Fulgent Therapeutics LLC 401(k) Profit Sharing Plan & Trust
Temple City, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Fulgent Therapeutics LLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Fulgent Therapeutics LLC 401(k) Profit Sharing Plan & Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, as restated, is a defined contribution plan covering substantially all employees of Fulgent Therapeutics LLC (the Employer or Company), except for nonresident aliens, union employees, part-time employees and temporary employees, who have attained age 21 and have completed one month of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute up to the maximum amount allowed under the Internal Revenue Code (IRC). Participant whose employment commencement is on or after June 9, 2021 will be subject to automatic deferral provision of 3% of compensation. Participants may also contribute amounts representing rollover distributions from other qualified plans. The maximum employee deferral permitted by the Internal Revenue Service (IRS) for the year ended December 31, 2021 was \$19,500. Catch-up contributions of \$6,500 were available to participants who had attained age 50 or older by December 31, 2021 and had not exceeded Internal Revenue Code (IRC) pretax dollar contribution limits for the Plan year.

The Company matches 100% of the elective deferral percentage up to 3%. The total Company matching contributions for the year ended December 31, 2021 amounted to \$713,774.

The Company may make discretionary profit sharing contributions to the Plan, which are allocated to participants who have completed at least 500 hours of service during the Plan year or are employed on the last day of the Plan year. The profit sharing contributions are to be allocated to the qualifying participants in the ratio that each qualifying participant's compensation for the Plan year bears to the total compensation of all qualifying participants for the Plan year. The Company did not make any discretionary profit sharing contribution to the Plan for the year ended December 31, 2021.

Participant Accounts: Each participant's account is credited or charged with the participant's contributions and allocations of (a) the Company's contribution, (b) the Plan earnings (losses), and (c) administrative expenses. Allocations of the Plan earnings (losses) for investments are based on participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their deferral and Company's matching contributions plus actual earnings thereon. Vesting in Company's discretionary contributions is based on years of continuous service:

Year of Service	Percentage
1 year	50%
2 years	100%

Notwithstanding the above, if a participant dies or incurs a total and permanent disability, the Company discretionary profit sharing contributions amount become 100% vested without regard to years of service.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of participants' total vested account balance. The notes receivable are secured by the vested balances in the participants' accounts and bear interest at prime rate (3.25% at December 31, 2021) plus 1%. Principal and interest are paid ratably through payroll deductions or participants' own personal funds over a repayment period of 54 months, unless the loan is used to purchase the participants' primary residence.

Investment Options: Participants may direct the investments of their compensation deferrals and Company matching and discretionary profit sharing contributions in various investment funds offered and held by Wilmington Trust, N.A beginning in May 2021. Prior to May 2021, participants may direct the investments of their contributions in investment funds offered and held by Mid Atlantic Trust Company.

Benefit Payments: Upon termination of service, death, disability or retirement, a participant or beneficiary is entitled to receive distributions of a participant's account in (a) a lump-sum payment, (b) substantially equal installments, or (c) partial withdrawals. However, if the value of the vested account balance does not exceed \$5,000, the Company will automatically distribute the vested account balance to the participant in a single lump-sum payment, or as a direct rollover to a traditional IRA without his or her consent. If the vested account balance is \$1,000 or less, the Company will pay the amount directly to the participant, without his or her consent. In-service distributions of participants' vested account balance are allowed when the participant attains age 59-1/2 or experiences financial hardship as defined by the IRC.

Forfeitures: Forfeited unvested Company contributions may be used to reduce future Company contributions or administrative expenses. There was no forfeiture available for future use as of December 31, 2021.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires the Plan Administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fully Benefit-Responsive Investments: Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute, for that portion of the net assets attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

FULGENT THERAPEUTICS LLC 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in the Voya Fixed Account, which meets the definition of fully-benefit responsive investment contracts and are valued at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Realized and unrealized appreciation is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time the assets were purchased or exchanged during the Plan year.

Notes Receivable from Participants: Notes receivable from participants are reported at their outstanding principal balances, plus any accrued but unpaid interest.

Benefit Payments: Benefits are recorded as expenses when paid.

Administrative Expenses: The Company incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan. Administrative expenses charged to the Plan consist of transaction charges associated with benefit payments and loan processing fees.

NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, notes receivable from participants, and the schedule of assets held at end of year have been derived from information certified as complete and accurate by Wilmington Trust, N.A., the current trustee of the Plan, and Mid Atlantic Trust Company, the former custodian of the Plan through April 2021, in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FULGENT THERAPEUTICS LLC 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 4. FULLY BENEFITRESPONSIVE INVESTMENT CONTRACT

The Plan participates in an unallocated traditional investment contract with Voya by investing in the Voya Fixed Account (the Fund). As discussed in Note 2, the Voya Fixed Account is fully benefit responsive, therefore, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fund. The Fund is included in the Statements of Net Assets Available for Benefits at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against the Fund value for credit risk of the Fund issuer or otherwise.

The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The credited interest rate is based on a formula agreed upon with the issuer, however, not to be less than 1%. Such interest rates are reviewed at least annually for resetting. The Plan's ability to receive amounts due in accordance with fully benefitresponsive investment contracts is dependent on the third party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) bankruptcy of the plan sponsor or other plan events that cause a significant withdrawal from the Plan (3) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event is probable.

There are no events that would allow the issuer to terminate the contract and settle at an amount different from contract value. In the event that the Plan terminates its contract with Voya, the Plan has the option of (a) liquidating Plan assets by making benefit payments under any form of payment available or (b) transferring all Plan assets to other funding vehicles.

NOTE 5. TAX EXEMPT STATUS

The Plan has adopted a non-standardized profit sharing plan that has received a favorable opinion letter dated June 30, 2020 from the IRS, which stated that the form of the prototype plan adopted by the Company is acceptable under IRC Section 401. The Plan Sponsor believes that the Plan is currently designed and operating in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2021, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

December 31, 2021 and 2020

NOTE 5. TAX EXEMPT STATUS (Continued)

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. As of December 31, 2021, the Plan's annual tax filings for the prior three years are open for audit by the IRS.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

The Plan investments include shares of funds managed by Mid Atlantic Trust Company, the former custodian of the Plan, and Wilmington Trust, N.A., the current trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions as defined by Section 3(14) of ERISA.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. FAIR VALUE MEASUREMENTS

In accordance with accounting principles generally accepted in the United States of America, the Plan establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in active markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 9. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the years ended December 31, 2021 and 2020.

Mutual funds are measured at fair value using quoted market prices which represent the net asset value of shares held by the Plan at year end.

The valuation method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurements Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Net assets available for benefits per Form 5500	<u>\$ 8,158,767</u>	<u>\$ 4,655,561</u>

The following is a reconciliation of changes in net assets available for benefits as reported on the financial statements and Form 5500 for the year ended December 31, 2021:

Changes in net assets available for benefits per financial statements	\$ 3,543,048
Less: current year Participant contributions receivable	(124,092)
Less: current year Employer contributions receivable	(44,235)
Add: prior year Participant contributions receivable	98,927
Add: prior year Employer contributions receivable	<u>29,558</u>
Changes in net assets available for benefits per Form 5500	<u>\$ 3,503,206</u>

NOTE 11. PROHIBITED TRANSACTIONS

During the year ended December 31, 2021, the Plan Sponsor inadvertently failed to deposit \$253,516, of participant contributions and loan repayments within the timeframe as stated by the United States DOL regulations.

During 2021, the Plan Sponsor had corrected \$97,645 of late contribution remittances by using the Plan Sponsor's assets. The Plan Sponsor is in the process of self-correcting the remaining late contributions in the amount of \$155,871. The Company will file Forms 5330 with the IRS and pay excise taxes on the prohibited transactions that resulted from these late contributions using the Plan Sponsor's assets.

NOTE 12. IMPACT OF CORONAVIRUS PANDEMIC

In March 2020, the outbreak of the coronavirus (COVID-19) resulted in a global disruption that has caused economic uncertainty and volatility in financial markets. Plan Management is closely monitoring the impact of COVID-19 on all aspects of the Plan. At this time, Plan Management cannot reasonably estimate the ultimate impact the COVID-19 will have on the Plan's financial condition and net assets.

In connection with COVID-19, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law on March 27, 2020. During the year ended December 31, 2020, the Plan Sponsor elected to operate the Plan to allow the optional provisions of the CARES Act immediately upon enactment. The Plan Sponsor has until the last day of the Plan year beginning on or after January 1, 2025 to formally amend the Plan to retroactively include the provisions of the CARES Act.

NOTE 13. SUBSEQUENT EVENT

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued, and has determined that no events or transactions, except as noted below, require recognition or disclosure in these financial statements.

On January 1, 2022, Cytometry Specialist Inc., a Fulgent Therapeutics LLC's wholly owned subsidiary, merged its 401K plan into the Plan. As a result, the Plan assets increased by approximately \$14,000,000.

In addition, the Plan was amended effective January 1, 2022, whereby vesting in the Company's nonelective contributions was changed from graded vesting to immediate vesting upon entry into the Plan.
