Independent Auditors' Report

To the Participants and Plan Administrator of
NUWAY Alliance 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of NUWAY Alliance 403(b) Thrift Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NUWAY Alliance 403(b) Thrift Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan

The following description of the NUWAY Alliance 403(b) Thrift Plan (the Plan) provides only general information. Participants should refer to the Plan's summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by NUWAY Alliance (the Organization), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the requirements of Section 403(b) of the Internal Revenue Code (IRC). The Organization is the sponsor and administrator of the Plan. Mutual of America Life Insurance Company is the Custodian. The Custodian manages the investments of the Plan as directed by the participants. In addition, the Custodian provides recordkeeping services for the Plan.

Eligibility

All employees except for those who are non-resident aliens are eligible to participate in the employee deferral contributions to the Plan, subject to adoption agreement criteria.

All employees except for those who are non-resident aliens and highly compensated employees are eligible to participate in the employer contribution portion of the Plan.

Contributions

Each year, participants may elect to defer a percentage of pre-tax annual compensation between 1 percent and 100 percent, up to the maximum allowable under the provisions of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute post-tax contributions (Roth contributions) as well as amounts representing distributions from other qualified benefit plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. During 2021, the Organization made a matching contribution of up to 8.0 percent of the participants' qualified compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, catch-up contributions and allocation of (a) the Organization's contributions and (b) Plan earnings/losses, net of administrative expenses. Income is allocated based on the participant's earnings or selected investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan participants can designate the investment of their accounts in various funds with pre-selected investment objectives, each of which is invested in securities selected and managed by the Custodian and other investment advisors to meet the objectives of each fund. The Plan investment options currently offered are pooled separate accounts which invest in mutual funds and a general account.

Vesting

Participant contributions, rollover contributions and the Organization's employer contributions are immediately vested upon deposit into the Plan. As of December 31, 2021, the Plan has forfeitures of \$9,183 that were used to offset employer contributions funded in 2022. Forfeitures relate to employees who had terminated prior to the current vesting schedule; at the time of their employment, the Plan had a 5-year vesting schedule.

NUWAY Alliance 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2021 and 2020

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement, termination of employment, or obtaining age 59½, as defined in the Plan agreement. The Plan provides for normal retirement at age 65. The participant's account balance is distributed in the form of a lump sum payment (including rollovers), installments or an annuity. Participants experiencing financial hardship may withdraw a portion of this account balance as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to 50 percent of their vested account balance, with a maximum of \$50,000. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as of the date of the note as determined quarterly by the Plan administrator. Note terms range from 5 to 10 years. Principal and interest is paid directly by participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. There were no notes receivable from participants as of December 31, 2021 and 2020.

Plan Loans

Participants may borrow amounts from Mutual of America Life Insurance Company using the assets of the Plan as collateral for the loans. General guidelines are that the minimum loan amount be \$1,000, while the maximum is equal to the lesser of \$50,000 or 45 percent of their vested account balance. The loans do not reduce the balance of participants' accounts unless the loan is in default. The loans bear interest at four percent per annum. Principal and interest are paid directly to Mutual of America.

As of December 31, 2021 and 2020, outstanding Plan loans totaled \$43,307 and \$61,715, respectively. As of December 31, 2021 and 2020, there were no loans in default.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment in General Account

The Plan's general account is an interest accumulation account and is comparable to a cash depository account. The interest rate credited to investments in the general account is a current rate determined by Mutual of America Life Insurance Company. The interest rate is not to be below the guaranteed interest rate and is not dependent upon the length of time the assets are invested. Withdrawals from the general account are not limited or dependent on the liquidation of any underlying assets.

NUWAY Alliance 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2021 and 2020

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the cash basis, which approximates U.S. GAAP. Net appreciation (depreciation) includes the gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

All expenses relating to the purchase and sale of investments, including investment advisory and management fees were paid by the Plan and all other administrative fees are paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through October 12, 2022, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets in active markets that the plan has the ability to access.

NUWAY Alliance 403(b) Thrift Plan

Notes to Financial Statements
December 31, 2021 and 2020

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly, such as

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
General account, interest: accumulation fund	\$ -	\$ -	\$ 694,225	\$ 694,225
Pooled separate accounts	-	6,001,915	-	6,001,915
Total investments at fair value	\$ -	\$ 6,001,915	\$ 694,225	\$ 6,696,140

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
General account, interest: accumulation fund	\$ -	\$ -	\$ 483,024	\$ 483,024
Pooled separate accounts	-	4,353,549	-	4,353,549
Total investments at fair value	\$ -	\$ 4,353,549	\$ 483,024	\$ 4,836,573

The following valuation methodologies and assumptions were used to measure the fair value for each class of financial instruments.

The general account - interest accumulation fund is valued at fair value by crediting the current interest rate to the invested funds. The Plan's investment in this account has no restrictions on the net asset value per share or its equivalent. There are no known or anticipated redemptions, no unfunded commitments and no notice is required to sell the units at any given time. The general account is classified within Level 3 of the valuation hierarchy.

NUWAY Alliance 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2021 and 2020

Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date. There has been no change in the methodologies used at December 31, 2021 and 2020.

The following table sets forth a summary of certain changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2021:

	Level 3 Assets
	Year Ended
	December 31,
	2021
Purchases	\$ 263,836
Issuances	58,687
Transfers in and/or out of Level 3	-

In estimating fair value of the investments in Level 3, the Investment Committee (or equivalent) may use third-party pricing sources or appraisers.

4. Administration of Plan Assets

The Plan's assets are administered under a contract with Mutual of America Life Insurance Company, the Custodian. The Custodian invests funds received from contributions, investment sales, interest and dividend income and makes distribution payments to participants.

5. Related Party and Party-In-Interest Transactions

The Plan invests in pooled separate accounts and a general account managed by the Mutual of America Life Insurance Company. Mutual of America Life Insurance Company acts as the custodian for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

NUWAY Alliance 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2021 and 2020

6. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA.

7. Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The plan administrator believes the Plan is operating in accordance with the applicable requirements of Section 403(b) of the IRC and therefore believes the Plan is qualified and the related custodial accounts are tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

As of December 31, 2021 and 2020, the Plan had investments of \$2,190,812 and \$603,372 that were concentrated in three funds and one fund, respectively.

9. Information Certified by Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA for 2021. Accordingly Mutual of America Life Insurance Company, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2021 and 2020 and the supplementary Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

10. Reconciliation of Financial Statements to Form 5500

The financial statements have been prepared using the accrual method of accounting while the Plan's Form 5500 has been prepared using the modified cash-basis method of accounting. The reconciliation between the financial statements and Form 5500 as of December 31, 2021 and 2020 and for the year ended December 31, 2021 is as follows:

	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 7,220,172
Contributions receivable	<u>(524,032)</u>
Net assets available for benefits per the Form 5500	<u>\$ 6,696,140</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements for the year ended December 31, 2021, to Form 5500.

	<u>2021</u>
Increase in net assets available for benefits per the financial statements	\$ 1,826,107
Change in contributions receivable	<u>33,460</u>
Net income per the Form 5500	<u>\$ 1,859,567</u>
