INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Intercos 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Intercos 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Intercos 401(k) Plan's December 31, 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the plan by John Hancock Life Insurance Company of New York, the custodian, that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by John Hancock Life Insurance Company of New York, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from John Hancock Life Insurance Company of New York, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the December 31, 2021 Financial Statements section:

- the amounts and disclosures in the accompanying December 31, 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying December 31, 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the December 31, 2021 Financial Statements section of our report. We are required to be independent of Intercos 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management for the 2021 Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubts about Intercos 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the December 31, 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

(Cont.)

Auditor's Responsibility for the 2021 Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intercos 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intercos 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the December 31, 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Intercos 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by John Hancock Life Insurance Company of New York. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INTERCOS 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF THE PLAN

The following description of the 401(k) Plan (the Plan) of Intercos America, Inc. (the Company) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of the Company as defined by the Plan. The entry date to become eligible to contribute is the first day of each month that immediately follows the day an employee completes 3 months of eligibility service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The benefits under this plan are not insured by the Pension Benefit Guaranty Corporation.

2. Contributions

a. Each employee may contribute through payroll deferral not less than 1% of earnings and not more than 25% of earnings subject to the Internal Revenue Code Rules and Regulations.

b. The employer may in its discretion make a contribution to the Plan that will be allocated to the matching contribution account of each person in an amount equal to a percentage of the participant's elective contributions during the Plan year. The percentage is established by the Company and communicated to the employees. Currently, the Company is contributing to the Plan an amount equal to 50% on the first 6% of the participant's salary subject to the limitations of the Internal Revenue Code Rules and Regulations. The Company reserves the right to suspend the contributions at any time or from time to time, or to discontinue them altogether.

c. The eligible participants who are projected to reach age fifty (50) during a Plan year will be eligible to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit as defined by the Internal Revenue Code Rules and Regulations, or the limit as defined by the plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for the year 2021 was \$6,500 per individual.

DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF THE PLAN (CONT.)

3. Participant Accounts

Each participant's account is credited with his or her contribution and the employer's matching contribution (limitations of contributions are stated above) during the Plan year. Each participant will have full responsibility for the investment results of his or her investment instruction as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account, taking into consideration the participant's vesting in the employer's contribution, as provided in the Plan.

Eligible employees may transfer funds from other qualified plans, with the consent of the administrator, provided that it does not jeopardize the qualified status of the Plan or trust or otherwise create adverse tax consequences for the Company. A separate participant account is credited with the transferred amount and the transfer is 100% vested as defined in the Plan. The transferred amount shall be invested and administered as a part of the trust fund. All significant costs of plan administration are being absorbed by the employer.

4. Vesting

The participant shall be vested in his or her company account as determined under the schedule set forth below and defined in the Plan.

<u>Years of service</u>	<u>Vested percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The participant is considered to have completed 1 year of service for purposes of vesting upon completion of 1,000 hours of service at any time during a plan year.

The participant is always 100% vested in his or her own contribution account. Also, the participant will always be automatically 100% vested in his or her company account upon reaching retirement age (59½), at death or disability, or upon termination of the Plan.

A. DESCRIPTION OF THE PLAN (CONT.)

5. Payment of benefits

All distributions of benefits under this plan shall be made by the company holding the investments in accordance with the terms and conditions set forth in the group contract. Benefits less than \$5,000 can be distributed either by one lump sum payment or direct rollover. Benefits over \$5,000 can be distributed (in addition to one lump sum payment or direct rollover) either in monthly installments or the payments can be deferred until the participant reaches age 70½.

In the event of the death of a participant after distribution of a benefit has begun and prior to distributing the entire interest, the remaining interest shall be distributed in the same method utilized prior to death. If a participant dies before the distribution of his or her interest has begun, the entire interest of the participant shall be distributed within five years of the date of death or in installments over the beneficiary's life expectancy as elected by participant or beneficiary.

6. Loans

A participant can elect to receive a loan from his or her participant account. The combined loan may not exceed the lesser of \$50,000 or one-half of the participant's vested amount. Interest is charged on each loan at interest rates then currently prevalent for secured bank loans. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence which may exceed five years. Loan and interest repayments are deducted ratably from the participant's pay each payroll period. Participants can only have one loan outstanding at any time.

A. DESCRIPTION OF THE PLAN (CONT.)

7. Forfeited accounts

Forfeited credits as defined in the Plan will be applied first to pay Plan expenses for the Plan year. Any remaining balance of forfeited credits will be applied to reduce the employer's contribution at the end of the Plan year. During the year December 31, 2021 and 2020, the Company used \$19,862 of forfeitures for the annual true-up employer match contribution. Forfeited credits of \$37,736 and \$20,271 at December 31, 2021, respectively, were included in the statement of net assets available for benefits. Forfeited credits, if excluded, would result in the total net assets available for benefits being \$10,859,135 and \$9,159,316 at December 31, 2021 and 2020, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Date of management's review

Subsequent events were evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

INTERCOS 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Basis of accounting

These financial statements are prepared on the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of the America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payments of benefits

Benefits are recorded when paid. However, \$2,814,089 of allocated balances as of December 31, 2021 for terminated participants was not paid because the participants did not request the withdrawal of their balances.

INTERCOS 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The investment contracts with the insurance company are not actively traded and significant other observable inputs are not available. The fair value of investment contracts with the insurance company for pooled separate accounts (PSAs) is determined using the share prices or net asset value (NAV) of underlying mutual funds. These unregistered PSAs are divided into investment divisions called sub-accounts (SAs). Each SA invests in shares of an underlying mutual fund specified by the Plan. Shares of the underlying funds held by the SAs are traded daily based on the participant net purchase and sales transactions processed. NAVs are adjusted by fund companies when dividends are declared. Each fund includes the current and previous day's NAV and the change from the previous day NAV. SAs receive dividends from underlying funds in the form of additional shares of the fund rather than cash. When a dividend is declared, the system automatically calculates the number of shares resulting from the dividend and increases the number of shares of the fund owned by the SA. Once the market value of the SA is calculated, the system calculates the market value of each class in the SA by taking each class's pro-rata share of the previous day's market value in the SA and multiplying it by the current day's market value of the SA. To determine the unit value of each class, the market value of each class is reduced by the applicable fees (annual maintenance charge and sales and service fee) and then divided by the number of units in that class.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

F. TAX STATUS

The Internal Revenue Service has informed the Company by a letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

G. RELATED - PARTY TRANSACTIONS

Certain Plan investments are managed by the custodian of the Plan and, therefore, these transactions are party-in-interest transactions and qualify for the statutory exemption.

The Company pays for most of the expenses incurred in the administration of the Plan.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INTERCOS 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

I. CARES ACT AND COVID-19

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted in 2020 in reaction to the worldwide public health crisis that was triggered by an outbreak of a novel strain of coronavirus ("COVID-19"). Portions of the CARES Act made changes to existing law. The CARES Act expanded and permitted penalty-free distributions and distribution options, and enacted favorable tax treatment for up to \$100,000 of coronavirus-related distributions from eligible retirement plans (including section 401(k) plans) to qualified individuals, while implementing special rollover rules with respect to such distributions. It increased the limit on the amount a qualified individual may borrow from an eligible retirement plan and permitted a plan sponsor to allow qualified individuals up to an additional year to repay their plan loans. Plan Management implemented the provisions of the CARES Act in 2020.

The penalty exemptions offered by the CARES Act ended on December 31, 2020. The continuation of the effects of COVID-19 could result in significant disruption of global financial markets, however, the ultimate impact of COVID-19 on the financial performance of the Plan's investments cannot be reasonably estimated at this time.
