INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Advanced Group of Companies Employee Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Advanced Group of Companies Employee Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ADVANCED GROUP OF COMPANIES EMPLOYEE SAVINGS AND RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Advanced Group of Companies (the “Company” or “Employer”) Employee Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a Section 401(k) defined contribution plan. All temporary employees must complete one year of service as defined in the Plan, while staff and consultant employees must complete one month of service as defined in the Plan. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Wells Fargo Bank, N.A (“Wells Fargo”) and Principal Trust Company (“Principal”) (collectively, the “Trustees”) were the trustees of the Plan for the period from January 1, 2020 to May 31, 2021 and June 1, 2021 to December 31, 2021, respectively.

Contributions and Vesting. Each year, participants may contribute up to the maximum percentage allowable under the Internal Revenue Code (“IRC”) of pretax annual compensation, as well as the maximum percentage allowable under the IRC of post-tax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain statutory limitations.

Upon meeting eligibility requirements, new staff and consultant employees are automatically enrolled in the Plan with a deferral of 3% of pretax annual compensation. The deferral election increases annually by 1% with a maximum automatic deferral of 10%. Temporary employees must elect participation into the Plan.

For participants who have been in the Plan for one year, the Company will make Employer matching contributions of 33.33% of a participant’s total contributions up to 6% of gross compensation, as defined by the Plan. Participants are vested in their own contributions, but they must complete two years of service before they become fully vested in Employer matching contributions.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferrals, any Employer contributions, and the participant’s earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balance as described in the Plan document. Any Employer matching contributions are allocated to participants’ accounts based on participants’ eligible compensation. Employer contributions to the Plan are invested among investment funds in the same proportion as the participant’s contributions.

Investment Options. The Plan has a group annuity contract with Wells Fargo. Upon enrollment in the Plan, a participant may direct both participant and Employer contributions, in any percent increment, to any of the available account investment options. Participants may change their investments at any time.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant’s account and bear interest at rates commensurate with local prevailing rates as defined in the Plan. Participants may not have more than one outstanding loan at any time. Loan terms shall not exceed five years unless used to purchase a primary residence.

Forfeited Accounts. Forfeited non-vested discretionary contribution account balances may be utilized to pay Plan expenses and reduce the Employer contributions to the Plan. There were \$2,008 and \$149,641 of forfeited non-vested account balances at December 31, 2021 and 2020, respectively. There were \$147,625 and \$30,014 of forfeitures used to reduce Employer contributions and administrative expenses, respectively for the year ended December 31, 2021.

THE ADVANCED GROUP OF COMPANIES EMPLOYEE SAVINGS AND RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Payments of Benefits. Upon termination of service due to death, disability or retirement, a participant may elect to receive their vested account balance in either a lump-sum amount or annual installments. Upon termination of service due to other reasons, a participant may only receive the value of interest in their account as a lump-sum payment. Additionally, participants may take a distribution of their vested benefit in the case of a hardship withdrawal, as defined in the Plan.

Party-In-Interest Transaction. Administrative and investment expenses are charges against the Plan's investment income. Various administrative, legal, and account services are performed by Company personnel on behalf of the Plan for which no charges are made to the Plan, and the Company's management has no plans to obtain reimbursement of these expenses from the Plan. Certain Plan investments are units in insurance company pooled accounts managed by the Trustees; therefore, these transactions qualify as party-in-interest transactions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator ("Plan Administrator") to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Economic Conditions. In March 2020, government agencies announced warnings related to the Coronavirus ("COVID-19"). Any potential decline in economic activity in the U.S. and other regions of the world as a result of the virus may have an adverse impact on the Plan's assets.

Concentration of Credit Risk. Substantially all the Plan's assets are held by Principal. Principal is a qualified institution pursuant to ERISA.

Recent Accounting Pronouncements. In June 2016, Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to revise the criteria for the measurement, recognition, and reporting of credit losses on financial instruments to be recognized when expected. This update is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. Management is currently evaluating this standard.

THE ADVANCED GROUP OF COMPANIES EMPLOYEE SAVINGS AND RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Administrator has obtained certification from the Trustees that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income (loss) and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2021, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB *Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2.** Inputs to the valuation methodology include the following:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3.** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds. Valued at the quoted market prices.

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Common Collective Trusts (“CCT”). Accounts that invest exclusively in CCT that invest in underlying insurance contracts are valued at the net asset value (“NAV”) of the underlying insurance contracts. The NAV is used as a practical expedient to estimate fair value. Those accounts directly investing in fixed maturity securities are measured based on the pricing date provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021					
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total
Mutual funds	\$ 56,586,034	\$ -	\$ -	\$ -	\$ 56,586,034
Common collective trusts	-	-	-	2,340,570	2,340,570
Total investment assets at fair value	\$ 56,586,034	\$ -	\$ -	\$ 2,340,570	\$ 58,926,604
Assets at Fair Value as of December 31, 2020					
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total
Mutual funds	\$ 46,427,618	\$ -	\$ -	\$ -	\$ 46,427,618

Total investment assets at fair value	\$ 46,427,618	\$ -	\$ -	\$ 2,298,183	\$ 48,725,801

Fair Value of Investments in Entities that Use NAV. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts	\$ 2,340,570	N/A	Daily	12 Months
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts	\$ 2,298,183	N/A	Daily	12 Months

See Independent Auditor’s Report.

THE ADVANCED GROUP OF COMPANIES EMPLOYEE SAVINGS AND RETIREMENT PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 5 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the value of the investments and the accounts of all participants and beneficiaries will be determined as of the effective date of the termination and distributed as provided in the Plan agreement in accordance with ERISA provisions.

NOTE 6 – TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. The Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

Compliance testing of the Plan for the year ended December 31, 2021 has not been completed as of the date of this report. The results of the non-compliance testing and its effects on the Plan are uncertain and are not estimable until the testing has been completed.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides investing in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2021 through October 13, 2022, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
