INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Frey-Moss Structures, Inc. 401(k) Plan
Conyers, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Frey-Moss Structures, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Frey-Moss Structures, Inc. 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Frey-Moss Structures, Inc. 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Frey-Moss Structures, Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Frey-Moss Structures, Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental information in the accompanying Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **Frey-Moss Structures, Inc. 401(k) Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

FREY-MOSS STRUCTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF THE PLAN

The following description of the **Frey-Moss Structures, Inc. (the Company) 401(k) Plan (the Plan)** provides only general information. Participants should refer to the **Plan** document for a more complete description of the **Plan's** provisions.

The **Plan's** custodian is Transamerica Financial Life Insurance Company (Transamerica).

General

The **Plan** is a defined contribution plan covering all employees of the **Company**, except union, part-time, temporary, and seasonal employees, as defined in the **Plan** document. Employees are eligible to participate in the **Plan** after they have completed sixty days of service. The same requirements must be met for purposes of being eligible for the discretionary employer match and profit-sharing contributions. The **Plan** is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year participants may contribute pretax annual compensation up to the dollar limit established by Internal Revenue Code (the IRC). If a newly eligible participant fails to file a salary reduction election with the **Plan** administrator, such participant will be automatically enrolled in the **Plan** to contribute 3% of pretax annual compensation. Beginning on January 1, 2018, the **Plan** provided for automatic deferral increases of 1% annually, up to a maximum of 10%, unless the participant elects otherwise. Contributions are automatically invested in a default fund until changed by the participant.

Participants who have attained age 50 before the end of the **Plan** year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans, referred to as rollovers. Participants direct the investment of their contributions into various investment options offered by the **Plan**. The **Plan** currently offers various mutual funds and a fully benefit-responsive investment contract as investment options for participants. Employer matching and profit-sharing contributions are discretionary. Employer matching contributions will not exceed 20% of the participant's compensation.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the **Company's** discretionary matching and profit-sharing contributions, and an allocation of **Plan** earnings or losses. Each participant can be charged with an allocation of administrative expenses and fees. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the **Plan** document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the **Company's** discretionary matching and profit-sharing contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. If continuous service is terminated by death, disability, or retirement, participants or their beneficiaries become 100% vested in their accounts.

Payments of Benefits

On termination of service due to death, disability, retirement, or other reasons, participants or their beneficiaries will receive a lump-sum amount equal to the value of the participant's vested interest in their account if their vested interest does not exceed \$5,000. If the vested interest exceeds \$5,000, the participant or their beneficiary may elect to receive a lump-sum amount or an amount in installments. Distributions may also be taken by participants prior to termination of service in the event of financial hardship, as defined in the **Plan** document. If a qualified domestic relations order is received by the **Plan** administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

Forfeited Accounts

During the years ended December 31, 2021 and 2020, additions to forfeited nonvested accounts including earnings totaled \$9,233 and \$2,666, respectively. These accounts may be used to reduce future employer contributions or to pay **Plan** expenses. During the years ended December 31, 2021 and 2020, forfeited nonvested accounts used to reduce employer contributions totaled \$9,336 and \$2,263, respectively. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$303 and \$406, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the **Plan** have been prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Accordingly, investment income is recognized when received, disbursements are recognized when made, and employer and participant contributions, if any, are accrued at year end.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the **Plan** administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The **Plan** recognizes material amounts of uncertain tax positions as income tax expense. The **Plan** recognizes accrued interest and penalties associated with uncertain tax positions as part of deductions from net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a timely transaction with an independent buyer in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability (see Note D). Contract value is the relevant measurement for fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the **Plan** (see Note E).

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses and Fees

Pursuant to provisions of the **Plan**, administrative expenses incurred in the administration of the **Plan** may be paid by the **Plan** or the **Company**. The administrative expenses paid from plan assets are allocated to all participants. Currently, substantially all administrative expenses are paid by the **Plan**, except for audit fees which are paid by the **Company**.

Pursuant to provisions of the **Plan**, fees paid from the **Plan** are charged directly to the account of the participant on whose sole behalf the fee was incurred.

Subsequent Events

The **Plan** administrator has evaluated subsequent events that have occurred up through October 14, 2022, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2021 that required recognition or disclosure in the current period financial statements.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The **Plan** administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the **Plan's** independent auditors did not perform any auditing procedures with respect to the following information certified by Transamerica as complete and accurate, except for comparing such information with information included in the **Plan's** financial statements and supplemental schedule:

- Investments at fair value and contract value as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020.
- Total investment income as shown in the accompanying statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2021 and 2020.
- All investment-related information in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

FREY-MOSS STRUCTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement, provides the framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodology used for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: The daily closing price as reported by the fund is used to estimate fair value. Mutual funds held by the **Plan** are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the **Plan** are deemed to be actively traded and are redeemable immediately without notice.

As of December 31, 2021 and 2020, all of the **Plan's** investments at fair value are mutual funds and are classified within the fair value hierarchy in Level 1.

FREY-MOSS STRUCTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The **Plan** maintains an investment contract with Transamerica that is fully benefit-responsive. Transamerica maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is set semi-annually on January 1 and July 1. The average yield earned by the **Plan** equals the credited interest rate to plan participants. The effective credited interest rate during the years ended December 31, 2021 and 2020 was 1.10% and 1.20% respectively. The investment contract has no stated minimum or maximum interest rate and no set maturity.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participant if they were to initiate permitted transactions under the terms of the **Plan**. Contract value, as reported to the **Plan** by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The **Plan's** ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the **Plan** to transact at contract value with the contract issuer. Such events include (1) amendments to the **Plan's** documents, including complete or partial **Plan** termination or merger with another plan, (2) changes to the **Plan's** prohibition on competing investment options or deletion of equity wash provisions, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

No events are probable of occurring that might limit the ability of the **Plan** to transact at contract value with the contract issuers and that also would limit the ability of the **Plan** to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contracts with the **Plan** and settle at an amount different from contract value. Such events include (1) an uncured violation of the **Plan's** investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuers.

FREY-MOSS STRUCTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The **Company's** Board of Directors consists of one member who is also a stockholder of the **Company** and currently participates in the **Plan**. The board member and two other members of the management team form the administrative committee and serve as trustees and **Plan** administrator of the **Plan**, respectively.

The fully benefit-responsive investment contract offered by the **Plan** is managed by Transamerica. Transamerica is the custodian as defined by the **Plan** and, therefore, these transactions qualify as party-in-interest transactions. Direct and indirect compensation paid to an affiliate of Transamerica for the years ended December 31, 2021 and 2020 was \$49,795 and \$36,712, respectively. Direct compensation paid is included in administrative expenses and fees on the statements of changes in net assets available for benefits (modified cash basis).

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the **Company** has the right under the **Plan** to discontinue its contributions at any time and to terminate the **Plan** subject to the provisions of ERISA. In the event of **Plan** termination, participants will become 100% vested in their accounts.

NOTE H – TAX STATUS

The Internal Revenue Service has determined and informed Transamerica, by letter dated September 30, 2014, that the **Plan** and related trust are designed in accordance with applicable requirements of the IRC.

For the years ended December 31, 2021 and 2020, the **Plan** administrator believes there were no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statement of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020 or the statements of changes in net assets available for benefits (modified cash basis) for the years then ended. Further, the year ended December 31, 2018 and all years subsequent remain subject to examination.

FREY-MOSS STRUCTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE I – RISKS AND UNCERTAINTIES

The **Plan** invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

NOTE J – CORRECTIVE DISTRIBUTIONS

The **Plan** failed to pass the Actual Deferral Percentage (ADP) test and the Actual Contribution Percentage (ACP) test for the 2020 **Plan** year. In order to correct the failure, as permitted under IRS guidance, the **Company** opted to refund excess contributions and related earnings to the applicable employees. Refunds are made and recorded in the year subsequent to the failure. Corrective distributions made during March 2021 and 2020, for refunds related to the 2020 and 2019 **Plan** years, totaled \$68,155 and \$66,325, respectively.
