INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator of the
True Temper Sports, Inc. Retirement Savings Plan- Union Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of True Temper Sports, Inc. Retirement Savings Plan – Union Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of True Temper Sports, Inc. Retirement Savings Plan – Union Employee's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of True Temper Sports, Inc. Retirement Savings Plan – Union Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about True Temper Sports, Inc. Retirement Savings Plan – Union Employee's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of True Temper Sports, Inc. Retirement Savings Plan – Union Employee's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about True Temper Sports, Inc. Retirement Savings Plan – Union Employee's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of True Temper Sports, Inc. Retirement Savings Plan – Union Employees. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT SAVINGS PLAN – UNION EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the True Temper Sports, Inc. Retirement Savings Plan – Union Employees (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of True Temper Sports, Inc. (the Company) except employees who are not part of a collective bargaining agreement and nonresident aliens. The Plan was established on May 2, 2016. Each new eligible employee of the Company in the United States is eligible to participate after three months of service. The Plan includes an automatic enrollment provision for all new participants.

The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In March 2020, pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), the Plan made temporary changes to allow COVID-19 distributions up to \$100,000, as well as loan distributions up to the lesser of \$100,000 or 100% of a participant's vested balance for qualifying COVID related reason. Such provisions ended January 1, 2021.

Contributions

Participants contribute to the Plan by electing to defer a percentage of their current compensation, in whole percentages, up to a maximum of 16%, subject to regulatory limitations. For participants hired prior to January 1, 2016, the Company matches amounts contributed by the participants to the Plan at a rate of 50%, limited to 6% of the participant's annual compensation. For participants hired after January 1, 2016, the Company matches amounts contributed by the participants to the Plan at a rate of 100%, limited to 3% of the participant's annual compensation. For participants hired after January 1, 2016, the Company also makes a nonelective contribution to Plan participants. For participants under age 40, 3% of compensation is contributed. For participants age 40 to 49, 4% of compensation is contributed. For participants who are over age 50 and above, 5% of compensation is contributed.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on a participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The underlying investments in each participant's account are directed at their discretion.

Vesting

Each participant is immediately 100% vested in their own employee contributions and the matching amounts contributed to the Plan in the employer contribution account. Scheduled vesting in the employer nonelective contribution account is 20% for each year of service with 100% vesting in the employer nonelective contribution account at the completion of five years of service. A participant is credited with one year of service each Plan year if the participant works at least 1,000 hours.

Notes Receivable from Participants

Participants may borrow from their individual fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The \$50,000 maximum loan amount is reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. The loans are secured by the balance in the participant's account and bear interest rates ranging from 4.25% to 6.50%, which are commensurate with prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service by death, permanent disability, or retirement, the participant or the participant's beneficiary may elect to receive their vested account balance in one lump-sum cash distribution or installments over a period not exceeding the life expectancy of the participant or beneficiary. Normal retirement age is 55. Withdrawals by a participant while employed are limited to those requested due to events of financial hardship as defined by the plan document, withdrawals of qualified voluntary after-tax contributions, or upon attainment of 59 ½.

Death and Disability Benefits

Upon death or total and permanent disability prior to termination or retirement, the participant account becomes 100 percent vested, regardless of service years. The participant (or beneficiary) receives a single lump-sum distribution of 100 percent of the account balance, unless the participant (or beneficiary) elects a partial withdrawal.

Forfeited Accounts

Forfeited, non-vested accounts may be used to reduce certain administrative expenses of the Plan or to reduce future employer matching and nonelective contributions. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3,097 and \$11,500, respectively. For the year ended December 31, 2021, forfeitures used to reduce administrative expenses totaled \$29,282.

Administrative Expenses

Certain expenses of maintaining the plan are paid by the Plan sponsor and are excluded from the financial statements. Recordkeeping and other administrative fees are charged to participant accounts and are separately disclosed in the accompanying financial statements. Investment related expenses are included in net appreciation of fair value of investments. Additional fees are charged to participants based on their use of certain plan features.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared under the accrual method of accounting.

The Plan's investments are stated at fair market value, as defined by generally accepted accounting principles. See Note 3 for disclosure of fair value measurements.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of investment income, realized gains or losses, and the unrealized appreciation (depreciation) on investments.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Benefits are recorded when paid.

Date of Management's Review

The Plan sponsor evaluated its December 31, 2021 financial statements for subsequent events through October 17, 2022, the date the financial statements were available to be issued. Other than the subsequent event in Note 12, the Plan sponsor is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">▪ Quoted prices for similar assets or liabilities in active markets;▪ Quoted prices for identical or similar assets or liabilities in inactive markets;▪ Inputs other than quoted prices that are observable for the asset or liability |

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed actively traded.

Collective trust funds: Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,531,461	\$ -	\$ -	\$ 8,531,461
Investments Measured at NAV				
Collective trust funds	-	-	-	921,339
Total	<u>\$ 8,531,461</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,452,800</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,802,960	\$ -	\$ -	\$ 7,802,960
Investments Measured at NAV				
Collective trust funds	-	-	-	502,431
Total	<u>\$ 7,802,960</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,305,391</u>

The following table summarizes investments measured at fair value based on the net asset value (“NAV”) as of December 31, 2021 and 2020, respectively:

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Fund				
Capital Preservation Fund	\$ 921,339	N/A	Daily	None
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Fund				
Capital Preservation Fund	\$ 502,431	N/A	Daily	None

For redemption from the Capital Preservation Fund, participants may redeem units of the Fund daily for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer for the employee’s interest in the plan to another investment election that is a noncompeting investment, or paying trustee fees. Participants may make withdrawals from the Fund for other purposes generally only upon 12 months’ advance written notice to the trustee.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amount reported in the statements of net assets available for benefits.

NOTE 5 – PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and Plan assets will be used solely to provide benefits for participants.

NOTE 6 – TAX STATUS

The IRS issued an opinion letter dated March 31, 2014 stating that the SunTrust Bank prototype defined contribution plan and trust document, which the Plan adopted, was designed in accordance with applicable IRC requirements. The Plan has not requested a determination letter of its own. However, the plan administrator and the plan’s tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan has not generated any taxable income and no federal or state income tax returns have been filed. Federal and state taxing authorities could request an examination of the financial records of the Plan to ascertain if any such taxable income exists but no such examination has occurred or is pending.

NOTE 7 – RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

During the plan year, certain plan investments were managed by Truist (formerly SunTrust Bank). Truist is the custodian as defined by the plan and therefore, these transactions qualify as parties-in-interest transactions. In addition, certain plan expenses paid directly by the plan sponsor also qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction provision of ERISA and the Internal Revenue Code.

NOTE 8 – INFORMATION PROVIDED BY THE CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. The assets of the Plan are held by the custodian. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020
- Investment activity, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021
- The Schedule of Assets (Held at End of Year) as of December 31, 2021
- Notes receivable from participants as of December 31, 2021 and 2020

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

NOTE 9 – RECONCILIATION OF FEDERAL FORM 5500

The following is a reconciliation of net assets available for benefit per the financial statements at December 31, 2021, and 2020 to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 9,580,784	\$ 8,460,675
Add: Deemed loan distributions	56,884	-
Rounding	(1)	1
Less: Employer contributions receivable	(12,698)	(2,918)
Participant contributions receivable	(20,055)	(5,415)
Net assets available for benefits per the Form 5500	<u>\$ 9,604,914</u>	<u>\$ 8,452,343</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the year ended December 31, 2021 to the Form 5500:

Net change in net assets available for benefits per the financial statements	\$ 1,267,050
Add: Prior year contributions receivable	8,333
Less: Deemed loan distributions	(8,624)
Current year contributions receivable	<u>32,753</u>
Net change in net assets available for benefits per the Form 5500	<u>\$ 1,299,512</u>

The above differences are due to the accrual items for financial statement presentation.

NOTE 11 – TRANSFERS FROM PLAN

Transfers from another plan represent conversions of participant accounts to the True Temper Sports, Inc. Retirement Savings Plan due to change in status from promotion to salaried employees. These conversions total \$146,941.

NOTE 12 – SUBSEQUENT EVENT

As a result of current market conditions, the fair value of Plan investments has declined by approximately \$1.87 million as of October 17, 2022.
