Independent Auditors' Report

Board of Trustees
I.A.T.S.E. Local No. 6 Profit Sharing Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of I.A.T.S.E. Local No. 6 Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) and Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the 2021 Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

I.A.T.S.E. Local No. 6 Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. Plan Description

The following description of I.A.T.S.E. Local No. 6 Profit Sharing Plan (the "Plan") provides only general information. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a multiemployer defined contribution profit sharing plan pursuant to a collective bargaining agreement ("CBA") between the participating employers (the "Employers") and the St. Louis Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the United States and Canada, AFL-CIO, CLC ("I.A.T.S.E.") Local No. 6 (the "Union") to provide eligible members an opportunity to increase security at retirement through Employer contributions during periods of active employment while the Plan remains in effect. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration and oversight of the Plan is the responsibility of the Board of Trustees (the "Trustees"). The Trustees determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Each person who is an employee of a participating Employer may become a participant on the effective date, or such later date, as may be specified in the CBA, which shall be no later than the date on which an employee first attains age twenty-one and is credited with one year of service.

Contributions

Contributions to the Plan are made by Employers based upon the terms of the CBA with the Union. The Employer contribution rates, as a percentage of the eligible employees' compensation, was between 15 percent and 28 percent for the year ended December 31, 2021, and between 15 percent and 15.5 percent for the year ended December 31, 2020. Participant elective salary deferral contributions are not allowed under the Plan.

Participant Accounts

Each participant's account is credited with the Employers' contributions, made on their behalf, and credited directly to their account each month. The accounts are allocated the Plan's earnings and are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their Employer contributions.

Notes to Financial Statements
December 31, 2021 and 2020**

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant or beneficiary will receive a lump sum amount equal to the value of his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. The Plan also allows participants to withdraw their account balance in the case of financial hardship, as defined by the plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurements

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

**I.A.T.S.E. Local No. 6 Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020**

Employer Contributions Receivable

Employer contributions receivable represents Employer contributions due to the Plan as of December 31, 2021 and 2020 based on hours worked prior to the end of the year, but not received by year end. Employer contributions receivables are carried at reported amounts less an estimate for doubtful accounts based on a review of outstanding amounts. Plan management determines the allowance for doubtful accounts by regularly evaluating individual Employer contributions receivables and considers the Employer's financial condition, payment history, and current economic conditions. Employer contributions receivables are written off when deemed uncollectible. Management is of the opinion that no allowance is necessary as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan permits the payment of Plan expenses from Plan assets. If the Union does not pay these expenses from its own assets, then the expenses paid using Plan assets will generally be allocated among the accounts of all participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. The method of allocating the expenses depends on the nature of the expense. Expenses paid by the Union are excluded from these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022 the date the financial statements were available to be issued.

Reclassifications

Certain amounts in the 2020 financial statements have been reclassified to conform to the current year presentation.

3. Information Certified by the Custodian

Certain information related to investments at fair value disclosed in the accompanying financial statements and supplementary information, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to Plan management and certified as complete and accurate by Matrix Trust Company, the custodian of the Plan.

4. Concentrations of Significant Investments

The Plan's investment in the Invesco Stable Value Trust II Fund accounted for 21% and 23% of the Plan's total investments at December 31, 2021 and 2020, respectively.

I.A.T.S.E. Local No. 6 Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

The Plan's investment in the American Funds Conservative Growth and Income Fund accounted for 15% and 14% of the Plan's total investments at December 31, 2021 and 2020, respectively.

The Plan's investment in the Mainstay S&P 500 Index Investors Fund accounted for 11% of the Plan's total investments for both years ended December 31, 2021 and 2020.

The Plan's investment in the American Funds Growth Fund of America accounted for 10% and 11% of the Plan's total investments at December 31, 2021 and 2020, respectively.

The Plan's investment in Invesco Global Fund Class A accounted for 10% of the Plan's total investments at December 31, 2021.

5. Fair Value Measurements

The framework for measuring fair value establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets.
Level 2	Inputs to the valuation methodology to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The instruments' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

I.A.T.S.E. Local No. 6 Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Following is a description of the valuation methodologies used for instruments measured at fair value.

Level 1 investments consist of cash interest-bearing and registered investment companies (mutual funds). Cash interest-bearing is valued at cost which approximates fair value. Mutual funds are recorded at the closing price reported by the fund. These are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments also include a common collective trust fund. The common collective trust is valued at the NAV of shares of the bank collective trust held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the trust. These securities are valued at the NAV based on the observable underlying investments. The NAV is used as the practical expedient to estimate fair value.

The following table sets forth, within the fair value hierarchy, the Plan's investments at fair value as of December 31, as follows:

	2021			
	Total	Fair Value Measurements		
		Level 1	Level 2	Level 3
Cash interest-bearing	\$ 5,971	\$ 5,971	\$ -	\$ -
Mutual funds	15,917,818	15,917,818	-	-
Total assets in fair value hierarchy	15,923,789	<u>\$ 15,923,789</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	4,129,484			
Total Investments	<u>\$ 20,053,273</u>			

	2020			
	Total	Fair Value Measurements		
		Level 1	Level 2	Level 3
Cash interest-bearing	\$ 1,273	\$ 1,273	\$ -	\$ -
Mutual funds	14,512,735	14,512,735	-	-
Total assets in fair value hierarchy	14,514,008	<u>\$ 14,514,008</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	4,214,510			
Total Investments	<u>\$ 18,728,518</u>			

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

I.A.T.S.E. Local No. 6 Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Investments measured at fair value based on NAV per share practical expedient as of December 31, are as follows:

<u>2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common Collective Trust	\$ 4,129,484	N/A	Daily	10 days
<u>2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common Collective Trust	\$ 4,214,510	N/A	Daily	10 days

6. Related Party and Party-in-Interest Transactions

Fees incurred by the Plan for certain investment management services are included in net appreciation in fair value of investments as they are paid through revenue sharing rather than a direct payment. Other investment advisory fees are recorded as a reduction of investment income. The Plan made direct payments to the recordkeeper for the years ended December 31, 2021 and 2020, in the amount of \$29,950 and \$36,560, respectively, which was not covered by revenue sharing. The Union may pay other fees related to the Plan's operations not reflected in these financial statements.

The Plan is related, through common membership, to IATSE Local 6 Health and Welfare Fund ("Welfare"), I.A.T.S.E. Local 6 Training Fund ("Training"), and the Union. The Plan is a common collection entity for Employer contributions. Under this arrangement, the Plan collects all contributions from Employers and allocates and remits them to the respective entity.

Due to related parties' balances at December 31, are as follows:

	<u>2021</u>	<u>2020</u>
Amount Due to Welfare	\$ 60,414	\$ -
Amount Due to Training	191	-
Amount Due to the Union	<u>8,827</u>	<u>1,682</u>
Total Due to Related Parties	<u>\$ 69,432</u>	<u>\$ 1,682</u>

Notes to Financial Statements
December 31, 2021 and 2020

7. Plan Amendments

Effective January 1, 2020, the Plan has been amended to be in compliance with the CARES Act. The Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was enacted in March 2020 in response to the coronavirus outbreak, which among other things contains numerous tax, funding and other provisions that affect certain retirement plan provisions. In April 2020, the Plan authorized coronavirus-related distributions as allowed by the CARES Act. The Plan is currently evaluating (or continues to evaluate) the impact of the CARES Act on its Plan provisions, operations, and cash flows.

The summary plan description of the Plan was amended and restated as of September 1, 2020.

8. Plan Termination

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the net assets of the Plan will be distributed to the participants based upon their respective account balances. Participant accounts would be proportionately adjusted for any gains and losses and final expenses before distribution. Plan benefits are not insured by the Pension Benefit Guaranty Corporation.

9. Tax Status of the Plan

The Internal Revenue Service has determined and informed the Trustees by a letter dated January 12, 2016, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Trustees believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

In accordance with GAAP, the Plan's management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan's management believes the Plan is no longer subject to income tax examinations for years prior to 2018. The Plan is also subject to routine audits by the Department of Labor, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

10. Risks and Uncertainties

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
