To Management of  
Hoffman & Hoffman, Inc. Employee Stock Ownership Plan  
Greensboro, North Carolina

We have audited the financial statements of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2021 and will issue our report thereon dated October 13, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified certifying institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 11, 2022. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Matters

#### *Risk Assessment*

AU-C Section 260 requires auditors to communicate significant risks identified during the audit planning process. These identified risks help those charged with governance understand significant plan features and why they require special attention, and better allow them to perform their oversight duties with regard to the financial reporting process. We have identified the following significant risks of material misstatement as part of our planned audit procedures for the year ended December 31, 2021:

- New standards related to SAS 136/AU-C 703 are not properly implemented
- Amendments to the Plan not timely implemented or the Plan is not operating in accordance with the Plan
- Management override of controls
- Proper determination of eligible compensation
- With a change in custodian/trustee, investments not fully transferred timely or completely
- Unreasonable or improper valuation methods used for ESOP Appraisal for the Hoffman & Hoffman Company Stock

### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Hoffman & Hoffman, Inc. Employee Stock Ownership Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair value measurements in Note 5 to the financial statements requires judgment by management related to the valuation level within the fair value hierarchy.

The financial statement disclosures are neutral, consistent, and clear.

### *Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in performing and completing our audit.

### *Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no such misstatements for the year ended December 31, 2021.

### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Other Matters*

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of management of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

## **Independent Auditor's Report**

To Hoffman & Hoffman, Inc. Employee Stock Ownership Plan  
Greensboro, North Carolina

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hoffman & Hoffman, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hoffman & Hoffman, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **2021 Supplemental Schedule Required by ERISA**

The schedule of assets (held at end of year) as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **2021 Supplemental Schedule Required by ERISA (Continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **HOFFMAN & HOFFMAN, INC. EMPLOYEE STOCK OWNERSHIP PLAN**

### **Notes to Financial Statements**

---

#### **NOTE 1 - DESCRIPTION OF PLAN AND BASIS OF PRESENTATION**

The following description of Hoffman & Hoffman, Inc. Employee Stock Ownership Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### **General**

Hoffman & Hoffman, Inc. (the "Company") established the Plan effective as of January 1, 1987. The Plan is a leveraged defined contribution stock ownership plan covering all eligible employees. The Plan is allowed to obtain acquisition loans to finance the acquisition of Company stock. The Plan is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (IRC), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Retirement Committee comprised of individuals appointed by the Company. An independent, third-party limited liability corporation is the Plan's trustee for the portion of the Plan that consists of Company stock.

On December 22, 2016, the Plan purchased 2,012 shares of the Company's common stock using the proceeds of a loan from the Company (see Note 7) and holds the common stock in a trust established under the Plan. The stock was purchased at a price of \$6,652.58 per share, for an aggregate purchase price of \$13,385,000. On March 3, 2020, the Company initiated a 100-1 stock split.

On December 18, 2020, the Plan purchased 94,507.31 shares of the Company's common stock from participants using the proceeds of a loan from the Company (see Note 7) and holds the common stock in a trust established under the Plan. The stock was purchased at a price of \$153.48 per share, for an aggregate purchase price of \$14,504,982. The borrowing is collateralized by the shares of common stock held in suspense, which totaled 90,276.20 shares at year ended December 31, 2021. The lender has no rights against shares of common stock once they are released to participants in accordance with the terms of the ESOP.

All borrowings are collateralized by the unallocated shares of common stock. The lender has no rights against shares of common stock once they are allocated to participants in accordance with the terms of the ESOP. Accordingly, the financial statements of the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, present separately the assets and liabilities and changes therein pertaining to: (a) the accounts of employees with the rights in allocated common stock (allocated), and (b) common stock not yet allocated to employees (unallocated).

##### **Eligibility**

Employees are eligible to participate in the Plan after 60 days of employment for purposes of salary reduction contributions only and employees may enter the Plan on a quarterly basis. In addition, employees that meet eligibility terms will be automatically enrolled in the Plan with an automatic deferral election amount of 3% unless opted out of or otherwise elected by the employee. Eligible employees may make a written, irrevocable election not to participate prior to the first day of the Plan year in which they would otherwise first become eligible to participate.

**NOTE 1 - DESCRIPTION OF PLAN AND BASIS OF PRESENTATION (Continued)**

**Contributions**

The Company is obligated to make contributions in cash to the Plan which, when aggregated with the Plan's dividends and interest earnings, equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its term loan.

Each year, participants may contribute from their annual pre-tax compensation up to the maximum amount established by tax laws, as defined by the Plan. Participant contributions may be made in the form of pre-tax elective deferrals and Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participants direct the investment of their contributions into various investments and portfolio options offered by the Plan. The Plan currently offers various mutual funds and a stable value common collective trust as investment options for participants. At the Company's discretion and direction, participants may also be allocated shares of the Company common stock as a nonparticipant-directed investment option in the Plan.

The Company makes an annual Safe Harbor employer elective contribution of an amount equal to at least 3% of the participants' eligible compensation. The Company may also make other contributions at the discretion of the Board of Directors of the Company. Discretionary employer contributions for the years ended December 31, 2021 and 2020, were approximately \$4,177,606 and \$4,450,168, respectively. These contributions are allocated in accordance with the Plan based on the total eligible compensation of all participants for the Plan year.

Contributions are subject to certain limitations as determined by the Internal Revenue Code.

**Participant Accounts**

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each Plan year with an allocation of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' nonvested accounts. Only those employees who are eligible employees of the Company as of the last day of the Plan year will receive an allocation. These allocations are based on a participant's eligible compensation, relative to total eligible compensation.

Each participant's account is also credited with the participant's contributions, including amounts rolled over from other qualified plans, the Company's Safe Harbor contribution, and the Company's discretionary contribution (if any), Plan earnings, and investment gains and losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocation of expenses are based on the participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants**

The Plan does not offer provisions by which participants may take a loan from any portion of their Plan account.

#### **NOTE 1 - DESCRIPTION OF PLAN AND BASIS OF PRESENTATION (Continued)**

##### **Vesting**

Participants are vested immediately in their voluntary contributions, including amounts rolled over from other qualified plans, and the Company's Safe Harbor contributions, plus actual earnings thereon. Participants are also fully vested in dividends paid on Company common stock without regard to the participant's vesting status in the Plan. Vesting in the Company's discretionary contributions and any actual earnings thereon is determined using a progressive schedule based on years of service. For vesting purposes, a year of service is based on the Plan year, as defined by the Plan. Vesting begins with two years of service and a participant is 100% vested after six years of credited service, or in the event of death, disability or retirement, as defined by the Plan.

##### **Payment of Benefits**

Distributions from a participant's account may not be made earlier than a participant's severance from employment, death, disability, attainment of age 60, termination of the Plan or upon financial hardship of the participant. Typically, upon severance of employment, distributions may begin no earlier than one year after the end of the Plan year in which the aforementioned requirements are met.

A terminated employee may elect to receive distributions from the participant's rollover account prior to a one-year break in service. The Plan administrator may cash out terminated employees with a vested balance in the Plan of \$5,000 or less without the participant's consent. If the employee's vested balance is below \$5,000 but exceeds \$1,000, the cash out will be in the form of a direct rollover into an individual retirement plan.

Under the provisions of the Plan, the Company is obligated to repurchase participant shares of Company stock, which have been distributed under the terms of the Plan, if the shares are not publicly traded or if the shares are subject to trading limitations. The amount to be distributed is based upon the immediately preceding valuation date.

In-service withdrawals are permitted for certain financial hardships and are limited to approval by the Plan administrator. Such distributions may not be taken from earnings on elective deferral accounts, Company common stock or the employer's safe harbor contributions.

##### **Forfeitures**

Plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures allocated to participants during December 31, 2021, totaled \$130,147. Forfeitures of terminated, nonvested account balances available to be allocated to remaining participants at December 31, 2021 and 2020, totaled \$59,323 and \$109,996, respectively.

##### **Put Option**

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current appraised value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

**NOTE 1 - DESCRIPTION OF PLAN AND BASIS OF PRESENTATION (Continued)**

**Diversification**

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments that are more diversified. Participants who are at least age 55 with at least ten years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%.

Participants electing diversification must do so in writing within 90 days after the close of the Plan year during the "Qualified Election Period". Execution of the election must be effective no later than 180 days after the close of a Plan year. Participants who elect diversification receive a cash distribution based upon the shares of the employer stock in the participant's account at year-end.

**Voting Rights**

Each participant is entitled to exercise certain voting rights attributable to the shares of Company stock allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which instructions have not been given by a participant. The Trustee is required, however, to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Allocations**

The financial statements of the Plan present separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock ("allocated") and (b) stock not yet allocated to employees ("unallocated"), including shares that are committed to be released. Shares are released from collateral and become allocated generally in the period in which debt service is actually paid.

**Investment Valuation and Income Recognition**

Investments, including Company stock, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined by the Retirement Committee utilizing information provided by the Plan Trustee, investment advisors, custodians and insurance companies. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes capital gain distributions and the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Investment Valuation and Income Recognition (Continued)**

The Plan allows participants to purchase individual insurance policies with Plan earnings in prior years. Plan assets in the accompanying statements of net assets available for benefits includes the cash value of these policies.

**Payment of Benefits**

Benefits payments to participants are recorded when paid.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees incurred by the Plan for asset and recordkeeping services are offset by revenue sharing investment income which are included in net appreciation of investments. Certain expenses relating to specific transactions, such as distribution processing and premiums on life insurance policies, are paid directly by the participant. To the extent that fees related to the Plan's operations exceed revenue share income, the Company pays such excess amount on behalf of the participants.

**Subsequent Events**

The Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2022, which is the date the financial statements were available to be issued.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

**HOFFMAN & HOFFMAN, INC. EMPLOYEE STOCK OWNERSHIP PLAN**  
**Notes to Financial Statements**

---

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under Topic 820 - Fair Value Measurement are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value collective investment trust:* Valued using the net asset value ("NAV"), provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV, as provided by Mid-Atlantic Trust Company, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

*Company's common stock:* The fair value of the Company's common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of the asset-based and income valuation techniques consistent with prior years. The appraiser took into account historical and projected cash flows and net income made available through the Company's audited financial statements, return on assets, return on equity, market comparables, long-term growth rate, and estimated fair value of Company assets and liabilities. The appraiser also applied a discount for lack of marketability and liquidity as the Company is a closely-held business.

*Cash value of life insurance:* Valued by insurance providers based on contract provisions and comparisons to payments under similar policies.

The Hoffman & Hoffman, Inc. common stock held by the Plan is reported at fair value at December 31, 2021 and 2020, based upon an appraisal. This appraisal was based upon a combination of the market and income valuation techniques consistent with prior years as illustrated in the following table:

| Investment                                     | Fair Value at<br>December 31,<br>2021 | Fair Value at<br>December 31,<br>2020 | Valuation<br>Technique | Significant<br>Unobservable<br>Inputs                                                                          |

The Plan uses a third-party trustee, Capital Trustee, LLC, to accumulate the data for the appraiser from historical and projected financial information of the Company. The appraiser prepares a report of estimated per share value that a participant will receive upon distribution. The Trustee reviews the appraisal for accuracy prior to approving the report.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 6 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT**

The following table summarizes the stable value collective investment trust for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. ## HOFFMAN & HOFFMAN, INC. EMPLOYEE STOCK OWNERSHIP PLAN

### Notes to Financial Statements

---

#### NOTE 8 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments include shares of Hoffman & Hoffman, Inc. company common stock. Hoffman & Hoffman, Inc. is the Plan Sponsor and, therefore qualifies as a party-in-interest. Plan investments also include shares of investment accounts managed by TDA, subsidiaries, and affiliated companies, and by Mid-Atlantic, subsidiaries, and affiliated companies, therefore, these transactions qualify as party-in-interest transactions. Certain advisory services are provided by Compass Financial Partners and therefore qualifies as a party-in-interest transaction.

Stanley Benefits Services, Inc. ("Stanley Benefits") provides certain administrative and recordkeeping services to the Plan pursuant to a Service Agreement for Defined Contribution Plans ("Service Agreement") between the Company and Stanley Benefits. Fees paid to Stanley Benefits qualify as party-in-interest transactions. Stanley Benefits may receive revenue from mutual fund service providers for services provided to the funds. This revenue is to be used to offset certain expenses owed to Stanley Benefits, Matrix, Mid-Atlantic, and FDA for services provided to the Plan.

If the revenue received from such mutual fund providers exceeds the amount owed under the Service Agreement, Stanley Benefits may allocate the amounts to participants as a reimbursement to participant accounts, or investment income. The Plan Sponsor has elected to pay Stanley Benefits for any applicable administrative expenses not covered by revenue sharing received. During 2021, approximately \$39,549 in revenue sharing income was received by the Plan for uses previously described.

#### NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. The interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the IRC.

#### NOTE 10 - TAX STATUS

The Internal Revenue Service has informed the Plan Administrator by a letter dated March 12, 2015, that the Plan is qualified under Section 401(a) of the IRC and, therefore, the trust is exempt from federal income taxes under Section 501(a) of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan Sponsor's tax council believes the Plan is currently designed and is being operated in compliance with the applicable provisions of the IRC, and therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

**NOTE 11 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

A significant portion of the Plan's investments are in stock of the Company. The Company operates primarily as a manufacturer's representative of heating and air conditioning equipment, principally in North Carolina, South Carolina and Virginia. The primary liquidity to the Plan for the Company stock comes from the Company's repurchases of the stock or additional cash contributions to the Plan.

The value of the Company's stock has been estimated by the Plan's trustee, in the absence of readily ascertainable market values. This estimate was done with the assistance of an outside appraiser. Because of the inherent uncertainty of valuation, those estimated values may differ significantly from the values that would have been used had a ready market for those securities existed, and the differences could be material.
