REPORT OF INDEPENDENT AUDITORS

To the Retirement Plan Committee of the
Methodist Health System 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Methodist Health System 403(b) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

METHODIST HEALTH SYSTEM 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

A. Description of the Plan

General

The following is a summary description of the Methodist Health System 403(b) Plan (the “Plan”), formerly Methodist Hospitals of Dallas 403(b) Annuity Plan. Participants should refer to the Plan document for a detailed explanation of the Plan. The Plan was established by Methodist Hospitals of Dallas d/b/a Methodist Health System (“MHS” or the “Plan Administrator”) to make available to the eligible employees of MHS the opportunity to make mandatory and voluntary contributions toward the purchase of tax-sheltered annuity contracts under an arrangement allowed under Section 403(b) of the Internal Revenue Code (the “Code”). The Plan is administered and investments are managed by the Retirement Plan Committee.

Contributions

Each eligible employee is automatically enrolled in the Plan to make mandatory contributions in an amount equal to 2.5% of their base pay, unless the employee affirmatively and irrevocably elects not to make any mandatory contributions prior to the last day of the employee’s initial eligibility waiting period. During the years ended December 31, 2021 and 2020, employees making mandatory contributions to the Plan are entitled to have MHS match contributions made on their behalf at rates ranging from 3% to 6.25% of base pay, respectfully, dependent on their cumulative hours of service, to the Methodist Health System Employee Retirement Plan (the “Retirement Plan”). Mandatory contributions, if any, will continue for all periods during which the participant is an eligible employee for purposes of receiving MHS match contributions under the terms of the Retirement Plan.

The Plan also allows for a Roth elective deferral feature.

Employees who become eligible to participate in the Plan on or after January 1, 2012, are automatically enrolled in the Plan to make voluntary contributions, Pre-tax or after-tax, in an amount equal to 1% of base pay, subject to limitations on such contributions under section 403(b) of the Code, unless the employee affirmatively elects to make a lesser percentage or not to make any voluntary contribution.

The Plan also provides an automatic annual increase program whereby each participant whose voluntary contribution rate is more than 0% but less than 5% will automatically have such rate increased by 1% each year until such rate equals 5%. Effective January 1, 2020, the Plan was amended to increase the automatic annual increase rate from a maximum of 5% to a maximum of 8%.

METHODIST HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Contributions – continued

Employees making voluntary contributions to the Plan are entitled to have MHS voluntary match contributions made on their behalf at a rate of 100% of the employee's voluntary contribution up to 1% of base pay to the Retirement Plan. Participants may contribute voluntary contributions immediately upon hire. However, the participant must wait the initial eligibility waiting period before the participant can receive voluntary matching contributions under the Retirement Plan.

MHS match and voluntary match contributions are assets of the Retirement Plan and as such are not included in the accompanying Statements of Net Assets Available for Benefits or the Statements of Changes in Net Assets Available for Benefits.

Participants can make rollover contributions to the Plan from another qualified retirement plan or individual retirement arrangement. Employee contributions are deposited into their accounts each pay period. Participants direct investment of their mandatory, voluntary, and rollover accounts among the investment accounts under the custodial fund. Participants are at all times 100% vested in amounts credited to their mandatory, voluntary, and rollover accounts under the Plan.

Participant Loans

Participants can receive loans from their voluntary or rollover accounts. Loans are available for any purpose but cannot exceed the lesser of \$50,000 or 50% of the participants' vested interest in their voluntary and rollover accounts. Loans are treated as a segregated investment of the participants' voluntary and rollover accounts. Loans are secured by assignment of up to 50% of the participants' vested interest in their mandatory, voluntary, and rollover accounts and bear interest at a reasonable rate as defined under section 408(b)(1) of the Employee Retirement Income Security Act ("ERISA"). Principal and interest is paid in bi-weekly or monthly installments over a period generally not exceeding five years. Loans in default are treated as deemed distributions for the year of default. As of December 31, 2021 and 2020, interest rates ranged from 4.25% to 6.50%. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Certain in-service withdrawals are allowed. Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are generally distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

METHODIST HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Benefit Payments – continued

Participants may request a distribution of amounts in their voluntary or rollover accounts on the basis of hardship as defined in the Plan document, if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payment for burial or funeral expenses for the participant's spouse, parent, children or dependent; (6) expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under Code section 165; or (7) any other event described by the Internal Revenue Service ("IRS") to be a heavy and financial need.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the participants are accrued as they become obligations of MHS, as determined by the Plan Administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

METHODIST HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Investment Valuation and Income

The investments of the Plan are stated at fair value (except for the fully-benefit responsive investment contract) as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Fully Benefit-Responsive Investment Contracts

The Plan holds a fully benefit-responsive investment contract with Principal Life Insurance Company ("Principal"). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments net of administrative expenses and charged for participant withdrawals.

The Plan's investments also include a group annuity contract with Great-West Life & Annuity Insurance Company which provides a guarantee of principal and a guaranteed interest rate. The Plan ceased making contributions to this investment in 1988.

The minimum crediting rate to participants will be no less than 1.00% and is determined by the issuer on an annual basis. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are primarily paid by the Plan. Employees of the Company perform certain administrative functions with no compensation from the Plan.

METHODIST HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of investments. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are measured using the estimated net asset values ("NAV") of the shares held by the Plan at year end based on published prices and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2021 and 2020. The Plan has no investments classified within Level 2 or Level 3 of the valuation hierarchy.

2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 606,966,279	\$ -	\$ -	\$ 606,966,279

METHODIST HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy. For the years ended December 31, 2021 and 2020, there were no significant transfers between levels.

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians.

E. Tax Status

The Plan is maintained and administered in accordance with Section 403(b) of the Code; therefore, contributions and earnings from investment of Plan assets are not taxable to the participants until distributed. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

METHODIST HEALTH SYSTEM 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS (*continued*)

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds and guaranteed investment contracts managed by Fidelity Management Trust Company, Great-West Life & Annuity Life Insurance Company and Great-West Life Trust Company, LLC, which act as custodians for only those investments as defined by the Plan. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA which are exempt from the prohibited transaction rules.

I. Subsequent Events

Effective January 1, 2022, the plan was amended and restated to (i) sunset enrollment for newly hired or newly eligible Employees in the mandatory contribution feature for payroll periods beginning on and after December 19, 2021, (ii) implement a new automatic enrollment procedure for voluntary contributions with a three percent (3%) enrollment percentage for employees who first become eligible to participate in the Plan or are hired on and after December 19, 2021, (iii) discontinue mandatory contributions for existing participants beginning with the March 27, 2022 payroll period, (iv) provide for the automatic conversion of existing mandatory contribution elections to voluntary contribution elections for the payroll period beginning March 27, 2022, (v) Increase the maximum automatic increase percent for voluntary contributions from eight percent (8%) to ten percent (10%), and (vi) remove the provision in the Plan excluding employees of Richardson Physician Alliance or North Texas Health Facilities Management who transfer to MHS on or after March 27, 2022, from participating in the Plan. The provisions of this amended and restated Plan document will apply to each Participant whose employment is severed on or after December 19, 2021. If a Participant's employment is severed prior to December 19, 2021, his eligibility for benefits will be determined under the Plan as it existed on the date of his severance of employment; provided, however, that any provisions of this Plan required to be applied to such Participant by applicable law, will so apply.

METHODIST HEALTH SYSTEM 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

I. Subsequent Events – continued

In preparing the accompanying financial statements, management of MHS has evaluated all subsequent events and transactions for potential recognition or disclosure through October 17, 2022, the date the financial statements were available for issuance.
