Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Unified Business Technologies Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule as identified in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements
December 31, 2021 and 2020

1) DESCRIPTION OF THE PLAN

The following description of the Unified Business Technologies Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description and the Plan Document for a complete description of the Plan's provisions.

General

The Plan was established on June 1, 2008 as a Defined Contribution 401(k) Profit Sharing Plan. The Sponsor amended and adopted its new plan document on July 7, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Plan is administered by Unified Business Technologies Inc. (the Company). Principal Life Insurance Company is the custodian and record-keeper of the Plan. The custodian invests funds received from contributions, investment sales, interest, and dividend income and makes distributions payment to the applicable participants.

Plan Merger

On December 31, 2021, the Addon Services, LLC 401(K) profit sharing Plan merged into the Plan and the Plan was amended to include eligible employees of the Addon Services, LLC 401(K) Plan. Accordingly, all assets of the Plan in the amount of \$793,120 were to be transferred into the Plan. The actual transfer took place in 2022, hence the whole amount is shown as a receivable.

Eligibility

For the purpose of elective deferrals and employer contributions, all employees of the Company are eligible to participate on the first day of the month on or after they reach age 21. Additionally, any employee who receives prevailing wages under the Davis-Bacon Act or similar law will become a participant as of that date he or she receives such wages.

Contributions

Each year, participants may elect to contribute a portion of their compensation not to exceed limits established by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions from other qualified plans are also permitted at the discretion of the Plan administrator. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain limitations.

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

1) DESCRIPTION OF THE PLAN (Continued)

Contributions

The plan also provides for employer matching and discretionary contributions. Beginning January 1, 2015, the employer made a contribution equal to a percentage of the eligible employees' prevailing wages under the Davis-Bacon Act or similar law which is the hourly contribution rate designated for employment classification for the project at which that work was performed. Also, effective October 2018, all employees enrolled in the 401(k) plan received a 401(k) match equal to 50% of the employee contributions, up to the first 6%. The total employer contribution for the prevailing wage rate employees and for the Employer match was \$ 61,678 and \$ 211,356 for December 31, 2021 out of which \$ 11,442 was funded through forfeiture. The prevailing wage and employer match contributions were \$14,693 and \$110,465 for December 31, 2020, respectively out of which \$ 4,625 was funded through forfeiture.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon. The following vesting schedule is followed for Employer matching contributions:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 years of service or more	100%

Notwithstanding the foregoing, a Participant shall at all times be 100% vested in that portion of his Employer Profit Sharing Contribution Account attributable to Prevailing Wage contributions as described above.

Distributions

Distributions under the Plan are made in cash for the vested portion of the participant's account. Election of distribution form is limited by specific provisions of the Plan which depend upon the dollar value of the participant's account and a reason for distribution, termination, retirement, death, or disability. The Plan also allows for in-service withdrawals including hardship withdrawals, after age 59 ½ withdrawals and minimum required distribution after age 70 ½.

Hardship Withdrawals

Under certain conditions, as specified in the Plan Document, participants, while still employed by the Plan Sponsor, are permitted to withdraw a portion of their elective contributions account balance.

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

1) DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Participants may elect to invest in any combination of the investment funds offered by the Plan and may change their elective deferral percentages as they want. Each participant's account is credited with the participant's contributions, employer contributions, and allocations of the Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the vested value of the participant's account.

Notes Receivables from Participants

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances reduced by any outstanding loan balance. Loan terms range from 1-5 years. The loans are secured by the balance in the participant's account. The outstanding loan balance for the years ended December 31, 2021, and 2020 amounted to \$67,154 and \$59,635, respectively.

CARES Act

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic, several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan had opted into the following provisions of the CARES Act:

- Hardship distributions - Qualified Plan participants were permitted to take a coronavirus-related distribution of up to \$100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions were permitted to be taken up until December 31, 2020. Distributions could have been repaid within three years or a participant may have elected these distributions to be included in taxable income on a pro rata basis over three years.
- Participant loans - Participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.
- Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

2) SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

2) SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

The notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant or beneficiary suffers a deemed distribution within the meaning of Code Section 72(p), they will be deemed to have suffered a financial hardship and can request certain types of distributions as specified in the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the Plan's valuation policies utilizing the information provided by the investment advisers, custodians and insurance company. See Note 4 for more details on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the participant accounts are charged directly to the participants account and are included in administrative expenses.

Benefit Payments

Benefits are recorded when paid out of the Plan.

Forfeitures

Forfeitures are first used to pay off plan expenses and then to use for Employer contributions for the participants. The plan used \$2,263 for administrative expenses and \$11,442 for Employer contributions out of the forfeiture balance during the year 2021. During 2020, the Plan used \$1,706 for administrative expenses and \$4,625 for employer contributions out of forfeiture balance. The balance of forfeiture account was \$0 as of December 31, 2021 and 2020.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding corrective contribution deduction. The excess contributions payable was \$0 for the years ended December 31, 2021 and 2020.

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

3) CERTIFIED INVESTMENTS

Certain information related to investments in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company, the custodian of the Plan.

4) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Input other than quoted prices included within Level 1 that are observable for the assets or liability, either directly or indirectly such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is the description of the valuation methodologies used for assets measured at fair value:

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

4) FAIR VALUE MEASUREMENTS (Continued)

Guaranteed Interest Accounts: Principal's Guaranteed Interest Accounts are not traded on an open market and public prices are not available. Hence, fair value is determined based on unobservable inputs that reflect the Plan's own assumptions about how the market would price the asset, based on the best information available in the circumstances.

Collective Investment Trust: Common Collective Trust (CIT) are valued at the NAV which is not a publicly quoted price in an active market but is available to current investors via the Employer website, or when plan participants access their account values. The NAV is the basis for current transactions and the CITs can be redeemed at NAV as of the measurement date. Therefore, CITs are believed to have a "readily determinable value".

Pooled Separate Accounts: Pooled Separate Accounts (PSA) are valued at Net Asset Value (NAV) which is the basis for current transactions and the PSAs can be redeemed at NAV as of the measurement date. Therefore, the PSAs are believed to have "readily determinable value".

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets Measured at Fair Value at December 31, 2021				
Investments (at Fair Value)	Level 1	Level 2	Level 3	
Pooled Separate Accounts	\$ 1,033,287	\$ -	\$ -

4) FAIR VALUE MEASUREMENTS (Continued)

Level 3 Gains and Losses

The table below sets forth a summary of changes in the contract value of the Plan's level 3 assets for the year ended December 31, 2021 and 2020:

	Year Ended December 31, 2021 Guaranteed Interest
Balance at December 31, 2020	\$ 457
Sales and Other Settlements	(457)
Balance at December 31, 2021	\$ -

	Year Ended December 31, 2020 Guaranteed Interest
Balance at December 31, 2019	\$ 5,301

Sales and Other Settlements	(4,846)
Balance at December 31, 2020	\$ 457

Quantitative Information about Significant Unobservable Inputs Used in Level 3 contract value Measurements

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to manage the value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs for the year ended December 31, 2021 and 2020 are follows:

December 31, 2021				
Type	Fair Value	Valuation Technique	Significant Unobservable Inputs	Rate or Range of Rates
Guaranteed Interest	\$ -	Market Value Adjustment	Composite Guaranteed Rate	0.76% to 2.10%

December 31, 2020

Notes to Financial Statements (Continued)

4) FAIR VALUE MEASUREMENTS (Continued)

Investment In Guaranteed Interest Account

The Plan entered into a guaranteed interest account that provides a guaranteed interest rate for a specified period of time, as determined or allowed by the Plan. The rate credited is the rate in effect on the day when each deposit is directed into the account. To simplify reporting, all rates credited during the 12-month deposit year are averaged into a single composite rate. Reports, expenses and guarantee periods are based on deposit years, which is chosen by the Plan Sponsor, and is often the same as plan year.

The guaranteed interest accounts promise contract value for a benefit event (termination, death, disability and retirement), however, there is a possible surrender charge when funds are withdrawn prior to their maturity. Thus, the guaranteed interest accounts are considered non-benefit responsive. If the contract holder terminates the contract before a guaranteed interest account matures or transfer funds to other investment managers beyond the limits of the contract, the insurance company will apply early withdrawal charge too these account balances.

5) ERISA BOND REQUIREMENTS

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or \$500,000. At December 31, 2021 and 2020, the Plan's sponsor maintained the required bond coverage.

6) TAX STATUS

The Plan uses a prototype plan utilized by Mandmarblestone, PC which is in possession of an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, which states the prototype plan satisfies the applicable provisions of Internal Revenue Code (IRC). The Plan itself is not required to and has not received a determination letter from IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations prior to 2018.

UNIFIED BUSINESS TECHNOLOGIES INC. 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contribution.

8) RISKS AND UNCERTAINTIES

The Plan provides for various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9) TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments and administrative expenses are represented by investment contracts and mutual funds managed by Principal Life Insurance Company and Principal Global Investors Trusts Co. The custodian is the carrier as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Company for custodian services amounted to \$45,021 and \$30,851 for 2021 and 2020 respectively. These transactions and the fees paid to the Custodian are exempt from the prohibited transaction rules.
