Independent Auditor's Report

To the Administrative Committee of
Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

I have performed an audit of the financial statements of Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of my report. I am required to be independent of Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a period of twelve (12) months from the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.
In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal
control-related matters that I identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

I was engaged to audit the 2020 financial statements of Contour Mortgtage Corporation 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and I did not perform any auditing procedures with respect to the information certified by a qualified institution. In my report dated October 14, 2021, I indicated that (*a*) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2021 AND 2020,
AND FOR THE YEAR ENDED DECEMBER 31, 2021

A. DESCRIPTION OF PLAN

The following description of the Contour Mortgage Corporation 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Contour Mortgage Corporation (the "Company") who have at least 6 months of service and are age 21 or older, except those employees who are covered by a collective bargaining agreement or who are nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may elect to have a percentage or dollar amount deducted on a pre-tax basis from their compensation, and make catch-up contributions, up to the maximum allowable under the Internal Revenue Code ("IRC"). Participants may elect to suspend their contributions or change their designation as pre-tax based on the terms of the Plan documents as prescribed by the administrator. Participants may also contribute amounts representing distributions from certain other retirement plans or annuities based on the Plan documents. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various equity funds as investment options for participants. Contributions are subject to certain limitations.

The Company does not make matching contributions to the Plan on behalf of qualifying contributing participants. The Company may make discretionary employer profit sharing contributions to the Plan on behalf of qualifying participants. Such contributions are determined each Plan Year and are allocated in the ratio that each qualified participant's compensation for the Plan Year bears to the total compensation of all qualifying participants for the Plan Year. The qualifying participant receiving employer profit sharing contributions must also complete at least 500 hours of service during the Plan Year and be employed on the last day of the Plan Year.

Qualified non-elective contributions may be made at the option of the Company. Additionally, a discretionary non-elective contribution may be made at the option of the Company based on a ratio of the participant's compensation and the Company can designate a portion of such contributions as qualified non-elective contributions. The Company's contributions are invested according to the participant's investment options.

A. DESCRIPTION OF PLAN – (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, matching safe harbor contributions, and qualified non-elective contributions, plus actual earnings thereon. Vesting in the Company's non-elective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or upon normal retirement age. A participant's vesting percentage increases to 100% if, while employed with the Company, the employee dies or becomes disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to 50% of their vested account balance, reduced by any outstanding loans. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined by the administrator. Principal and interest are paid ratable through payroll deductions. In addition, existing loans generally will be considered due and payable at such time as a participant ceases to be an employee.

Payment of Benefits

Benefit payments are paid in a single sum or in minimum required distributions. Participants may withdraw their non-elective contributions after 60 months of participation in the Plan and after reaching age 59 ½. Participants may receive hardship withdrawals from their pre-tax contributions based on the terms of the Plan document. Distribution to beneficiary of a participant who dies before their required beginning date will be made either (1) in full within 5 years of the participant's death, or (2) in installments over the beneficiary's life expectancy, as elected by the participant or the beneficiary.

Forfeited Accounts

There were no forfeited non-vested accounts at December 31, 2021 and 2020. These accounts, if any, will be used to reduce future employer contributions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 17, 2022, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company.

C. INFORMATION PREPARED AND CERTIFIED BY VOYA RETIREMENT INSURANCE AND ANNUITY COMPANY

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate for the calendar year 2021 by Voya Retirement Insurance and Annuity Company:

	2021	2020
Investments, at fair value:		
Pooled separate accounts	$3,462,755	$1,911,956
Guaranteed interest account	29,836	67,237
Investment income:		
Net appreciation in fair value of investments	376,211	
Dividend income	296	

The accompanying supplemental schedule provides details of the investments, at fair value, held at December 31, 2021, which were certified to as complete and accurate by Voya Retirement Insurance and Annuity Company.

D. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices other than those included in Level 1 that are observable either directly or indirectly; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2021 and 2020.

D. FAIR VALUE MEASUREMENTS – (Continued)

Mutual funds: Valued at the quoted market prices of shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These securities are classified as Level 2.

Pooled separate accounts ("PSA"): The Plan holds units of participation in the separate accounts, which are valued daily at their accumulation unit value. Accumulation unit value is determined based on the net asset values of the underlying funds, which are generally quoted in active markets, and the contract's separate account charges. There are no transfer or redemption restrictions, and no unfunded commitments on these investments. The underlying mutual funds include: (i) equity securities invested in small, large and mid-sized companies that seek high total return or long-term capital growth; (ii) common stocks, preferred stocks, fixed-income securities, convertible securities and depositary receipts of foreign companies that seek long-term capital growth; (iii) common stocks and fixed-income securities that seek favorable overall return; (iv) stocks, bonds and money market instruments that seek to achieve a competitive total return; and (v) asset allocation funds which invest in a combination of assets such as stocks, bonds and money market instruments and seek to provide capital appreciation and income consistent with asset allocation. These PSAs are classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at Reporting Date			
	Total	**Level 1**	**Level 2**	**Level 3**
December 21, 2021				
Pooled separate accounts	$3,462,755	$ -	$3,462,755	$ -

Pooled separate accounts	$1,911,956	$ -	$1,911,956	$ -
Guaranteed interest account	67,237	-	67,237	-
Total	$1,979,193	$ -	$1,979,193	$ -

E. GUARANTEED INVESTMENT ACCOUNT

The Plan maintained a guaranteed investment contract investment option, the Voya Fixed account, which is considered to be fully benefit-responsive and, therefore, is reported at contract value during the year ended December 31, 2021. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

F. INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2021 and 2020:

	2021	2020
American Funds Am Balanced R6		$122,849
American Funds New Perspective R6	$211,804	146,209
JPMorgan Lrg Cp Growth Fnd R6	235,209	129,312
Vanguard LifeStrat Growth Fd Inv	187,763	
Voya Target Solution Tr Fd: 2035 Cl8	240,319	176,023
Voya Target Solution Tr Fd: 2040 Cl8	371,011	195,494
Voya Target Solution Tr Fd: 2045 Cl8	522,098	316,056
Voya Target Solution Tr Fd: 2050 Cl8	298,015	125,165

During 2021, the Plan's mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $376,211.

G. RELATED PARTY TRANSACTIONS

PenServ, Inc. and Voya Retirement Insurance and Annuity Company

The Plan, in December 2019, engaged the services of PenServ, Inc. to provide 2020 administrative, consulting and compliance services. In November 2019, the Plan engaged the services of Voya Retirement Insurance and Annuity Company ("VRIAC") as custodian of the Plan's assets.

Fees for PenServ, Inc. and VRIAC administrative services for the year ended December 31, 2021 were paid by the Company.

These party-in-interest transactions are exempt from prohibited transactions of ERISA.

H. PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,	
	2021	2020
Net assets available for benefits per the financial statements, and per Schedule H of Form 5500	$3,650,899	$2,006,916

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2021 to Schedule H of Form 5500:

Benefits paid to participants per the financial statements, and per Schedule H of Form 5500	$22,520

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

J. TAX STATUS

The Plan, and trust established under the Plan, obtained its latest determination letter dated April 10, 2014 in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any tax periods. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

K. COMPLIANCE AND ERISA

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, no auditing procedures with respect to the information certified by Voya Retirement Insurance and Annuity Company, the custodian, were performed by the independent auditor except for comparing the information to the financial statements and supplemental schedule. The custodian has certified as to the completeness and accuracy of the investments held by the Plan as of December 31, 2021 and 2020, the investment earnings and other investment-related transactions of the Plan for the year ended December 31, 2021 and the related information contained in the supplemental schedule of assets (held at end of year).

L. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and increased market volatility related to the COVID-19 pandemic, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the financial statements.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to significant volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on numerous evolving factors that are highly uncertain and cannot be accurately predicted.

Certain financial markets have fallen towards the end of the financial year due primarily to geo-political tensions arising from Russia's invasion of Ukraine and the impact of the subsequent range of sanctions, regulations and other measures which impaired normal trading in Russian securities. Continue to monitor investment performance in line with investment objectives.
