to make elective contributions to the Plan for at least six months following the withdrawal.

**Forfeited Accounts**

At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$16,342 and \$11,711, respectively. These accounts will be used to reduce employer contributions. No forfeitures were used to reduce the Company's matching contributions in 2021.

**CARES Act**

During March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan Document. During 2020, the Plan elected to implement the provisions allowing eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic. During 2020, the Plan also implemented the temporary provisions related to increased participant loan limits and the deferral of certain participant loan repayments.

**Note 2 Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") and, accordingly, are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Note 2 Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as a distribution based on the terms of the Plan Document.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

The costs of administering the Plan are paid by the Company and are not included in these financial statements. Participants are charged a fee for loan set up and distributions.

**Note 3 Fair Value Measurement**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Note 3 Fair Value Measurement (continued)**

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common collective trusts – Units held in common collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a CCT is calculated based on a compilation of primarily observable market information.

There have been no changes in methodologies used at December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| Description                                          | Assets at Fair Value as of December 31, 2021 |             |             |                      |

**Note 4 Information Certified by the Plan's Trustees**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustees of the Plan, Ascensus Trust Company ("Ascensus") and Reliance Trust Company ("Reliance"), respectively.

In addition, certain information related to the net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants disclosed in the accompanying financial statements for the period January 1, 2021 to June 30, 2021 and for the period July 1, 2021 to December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by the trustees of the Plan, Great-West Trust Company and Ascensus, respectively.

**Note 5 Guaranteed Interest Account**

In 2011, the Plan entered into a benefit-responsive guaranteed investment contract with MassMutual. The MassMutual general investment account option is a guaranteed interest account provided through a group annuity contract (GAC). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract as of December 31, 2020 was \$6,066,253.

Certain events limit the Plan's ability to transact at contract value with MassMutual. Such events include the following: (a) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit MassMutual to terminate the agreement prior to the scheduled maturity date. In 2021, the contract was effectively terminated with the change in recordkeeper to The Vanguard Group, Inc.

**Note 6 Tax Status**

The Plan is based on the Non-Standardized Pre-Approved Profit Sharing Plan provided by Ascensus, LLC, which received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020 stating that the non-standardized pre-approved plan was designed in accordance with provisions of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

**Note 7 Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 8 Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Given recent volatility in financial markets, the values of the Plan's individual investments have and will continue to fluctuate in response to changing economic and market conditions and therefore, it is reasonably possible that investment values could decline significantly in subsequent periods.

**Note 9 Party-In-Interest Transactions**

Certain Plan investments are managed by Ascensus Trust Company. Ascensus Trust Company is the Trustee and therefore, these transactions qualify as party-in-interest transactions. Effective July 1, 2021, The Vanguard Group, Inc. replaced MassMutual as the Plan's recordkeeper. The provision of recordkeeping services qualifies as a party-in-interest transaction. Participant loan transactions are also party-in-interest transactions.

**Note 10 Subsequent Events**

The Plan's management has evaluated subsequent events through October 17, 2022, the date the financial statements were available for issuance.
