## Independent Auditor's Report

ESOP Committee and Plan Administrator  
First Financial Bank 401(k) Profit Sharing and  
Employee Stock Ownership Savings Plan  
El Dorado, Arkansas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of First Financial Bank 401(k) Profit Sharing and Employee Stock Ownership Savings Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

## **Notes to Financial Statements December 31, 2021 and 2020**

### **Note 1: Description of the Plan**

#### ***General***

The following description of First Financial Bank 401(k) Profit Sharing and Employee Stock Ownership Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by First Financial Bank (the Bank) for the benefit of substantially all employees who are age 21 or older. Employees are eligible to contribute through salary deferrals upon reaching age 21 and having one hour of service. These contributions will begin on the first day of the month following the month in which eligibility is obtained and are made throughout the year. Employees must complete one year of service, defined as 1,000 hours, and be actively employed on the last day of the plan year in order to share in the Bank's discretionary contributions. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Chris Hegi, Melissa Jerry and William Kerst, Jr. are trustees of the Plan. Matrix Trust Company and First Financial Bank serve as plan administrator and custodians.

#### ***Contributions***

Each year, the Bank may make a discretionary profit-sharing and employee stock ownership plan (ESOP) cash contribution in an amount determined by the Bank's board of directors. Additional amounts also may be contributed at the discretion of the board of directors. Participants may contribute a percentage of their annual wages to the Plan. Employee rollover contributions also are permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Contributions are subject to certain limitations.

#### ***Participant Investment Account Options***

For the 401(k) portion of the Plan, investment account options available include various mutual funds. Each participant has the option of directing his or her contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Employer profit-sharing and ESOP contributions to the Plan are invested at the discretion of the trustees.

## **Notes to Financial Statements December 31, 2021 and 2020**

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Bank's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Bank's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of continuous service. The nonvested balance is forfeited upon termination of service.

### ***Put Option***

Under federal income tax regulations, the Bank stock that is held by the Plan and its participants and is not readily tradable on an established market or is subject to trading limitations includes a put option. The put option is a right to demand that the Bank buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current appraised value of the stock. The Bank can pay for the purchase with interest over a period of seven years. The purpose of the put option is to ensure the participant has the ability to ultimately obtain cash.

### ***Payment of Benefits***

Upon termination of service, an employee whose vested account balance is less than \$1,000 will receive a lump-sum payment in the amount of his or her vested balance. If a terminated employee's vested account balance is between \$1,000 and \$5,000, the Bank may roll over the account into an IRA, as determined by the plan administrator. An employee whose vested balance exceeds \$5,000 may elect to receive either a lump-sum amount or installments equal to the value of his or her account. The annual installment is only available to those who terminate due to retirement, disability or death and only applies to the ESOP Stock account. The ESOP stock must be paid out within five years from retirement and can be paid in five annual installments of 20% each year. The Bank may elect to extend installment distributions an additional two years for participants who have a vested account balance above \$1,150,000.

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

The Plan limits the requirement to pay cash lump sum distributions of Bank Stock balances that exceed \$300,000 if such a distribution would jeopardize the cash flow needs of the Plan or plan sponsor.

Under the provisions of the Plan, the Bank is obligated to repurchase participant shares upon request for distribution of the participant's account. The repurchased shares are reallocated to the remaining ESOP participants.

### ***Voting Rights***

Voting rights for private company employer stock pertain to certain matters, such as merger, liquidation, recapitalization, dissolution, or sale of a major portion of the Bank's assets. Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the trustees prior to the time that such rights are to be exercised. If the trustees do not timely receive voting directions from a participant or beneficiary, the trustees shall vote such shares. The trustees are required, however, to vote any unallocated shares on behalf of the collective best interest of plan participants and beneficiaries.

### ***Diversification***

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Bank common stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the company stock shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a cash distribution or transfer of funds to another qualified defined contribution plan.

### ***Forfeited Accounts***

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$20,469 and \$20,675, respectively. Forfeitures can be used to pay administrative expenses or are allocated among active participants based upon compensation. Administrative expenses were reduced by \$16,491 and \$22,395 from forfeited nonvested accounts during the years ended December 31, 2021 and 2020, respectively.

## **Notes to Financial Statements December 31, 2021 and 2020**

### ***Notes Receivable from Participants***

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan is \$1,000. The maximum amount of a participant loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance (excluding account balances attributed to employer securities and employer discretionary profit sharing contributions). All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings, unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the plan administrator.

## **Note 2: Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The common shares of the Bank are valued at estimated fair value on June 30, 2021 and 2020 and December 31, 2021 and 2020, as determined by independent appraisals. The June 30 valuation is used to record transactions during the current plan year. The money market and mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## Notes to Financial Statements December 31, 2021 and 2020

### Note 8: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

### *Recurring Measurements*

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

|                                   |                      | Fair Value Measurements Using |             |                      |

# **First Financial Bank 401(k) Profit Sharing and Employee Stock Ownership Savings Plan**

## **Notes to Financial Statements December 31, 2021 and 2020**

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such instruments pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2021 and 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported fair value is described below.

### ***Investments***

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. See the table below for inputs and valuation techniques used for Level 3 securities.

### ***Level 3 Activity***

There was no activity or transfer into and out of Level 3 related to First Financial Bank common stock during the years ended December 31, 2021 and 2020.

## Notes to Financial Statements December 31, 2021 and 2020

### **Unobservable (Level 3) Inputs**

The following tables present quantitative information about unobservable inputs used in recurring Level 3 fair value measurements at December 31, 2021 and 2020:

|                                   | <b>Fair Value at<br/>12/31/2021</b> | <b>Valuation<br/>Technique</b>                                   | <b>Unobservable Inputs</b>                                               |
|-----------------------------------|-------------------------------------|------------------------------------------------------------------|--------------------------------------------------------------------------|
| First Financial Bank common stock | \$ 17,845,788                       | Capitalized cash flow method and guideline public company method | Discount for lack of marketability, public comparables, revenue multiple |
|                                   | <b>Fair Value at<br/>12/31/2020</b> | <b>Valuation<br/>Technique</b>                                   | <b>Unobservable Inputs</b>                                               |
| First Financial Bank common stock | \$ 16,512,482                       | Capitalized cash flow method and guideline public company method | Discount for lack of marketability, public comparables, revenue multiple |

### **Uncertainty of Fair Value Measurements**

The following is a description of the sensitivity of significant unobservable inputs, the interrelationships between those inputs and other unobservable inputs used in recurring fair value measurement and how those inputs might magnify or mitigate the effect of changes in the unobservable inputs on the fair value measurement.

#### **First Financial Bank Common Stock**

The significant unobservable inputs used in the valuation of First Financial Bank common stock are the discount for lack of marketability, selection of public company comparables and resulting range of multiples, and selected revenue multiple. Isolated significant increases (decreases) in the discount for lack of marketability would result in a significantly lower (higher) fair value measurement while significant increases (decreases) in any of the other inputs in isolation would result in a significantly higher (lower) fair value measurement.

## Notes to Financial Statements December 31, 2021 and 2020

### Note 9: Plan Termination

Although it has not expressed an intention to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

### Note 10: Tax Status

The IRS has determined and informed the Plan by a letter dated October 23, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.
