Tax Sheltered Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such

information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of the Plan

The following description of Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan (“the Plan”) provides only general information. Participants should refer to the “Summary Plan Description” and the Plan document for a more complete description of the Plan’s provisions. Copies are available from the Plan Administrator.

General

The Plan is a defined contribution plan covering all eligible employees of Greater Lynn Senior Services, Inc. (“the Organization” or “Plan Sponsor”). The Plan was established on January 1, 1978, and restated, effective January 1, 2012. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor has appointed an investment trustee, Empower/Massachusetts Mutual Life Insurance Company (“the “trustee”) and Reliance Trust Company (the “custodian”), to execute investment transactions and hold certain the Plan’s assets and administer the participants accounts.

Eligibility

Employees become eligible for participation in Plan deferral contributions on the date of hire with the exception of employees who normally work less than 20 hours per week or less than 1,000 hours in a Plan year.

Contributions

The Plan provides for employee pre-tax contributions. Participants may contribute up to 100% of their pre-tax eligible W-2 compensation, which includes pre-tax contributions and any bonuses paid, if elected by the participant. Pre-tax contributions are subject to limitations under federal law of \$19,500 for Plan years ending December 31, 2021 and 2020. The Plan also accepts certain eligible rollover contributions from other qualified after-tax plans. The Plan also provides that participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make a catch-up contribution of \$6,500 for Plan years ending December 31, 2021 and 2020.

Employer discretionary matching contributions shall be determined by the employer for each Plan year. Other employer discretionary contributions for any Plan year will be allocated to all participants who complete a year of service by accumulating 1,000 hours of service, and who are employed on the last day of the Plan year, unless the termination was due to retirement, disability or death. Other employer discretionary contributions are allocated as a percentage of eligible participant compensation for the Plan year. For the years ended December 31, 2021 and 2020, the employer discretionary match was 3% of eligible compensation, with a minimum 2% pre-tax contribution.

Note 1 – Description of the Plan (continued)

Vesting

Participants are immediately vested 100% in their deferral and employer matching and other discretionary contributions plus actual earnings thereon.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Plan earnings and losses and charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is that which can be provided from the participant's vested account.

Notes Receivable from Participants

Eligible participants may borrow from their Plan accounts in amounts attributable to the participant's vested balance, for a maximum term of five years. If the loan is for the purchase of a principal residence, the term of the loan may be extended to ten years. A participant may borrow a maximum of 50% of their eligible balance up to \$50,000, reduced by the excess of the highest outstanding loan amount during the immediate preceding twelve-month period over the total outstanding loan balance on the date of the new loan. The minimum loan is \$1,000 and only one loan can be outstanding at any time. The loan balance is secured by the participant's account and the interest rate is fixed at the inception of the loan in an amount equal to prime interest plus 1%. The interest rate charged on loans outstanding as of December 31, 2021 is 4.25% to 6.50% per annum, and the loans mature on various dates through October 2026.

Plan Investments

The Plan's investments are held by Empower/Massachusetts Mutual Life Insurance Company ("MassMutual"), the trustee, and Reliance Trust Company ("Reliance"), the custodian, in various mutual funds and a group annuity contract. Participants have the option to allocate their individual accounts among various investment alternatives and to make transfers as specified in the Plan document.

Benefits and Withdrawals

On termination of services due to death, retirement at age 65, or disability, the participants or their beneficiaries may elect distribution in an amount equal to the value of his or her vested account, either in a lump-sum distribution or 50% paid in equal installments over the life expectancy of the joint lives of the participant and spouse and 50% of such benefits paid over the life expectancy of their survivor, unless the participant is not married; in such case, 100% of the benefits must be paid over the participant's life expectancy. If the participant's account balance is less than \$1,000 the distribution will automatically be paid in a lump-sum. Automatic distributions greater than \$1,000 and not more than \$5,000 are rolled over to an Individual Retirement Account. For

termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or can elect to have this balance held in the Plan for distribution on or after his or her normal retirement date.

In-service withdrawals are only allowed when the participant reaches the age of 59½. Hardship withdrawals are allowed under the Safe Harbor rules and cannot exceed the amount required to meet the immediate financial need created by the hardship.

Forfeitures

If a participant terminated employment, any unvested portion of their account was forfeited to the Plan. Remaining forfeited amounts will be used to either pay administrative expenses or reduce future Plan Sponsor contributions. The Plan had the following forfeitures activity for the Plan years ending December 31:

	2021	2020
Forfeitures – beginning of Plan year	\$ 13,607	\$ 8,795
Additions (including earnings)	1,826	4,812

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Fair Value Measurements

FASB ASC 820-10, "*Fair Value Measurements*," applies to reported balances that are required or permitted to be measured at fair value under an existing accounting pronouncement. ASC 820-10 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Greater Lynn Senior Services, Inc. Tax Sheltered Annuity Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Mutual Funds: Valued at the quoted net asset value for shares held by the Plan at year end.

Guaranteed group annuity investment contract: Stated at contract value and is based on the current interest rates credited to the contract, less any contingent deferred sales charges.

The preceding methods described may produce a value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the value of certain financial instruments could result in a different value measurement at the reporting date.

Investment Valuation and Income Recognition

The guaranteed group annuity investment contract is stated at contract value. All other Plan investments are stated at fair value based on quoted redemption values on the last day of the Plan year. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Fair Value Measurements policy above for discussion on fair value measurements.

Notes to Financial Statements
December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. Participant loans are valued at cost, which approximates fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from the Plan Sponsor accrued as of December 31, 2021 and 2020, are based upon the contribution formula. Participants' contributions are recorded in the period in which their payroll deductions are withheld.

Benefits Paid Directly to Participants

Benefits payments are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan Sponsor. All participant related administrative expenses and fees for maintenance of individual loans and distributions are deducted from the Participants' respective accounts.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

Note 3 – Information Certified by the Plan’s Trustee and Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, in addition to the information contained in Note 4 and 5 – Investments, and in the Supplemental Schedule – Schedule of Assets Held at End of Year, both the Empower/Massachusetts Mutual Life Insurance Company, the trustee and Reliance Trust Company, the custodian have certified that the following data included in the accompanying financial statements and supplemental schedules as of and for the years ended December 31, 2021 and 2020 is complete and accurate.

	2021	2020
Investments, at fair value	\$12,511,863	\$11,530,266

Notes receivable from participants	114,344	153,311
Investment income	1,819,673	
Loan interest	6,657	
Administrative expenses	5,474	

The Plan’s independent auditors did not perform auditing procedures with respect to this information other than comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value of Investments

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. The following table presents the Plan’s fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2021 and 2020.

Total	\$11,530,266	\$11,530,266	\$ -	\$ -

Note 5 – Investment Contract with Insurance Company

On July 1, 2013, the Plan entered into a fully benefit-responsive group annuity guaranteed investment contract with MassMutual. MassMutual maintains all investment contributions in a general account. The account is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified rate that is guaranteed to the Plan.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, administrative expenses and contingent deferred sales charges. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$3,034,606 and \$3,062,842, respectively.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) removal of a group of participants from Plan coverage as a result of temporary absence, change in position or other occurrence qualifying as a temporary break in service under the Plan, (2) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under common control with the employer, (3) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan

Note 5 – Investment Contract with Insurance Company (continued)

Sponsor's business, (4) removal from the Plan of one or more groups or classifications of participants, (5) partial or complete Plan and contract termination of the contract; or (6) Plan disqualification. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Note 6 – Exempt Party-in-Interest Transactions

Certain Plan investments include shares of funds managed by Reliance Trust Company, the custodian, and Empower/MassMutual, the trustee. Transactions executed by the custodian and trustee qualify as party-in-interest transactions. Fees are also paid by the Plan and its Sponsor for investment management fees and services.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Further, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

On March 11, 2020, the World Health Organization characterized an outbreak of a novel strain of coronavirus (COVID-19) as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time.

Note 8 – Tax Status

The Plan has obtained an opinion letter, issued to Empower Retirement, LLC. (the Plan's Third-Party Administrator) from the IRS dated April 7, 2021, stating that the volume submitter 403(b) plan is acceptable under section 403(b) of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Notes to Financial Statements
December 31, 2021 and 2020

Note 8 – Tax Status (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Effective June 30, 2020, the Plan Sponsor terminated its transportation contract. As a result, the Plan experienced a partial plan termination. Where participants were already 100% vested in all contribution types under the Plan, there was no financial impact to the Plan.

Note 10 – Corrected Prohibited Transaction

During the Plan year ending December 31, 2020, the Plan Sponsor inadvertently remitted \$3,922 of participant contributions to the Plan late. The Department of Labor (DOL) considers the late deposits to be a prohibited transaction. In 2021, The Plan Sponsor corrected the late remittance out of the Plan Sponsor's assets.

Note 11 – Subsequent Events

FASB ASC 855-10, "*Subsequent Events*," defines further disclosure requirements for events that occur after the balance sheet date but before financial statements are issued. In accordance with ASC 855-10, the Plan's Sponsor has evaluated events subsequent to December 31, 2021 through October 13, 2022, which is the issuance date of this report.

There has been no material event noted during this period that would either impact the results reflected in this report or the Plan's results going forward.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
