REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator and Participants
SWC Group, LP Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of SWC Group, LP Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Voya Retirement Insurance and Annuity Company as of December 31, 2021 and for the period from December 1, 2021 to December 31, 2021, and American Trust Company for the period from January 1, 2021 to November 30, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 28, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of the SWC Group, LP Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan was originally established and adopted effective September 1, 2003, and amended and restated on January 1, 2019, covering the employees of SWC Group, LP (the “Company” or “Plan Administrator”).

At December 31, 2021 and 2020, the Plan assets were held by Voya Retirement Insurance and Annuity Company (“Voya”) and American Trust Company (“American”), (collectively, the “Custodians”), respectively. In December 2021, the Plan’s assets were transferred from American to Voya which adjusted the Plan’s investment options. The Retirement Plan Administration Committee is responsible for oversight of the Plan.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed into law. The CARES Act contained several provisions that temporarily impacted 401(k) plans, such as the waiver of required minimum distributions, a new hardship withdrawal option, and increased loan limits. The Company has incorporated these provisions into the Plan.

Effective August 1, 2021, the Plan was amended to include Clax Dynamics LLC as a participating employer, resulting in the Plan becoming a multiple employer plan.

Eligibility

All employees of the Company, excluding collectively bargained employees, leased employees, and non-resident alien employees, who have attained twenty-one years of age, work more than thirty hours per week and sixty consecutive days of service are eligible to participate in the Plan beginning on the first day of the following month and are eligible to receive Qualified Automatic Contribution Arrangement (“QACA”) safe harbor contributions.

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Participant accounts

Subject to certain limitations on annual additions, each participant's account is credited with employee elective deferrals, Company matching contributions, profit sharing contributions, and an allocation of Plan earnings or losses and charged with certain administrative expenses. Participants may modify investment elections, transfer existing account balances, and obtain information regarding the investments on a daily basis.

Contributions

The Plan is funded through employee elective deferrals and Company contributions. A participant may elect to contribute up to 100% of his or her pretax or after-tax compensation, subject to certain maximum limitations imposed by the Internal Revenue Code ("IRC") (\$19,500 for 2021). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the Plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$6,500 for 2021). Rollover contributions representing distributions from other qualified defined benefit or defined contribution plans are permitted by the Plan.

The Plan has an automatic enrollment feature. Eligible employees are automatically enrolled into the Plan at a pre-tax rate of 6% upon meeting eligibility requirements, unless otherwise elected by the employee.

The Plan allows for QACA safe harbor contributions required to be made by the Company. For the year ended December 31, 2021, the Company made matching contributions of 100% of employee salary deferrals up to the first 1% of employee's eligible compensation, plus 50% of employee salary deferrals up to 6% of employee's eligible compensation. For the year ended December 31, 2021, the Company made safe harbor contributions of \$186,861.

The Company is authorized to make Qualified Non-Elective Contributions ("QNECs") and Qualified Matching Contributions ("QMACs") all on a discretionary basis. In order to receive QMAC non-matching Company contributions, a participant must have completed 1,000 hours of service during the year and be employed with the Company on the last day of the Plan year. The aforementioned requirements do not apply to QNECs or if the participant died, became disabled, or terminated employment after normal retirement age. The Company made no such contributions for the years ended December 31, 2021 and 2020.

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note I - Description of the Plan – (Continued)

Vesting

Participants are 100% vested in elective deferrals plus actual earnings thereon. Vesting in the Company's discretionary match portion of their accounts is based on years of vesting service, as defined in the Plan. Participants vest 50% per year beginning after two years of qualified service and are 100% vested after three years of qualified services or upon occurrence of the participant's early retirement age (age 59.5), death, or total disability, as defined in the Plan. The Company's QACA safe harbor matching contributions and earnings thereon vest under a two-year vesting arrangement and fully vest after two years. Participants who leave the Company before they are fully vested in the Company's discretionary match contributions forfeit their non-vested portion.

Investment options

The Plan provides for contributions to be invested into mutual funds and a fully benefit-responsive investment contract in accordance with participant investment elections and the provisions of the Custodian agreement. Prior to the transfer discussed in Note I, the Plan provided for contributions to be invested into common collective trust funds. Participants should refer to the Plan website for additional fund information.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in the form of a lump sum, periodic installment, or partial withdrawal, subject to Plan provisions. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution or via period installment payments. Subject to minimum balance requirements, a participant may withdraw part of the balance of his or her salary deferrals from his or her account upon attainment of age 59 ½, subject to Plan provisions. Hardship withdrawals are permitted provided that the participant is able to demonstrate they are experiencing an immediate financial need.

The Plan allowed eligible participants who were impacted by the COVID-19 pandemic to request penalty-free distributions of up to \$100,000 during 2020. The distributions are repayable to the Plan within three years. In addition, the required minimum distributions were waived for the 2020 calendar year and resumed for the 2021 calendar year.

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Forfeitures

Forfeitures of terminated participants' non-vested discretionary and matching contributions may be used to reduce future employer contribution and pay administrative expenses. Forfeitures are allocated in the same manner as discretionary Employer contributions. See Note 3.

Notes receivable from participants

Under provisions of the Plan, participants are allowed to borrow from their plan accounts. The maximum amount that a participant may borrow is the lesser of (i) 50% of their total vested account balance or (ii) \$50,000. The minimum amount of a note is \$1,000. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator, based on the prevailing market interest rates. Repayment terms range from 1 to 5 years from the date of the note, unless for the purchase of a primary residence. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections.

In accordance with the CARES Act, the Plan permitted qualifying participants to delay loan repayments that were due between March 27, 2020 and December 31, 2020.

Note 2 - Summary of Significant Accounting Policies

Administrative expenses

Certain expenses to maintain the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants or fees related to benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies – (Continued)

Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting periods. Actual results could differ from those estimates. See Note 5 for discussion of significant estimates used to measure fair value of investments.

Risks and uncertainties

The Plan and its participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the Financial Statements.

Investment valuation and income recognition

Investments are reported at fair value, except the fully benefit-responsive investment contract. The fully benefit-responsive investment contract is stated at contract value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The income or loss earned on participant accounts is allocated on a daily basis using the previous day's ending account balance. Net appreciation (depreciation) includes the plans gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. An allowance for credit losses is not necessary as the notes are collateralized by the participants' account balance. Delinquent notes from participants are reclassified as distributions based upon provisions of the Plan document.

Distributions of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies – (Continued)

Subsequent events

Management of the Plan evaluated events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the notes to the financial statements. The accompanying financial statements consider events through October 14, 2022, the date which the financial statements were available to be issued.

Note 3 - Nonparticipant-Directed Investments

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	December 31,	
	2021	2020
Net assets:		
Forfeiture account	\$ 42,454	\$ 24,326
	Year ended December 31, 2021	
Changes in net assets:		
Forfeitures relating to current year activities	\$	23,022
Miscellaneous adjustments		(4,969)
Net appreciation of investments		75
	\$	18,128

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements – (Continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed investment contract: Fair value is the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other death, disability, termination or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

Collective trust funds: Valued at the NAV of shares held by the Plan at year end, as determined by the fund managers. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements – (Continued)

Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawals from the Custodians in order to ensure that securities liquidations will be carried out in an orderly business matter. All collective trust funds were liquidated with the change in Custodian discussed in Note 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Company believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,101,980	\$ -	\$ -	\$ 3,101,980

Note 5 - Information Certified to by the Custodians

The following information included in the accompanying Financial Statements and supplemental schedule was obtained from data that has been prepared and certified by the Custodians.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 3,101,980	\$ -
Common collective trust funds	-	2,673,804
Fully benefit-responsive investment contract	2,441	-
Notes receivable from participants	<u>12,399</u>	<u>14,098</u>
	<u>\$ 3,116,820</u>	<u>\$ 2,687,902</u>

The Custodians also prepared and certified approximately \$174,400 of net appreciation of investments, approximately \$89,900 of interest and dividends and approximately \$400 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 7 - Income Tax Status

The Plan obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Services ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements. Therefore, no provision for income taxes has been included in the Plan's Financial Statements.

SWC GROUP, LP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Note 7 - Income Tax Status – (Continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The IRS generally has the ability to examine Plan activity for up to three years.

Note 8 - Party-in-Interest Transactions

Certain Plan investments are managed by the Custodians; therefore, these transactions qualify as party-in-interest transactions. The Plan issues notes receivable to participants, which are secured by the participant's account balances. These transactions also qualify as party-in-interest transactions. Certain Administrative functions of the Plan are performed by an officer or employees of the Company. No such officer or employees receives compensation from the Plan.
