INDEPENDENT AUDITORS' REPORT

To the Plan Administrator

Ulmer & Berne LLP Retirement/401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ulmer & Berne LLP Retirement/401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section of our report. We are required to be independent of Ulmer & Berne LLP Retirement/401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ulmer & Berne LLP Retirement/401(k) Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ulmer & Berne LLP Retirement/401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ulmer & Berne LLP Retirement/401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Ulmer & Berne LLP Retirement/401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ULMER & BERNE LLP RETIREMENT/401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Ulmer & Berne LLP Retirement/401(k) Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan, covering all eligible employees of Ulmer & Berne LLP (the Firm), who have attained age 21 and meet certain years of service requirements. Eligible employees include all employees, except for leased employees, and further exclude associate lawyers, Counsel, and law clerks until the earlier of January 1 following completion of six full years of service or cessation of employment in the excluded class. Plan participation commences the first day of the month following such eligibility. Eligible employees, once meeting the employment and age requirements described above, are able to make deferrals into the Plan following three months of consecutive service in which at least 250 hours of service were earned. Participants become eligible for the Firm's non-elective contributions and matching contributions after one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

CONTRIBUTIONS

Each year, eligible participants may elect to have up to 100% of their compensation contributed to the Plan through payroll reductions on a pre-tax basis or after-tax basis, as defined by the Plan. The Firm will match 50% of each dollar the participant contributes on the first 2.5% of pay that the participant defers to the Plan. The Firm can also make discretionary profit-sharing contributions. To qualify for matching and discretionary profit-sharing contributions, generally, the participant must have completed a year of service and be employed on the last day of the year. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC). Total employer contributions, including matching and discretionary profit-sharing contributions, were \$6,988,697 and \$3,470,737 for the years ended December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with his or her payroll reduction contributions, the Firm matching contributions, allocations of discretionary profit-sharing contributions and investment earnings, and charged with an allocation of administrative expenses. The Firm's discretionary profit-sharing contributions generally are allocated to eligible participant accounts based on a formula specified in the Plan which is integrated with Social Security, provided that there is an additional overriding formula specified for participating partners. Administrative expenses are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$297 and \$41,639, respectively. In 2021 and 2020, forfeitures used to offset the employer's matching and discretionary contributions were \$41,572 and \$16,350, respectively.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching contributions and discretionary profit-sharing contributions and earnings thereon is based on years of service according to the following schedule:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

ADMINISTRATIVE EXPENSES

Administrative and other Plan expenses are paid by the Plan, or by the Firm, at the option of the Firm. Expenses paid by the Firm are excluded from these financial statements.

PAYMENT OF BENEFITS

If the participant has terminated employment with the Firm before attaining fifty-five (55) years of age and if the participant's non-forfeitable accrued benefit (excluding, with respect to Plan years beginning after December 31, 2001, amounts attributable to rollover contributions) exceeds \$1,000, the participant may elect to receive a lump-sum payout (including a rollover distribution) as soon as administratively practicable after such benefit amount can be ascertained in accordance with the Plan document, or the participant may elect to delay receipt of such accrued benefit (as the same is adjusted from time to time to reflect future valuations) until either (i) such future time as the participant attains their normal retirement age, at which time it would be distributed in a lump-sum, or (ii) the participant subsequently elects, within sixty (60) days after receipt of their year-end valuation statement for such Plan year or any succeeding Plan year, to receive such payout or to direct such rollover. If the participant has terminated employment with the Firm after attaining fifty-five (55) years of age, he or she may elect to delay commencement of benefits until a future date, which may not be later than the date as of which benefits must commence pursuant to the Plan document, and may elect to receive payment in a lump-sum or over one of the following periods (or a combination thereof):

- The life of the participant and a designated beneficiary
- A period certain not extending beyond the life expectancy of the participant; and
- A period certain not extending beyond the joint life and last survivor expectancy of the participant and a designated beneficiary

If the participant's accrued benefit is to be distributed in other than a lump-sum, then the amount to be distributed each year must be at least an amount equal to the quotient obtained by dividing the participant's accrued benefit by the life expectancy of the participant or the joint and last survivor expectancy of the participant and designated beneficiary. For this purpose, life expectancy and joint and last survivor expectancy are computed by use of the return multiples contained in U.S. Treasury Regulation Section 1.72-9. For purposes of this computation, a participant's life expectancy may be calculated no more frequently than annually; however, the life expectancy of a designated beneficiary who is not the participant's spouse may not be recalculated. Further, if the participant's spouse is not the designated beneficiary, the method of distribution selected must assure that at least 50 percent of the present value of the amount available for distribution is paid within the life expectancy of the participant.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

As an additional alternative or supplement to the foregoing distribution methods and so long as such participant is receiving at least the minimum annual distributions required under the Plan after attainment of the participant's required beginning date, the participant may elect at any time with reasonable advance notice to the Plan administrator and trustee, to receive periodic and/or non-periodic payments, and to vary the amount of such periodic payments to be received, from the participant's account(s) as the participant may specify, provided such requests are reasonable and administratively practicable.

If the participant has not terminated employment with the Firm, in-service withdrawals of employer contributions are allowed in certain situations specified by the Plan.

In December 2019, the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. The CARES Act was designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The following CARES Act provisions were adopted by the Plan on April 6, 2020. The CARES Act suspended required minimum distribution provisions for the year ended December 31, 2020 and allowed qualified participants impacted by the COVID-19 pandemic to withdraw up to \$100,000 of their vested account balance without being subject to the 10% early withdrawal penalty from January 1, 2020 to December 31, 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes following the distribution. In addition, the required minimum distribution requirement was waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020.

As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the Plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow 50% of their vested account balance, a minimum of \$500 up to a maximum of \$50,000. Notes receivable terms range from one to five years or up to 20 years for the purchase of a primary residence. Notes receivable are secured by 50% of the participant's vested account balance and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions. The notes receivable are secured by the balance in the participant's vested account and bear interest at the prevailing interest rate at time of issuance.

Interest income of \$31,280 and \$33,580 for the years ended December 31, 2021 and 2020, respectively, has been included in other income in the accompanying statements of changes in net assets available for benefits – modified cash basis.

The CARES Act allowed participants to borrow up to \$100,000, or 100% of their vested account balance between the period of March 27, 2020 and September 27, 2020. The first payment date on a new loan was deferred up to one year. Participants with outstanding loans (meaning loans taken before the CARES Act was enacted) for which a payment was due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest continued to accrue on these deferred payments. The term of the loan was extended by the length of the deferment period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis: investment income and contributions are recognized when received and disbursements are recognized when paid.

Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. generally accepted accounting principles (GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

ULMER & BERNE LLP RETIREMENT/401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by its investment advisor. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on the investments purchased and sold, as well as held, during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. In management's opinion, no allowance for credit losses was recorded as of December 31, 2021 and 2020.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 17, 2022, the date these financial statements were available to be issued. There were no events that required recognition or disclosure in these financial statements.

ULMER & BERNE LLP RETIREMENT/401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies - Investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the plan year. The NAV is a quoted price on an active market.

Common/collective trusts - Valued at the NAV of units of a bank collective trust. The NAV, as provided by Charles Schwab Trust Bank, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trusts, the investment advisor reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Total
Registered investment companies	\$ 153,553,889	\$ 153,553,889
Investments Measured at NAV ^(a)		
Common/collective trusts		<u>59,741,839</u>
Total Assets at Fair Value		<u>\$ 213,295,728</u>

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Total
Registered investment companies	\$ 127,903,358	\$ 127,903,358
Investments Measured at NAV ^(a)		
Common/collective trusts		<u>52,222,068</u>
Total Assets at Fair Value		<u>\$ 180,125,426</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits – modified cash bases.

The following table sets forth investments measured at fair value based on NAV per share practical expedient as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/collective trusts	\$59,741,839	N/A	Daily	Daily

The following table sets forth investments measured at fair value based on NAV per share practical expedient as of December 31, 2020:

MELLON STABLE VALUE FUND

Participants may elect to invest in the Mellon Stable Value Fund. The objective of this fund is to generate income while maintaining stability of invested principal. This fund pursues its objective by investing primarily in a diversified portfolio of fixed-income instruments which may include various types of guaranteed investment contracts, repurchase agreements, US treasury and agency securities, high quality debt securities including mortgage-backed, commercial mortgage-backed, asset-backed and corporate securities held by the fund within contracts intended to minimize market volatility, and cash and cash equivalents, including certificates of deposit and money market instruments. This fund may also invest in affiliated and unaffiliated bank collective funds and money market funds.

NOTE 5 – LIFE INSURANCE PREMIUMS

Participants may elect to purchase a life insurance policy using a portion of their 401(k) subject to certain maximum limitations. These life insurance policies are allocated funding arrangements. The cash surrender value at both December 31, 2021 and 2020 of \$12,505 and \$15,304, respectively, is not included in the Plan's assets.

NOTE 6 – TAX STATUS

The Plan is qualified under applicable provisions of the IRC and is not subject to federal and state income taxes. The Plan adopted the Eighth Restatement of the Ulmer & Berne LLP Retirement/401(k) Plan that received a favorable determination letter from the Internal Revenue Service dated June 27, 2017, which stated that the Plan, as then designed, was acceptable under section 401 of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of common/collective trusts managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank was the Plan's trustee for the years ended December 31, 2021 and 2020, and therefore these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants, who are also considered to be parties-in-interest.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.
