---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

Plan Administrator
The Village Care Tax Deferred Annuity Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of The Village Care Tax Deferred Annuity Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 Financial Statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by qualified institutions.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

In our report dated September 30, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

Note 1: Description of Plan

General

The following description of The Village Care Tax Deferred Annuity Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan, which became effective May 1, 1982, is a contributory defined-contribution plan (403(b) plan). It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Transamerica Financial Life Insurance Company, Inc. (TFLIC), State Street Bank and Trust Company (State Street), Charles Schwab Trust Bank, The Prudential Insurance Company of America (Prudential), Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF), and Reliance Trust Company, serve as the plan custodians. Effective January 1, 2021, the Plan changed its record keeper to Reliance Trust Company. In 2020, the Plan was amended to allow participant to make ROTH IRA contributions.

The Plan's sponsor is Village Care of New York (Sponsor) in addition to the following controlled group of employers provides retirement benefits to all eligible employees:

- Village Center for Care
- Village Center for Care Fund dba VillageCare Foundation
- Village Housing Development Fund Corporation
- Village Senior Services, Corp dba VillageCareMAX

The Plan also includes participant account for individuals who had been employees of the following entities that had been members of the controlled group but are no longer members:

- Rivington House Health Care Facility (inactive)
- Village Diagnostic and Treatment Center (inactive)
- Multi-tasking Systems of New York (inactive)

Employees of the above entities can no longer contribute to the Plan.

Contributions

A participant may make an election to defer their compensation and have it contributed to the Plan. At the end of each plan year, the employers intend to contribute from 5% to 12% of an employee's compensation, based on their job class, up to the maximum IRS compensation limit.

All employees become eligible to make elective salary deferrals into the Plan on their first day of employment. All nonunion employees become eligible for nonelective employer contributions after a year of employment. At that date, all employees who work more than 20 hours a week are eligible.

December 31, 2021 and 2020

Upon enrollment in the Plan, a participant may direct contributions in a variety of investment options offered by the Plan. The Plan accepts rollovers and transfers from other qualified plans, but only for those employees eligible to participate in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch up contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, plan earnings and the Sponsor's contribution, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change allocation daily.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise. Effective January 1, 2014, the automatic deferral feature is 3% of eligible compensation.

Vesting

The total value of a participant's account balance is fully and immediately vested. This includes both the employee and employer contributions.

Notes Receivable from Participants

Participants may obtain loans from the Plan, subject to various requirements set forth in the Plan, with a minimum loan of \$1,000. Interest is fixed for the term of the loan. Participants are permitted only one outstanding loan at a time. Loan payments are made through payroll deductions over the term of the loan. The loans are secured by the balances in the participants' accounts and earn interest at rates that range from 3.25% to 9.25%. The Plan has determined that no allowance for uncollectible notes is necessary as of December 31, 2021 and 2020.

In 2020, the Plan adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020, and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period. The Plan's requirement to obtain spousal consent on any withdrawal or loan made during CARES Act period was suspended but was reinstated in 2021.

Payment of Benefits

A participant's vested account is payable upon termination, attainment of age 59 1/2, retirement, disability, or death. The participant, or designated beneficiary upon the participant's death, may choose to receive a lump-sum payment or installment payments.

In 2020, the Plan implemented the CARES Act provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investments in the TFLIC and Prudential guaranteed investment contracts, TIAA fixed-dollar annuity contract and The Prudential Retirement Insurance and Annuity Company (PRIAC) Principal Preservation Separate Account are recorded at contract value. Contract value represents contributions made under the contract, plus a minimum rate of interest earned, at a rate determined by the contract issuer, less withdrawals, and transfers to other accounts. These accounts do not have any liquidity restrictions and are fully benefit-responsive (see *Note 5* for a further discussion of these fully benefit-responsive investment contracts).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Village Care Tax Deferred Annuity Plan

Notes to Financial Statements

December 31, 2021 and 2020

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividend income is accrued on the ex-dividend date. The income or loss of each investment option, including the change in market value of investments, is allocated to participant accounts based on each participant's proportionate interest in the investment option. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Sponsor or the Plan, at the Sponsor's discretion.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are deemed distributions based on the terms of the Plan Document.

Note 3: Certification of Plan Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, TFLIC, Charles Schwab Trust Bank, Prudential, TIAA, State Street, and CREF, qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate to the best of their knowledge and belief:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment income and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

	Total	2021

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 as compared to those used at December 31, 2020.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Variable annuities, pooled separate accounts, and other self-directed brokerage accounts: Valued at NAV of shares held at year-end. These accounts have readily determinable fair value and transact at NAV.

Fixed-dollar annuity – non-benefit-responsive: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. See the table below for inputs and valuation techniques used for Level 3 securities.

Level 3 Reconciliation

Activity of Level 3 investments during the years ended December 31, 2021 and 2020:

	Fixed-Dollar Annuity Non-Benefit-Responsive

December 31, 2021 and 2020

Note 5: Investment Contracts with Insurance Companies

The Plan entered into fully benefit-responsive insurance company general account contracts with Empower, TFLIC and Prudential. The Plan also entered into a fixed-dollar annuity contract with TIAA and a fully benefit-responsive Principal Preservation Separate Account with PRIAC. TFLIC, Prudential, TIAA and Empower maintain the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified minimum interest rate that is guaranteed to the Plan.

The contract value of the Prudential investment contract at December 31, 2021 and 2020 was \$1,479,002 and \$1,661,978, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%.

The contract value of the TFLIC investment contracts at December 31, 2021 and 2020 was \$1,674,992 and \$1,693,092, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1% to 3.5%.

The contract value of the TIAA fixed-dollar annuity contract at December 31, 2021 and 2020 was \$1,511,734 and \$1,619,118, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%.

The contract value of the Empower Separate Account at December 31, 2021 was \$3,463,439. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1% nor greater than 3%.

The contract value of the Principal Preservation Separate Account at December 31, 2020 was \$3,652,064. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1% nor greater than 3%.

These investment contracts meet the fully benefit-responsive investment contract criteria, and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligation. The issuer's ability to meet its contractual obligation may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuers. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code

The Village Care Tax Deferred Annuity Plan

Notes to Financial Statements

December 31, 2021 and 2020

- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions
- Bankruptcy of the plan sponsor or other plan sponsor events (*e.g.*, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

In addition, certain events allow the issuers to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract.

Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer

The Plan Administrator does not believe occurrence of any such value event, which would limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants, is likely.

The annuity contracts do not permit the insurance companies to terminate the agreement prior to the scheduled maturity date.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants are and will remain 100% vested in their employer and employee contribution accounts.

Note 7: Related-Party Transactions and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such employer or employee association or relatives of such persons.

The Village Care Tax Deferred Annuity Plan

Notes to Financial Statements

December 31, 2021 and 2020

Plan investments include investments managed by affiliates of Reliance Trust Company, TFLIC, State Street, Prudential, Charles Schwab Trust Bank, TIAA and CREF. Investment management fees were incurred by the Plan included in net appreciation in fair value of the investment as a reduction of the investment return of each fund. In addition, the Plan paid administrative fees of \$87,785 in 2021 to an affiliate of Reliance Trust Company. Reliance Trust Company, Charles Schwab Trust Company, TFLIC, Prudential, TIAA, State Street, and CREF are custodians of the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are deemed to be “exempt” from Prohibited Transaction Rules as defined by Department of Labor regulations.

The Sponsor provides certain administrative services at no cost to the Plan.

Note 8: Tax Status

The Plan operates under a volume submitter prototype agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Empower for 2021 and Sentinel for 2020. This prototype Plan Document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect the participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Note 10: Subsequent Events

Subsequent events have been evaluated through October 17, 2022, which is the date the financial statements were available to be issued.

Plan Administrator and Plan Management
The Village Care Tax Deferred Annuity Plan
New York, New York

As part of our audit of the financial statements of The Village Care Tax Deferred Annuity Plan (the Plan) as of and for the year ended December 31, 2021, we wish to communicate the following to you.

Management has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. An audit performed in accordance with ERISA Section 103(a)(3)(C) does not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. Management has also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

In addition, we were unable to apply auditing procedures to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as the Plan has not maintained sufficient accounting records and supporting documents relating to these accounts.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our contract more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our contract more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan's significant accounting policies are described in *Note 2* of the audited financial statements.

Alternative Accounting Treatments

No matters are reportable.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. The following area involves significant estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates:

- Fair value of investments

Significant Unusual Transactions

No matters are reportable.

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Determination of fair values
- Parties-in-interest transactions
- ERISA Section 103(a)(3)(C) audit as permitted by the DOL

Audit Adjustments

No matters are reportable.

Reportable Findings

During the course of the audit, we have identified the following reportable findings that are considered significant and relevant to those charged with governance over the Plan:

- Errors in calculation of contributions identified in 2021 and 2020
- Errors in employee census file which could result in discrepancy in contributions
- Failure to perform relevant IRC compliance tests

See "Internal Control Over Financial Reporting Section" below for additional information.

Auditor's Judgments About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observation regarding the Plan's application of accounting principles:

- The quality of the Plan's accounting principles appears adequate and appropriately applied

Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Other Material Communications

Listed below is another material communication between management and us related to the audit:

- Management representation letter (attached)
- We orally communicated to management other deficiencies in internal control identified during our audit that are not considered material weaknesses or significant deficiencies

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We observed the following matters that we consider to be a deficiency or a significant deficiency.

Significant Deficiency

Errors in Calculation of Contributions

During the audit in our samples, we noted instances where employee deferral contributions and employer contributions were calculated incorrectly due to errors resulting in over or underpayment. These errors included:

1. An employee Roth deferral election not being incorporated timely in the payroll system caused a \$6,300 underfunding for this participant employee deferrals.
2. An employee who worked in two different entities had their employee deferral taken out twice each pay period, causing an overfunding of \$17,780 above their elected deferral.
3. An employee received an employer contribution of \$640 in excess of the IRS limit due to an error in the payroll system.
4. Employee deferral was not taken out for an employee from their last payroll who was terminated in 2021 resulting in underfunding of \$65 to employee deferral.
5. During 2021, Village Center for Care changed its payroll system from biweekly to weekly payroll. For an employee, employee deferral for two pay periods was deducted more than the employee's election due to the change in the payroll system resulting in overfunding of \$50.
6. Village Care allows employee over 50 years old to make catch up contribution up to \$6,500. An employee over 50 years old elected to defer 12% to regular 403b and 12% to Roth. Their contributions were incorrectly stopped at \$24,751 due to an error in the payroll system resulting in underfunding of \$1,249.

We recommend that management review its inputs of determining the correct amount of contributions to ensure that there is proper funding into the Plan and consulting with legal counsel on corrective actions.

Deficiency

Failure to Perform Relevant IRC Compliance Tests

The plan sponsor did not have their IRS required compliance testing completed. ERISA mandates nondiscrimination testing for retirement plans to demonstrate that they don't favor highly compensated employees or key employees. Compliance testing for the Plan is the responsibility of the company that offers the Plan. We recommend that management review its procedures to ensure they are properly submitting complete and accurate data on a timely basis to perform their annual IRS required compliance testing.

OTHER MATTERS

Although not considered material weaknesses, significant deficiencies, or deficiencies in internal control over financial reporting, we observed the following matters and offer these comments and suggestions with respect to matters which came to our attention during the course of the audit of the financial statements. Our audit procedures are designed primarily to enable us to form an opinion on the financial statements and, therefore, may not bring to light all weaknesses in policies and procedures that may exist. However, these matters are offered as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving financial and administrative practices and procedures. We can discuss these matters further at your convenience and may provide implementation assistance for changes or improvements.

Cybersecurity Guidance for Employee Benefit Plans

For the first time, the Employee Benefit Security Administration (EBSA) has issued cybersecurity guidance. EBSA believes that without sufficient protection, the over \$9.3 trillion of assets currently

invested for the participants of defined benefit and contribution plans could be at risk from both internal and external cybersecurity threats. The guidance, issued in three parts, provides plan fiduciaries and plan management tips for hiring a service provider, cybersecurity program best practices, and online security tips.

Cybersecurity program best practices, as outlined by the EBSA, include the following:

- Have a formal cybersecurity program
- Conduct prudent annual risk assessments
- Have a reliable annual third-party audit of security controls
- Maintain strong access control procedures
- Ensure sensitive data stored and in transit is encrypted
- Respond properly to cybersecurity incidents or breaches

Employee benefit plans often rely on other service providers to maintain plan and participant data records. Plan sponsor should exercise prudence when selecting and monitoring service providers. Steps that plan sponsor can take during the selection process include the following:

- Inquire about the service provider's information security standards, policies, and practices
- Evaluate the service provider's track record, including a search for public information regarding information security incidents
- Inquire whether the service provider has experienced security breaches in the past

Check if the service provider has insurance policies covering losses caused by cybersecurity and identity theft breaches

This communication is intended solely for the information and use of management, the plan administrator, and others within the organization, and is not intended to be and should not be used by anyone other than these specified parties.

The undersigned ("We") are providing this letter in connection with FORVIS' audits of the financial statements of The Village Care Tax Deferred Annuity Plan (the Plan) which comprise the statements of net assets for benefits as of December 31, 2021 and 2020, and the statement of changes in net assets available for benefits for the year ended December 31, 2021, and supplemental schedules as of and for the year ended December 31, 2021.

Our representations are current and effective as of the date of FORVIS' report: October 17, 2022.

Our engagement with FORVIS is based on our contract for services dated: May 31, 2022.

Our Responsibility and Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

For the audit of the Plan's 2020 financial statements, we have instructed you not to perform any auditing procedures with respect to information prepared and certified by Transamerica Financial Life Insurance Company, Inc. (TFLIC), State Street Bank and Trust Company (State Street), Charles Schwab Trust Bank, The Prudential Insurance Company of America (Prudential), and Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF), the custodians, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. In addition, you were unable to apply auditing procedures to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as we have not maintained sufficient accounting records and supporting documents relating to these accounts. Because of the significance of the information that you did not audit, we understand that you did not express an opinion on the financial statements and supplemental schedules as a whole.

We understand you were unable to apply auditing procedures to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as we have not maintained sufficient accounting records and supporting documents relating to these accounts.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Confirmation of Matters Specific to the Subject Matter of FORVIS' Report

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of:
 - a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - b. Internal control to prevent and detect fraud.
4. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.
5. We have everything we need to keep our books and records.
6. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions and whether such transactions involved related parties.

7. We have provided you with:
- a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b. The most current Plan instrument for the audit period, including all Plan amendments.
 - c. A draft of the Form 5500 that is substantially complete.
 - d. Additional information that you have requested from us for the purpose of the audit.
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - f. All minutes of administrative committee meetings held through the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared. All unsigned copies of minutes provided to you are copies of our original minutes approved by the administrative committee, if applicable, and maintained as part of our records.
 - g. All significant contracts.
8. All transactions have been recorded in the accounting records and are reflected in the financial statements.
9. Financial instruments with off-balance sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
10. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
- a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
11. We have no knowledge of any known or suspected fraudulent financial reporting or misappropriation of assets involving:
- a. Management or employees who have significant roles in internal control, or
 - b. Others, where activities of others could have a material effect on the financial statements.
12. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers, or others.
13. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.
14. We have disclosed to you the identity of the Plan's related parties and all the related-party relationships and transactions of which we are aware. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

We understand that the term related party refers to an affiliate; principal owners, management, and members of their immediate families; subsidiaries accounted for by the equity method; and any

other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the Plan.

15. Except as reflected in the financial statements, there are no:
 - a. Plans or intentions that may materially affect carrying values of assets and liabilities.
 - b. Material transactions omitted or improperly recorded in the financial records.
 - c. Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.
 - d. Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter requiring adjustment or disclosure in the financial statements.
 - e. Agreements to purchase assets previously sold.
 - f. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
16. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
17. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
18. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
19. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
20. Adequate allowances have been accrued for any material losses from uncollected receivables.
21. Except as disclosed in the financial statements, the Plan has:
 - a. Satisfactory title to all recorded assets, and they are not subject to any liens, pledges, or other encumbrances.
 - b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.
22. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits that could change materially within the next year. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
23. The fair values of financial assets recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.

24. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has not been completed for the Plan for the calendar year of 2021 and there is a possibility of excess contributions which may not be in accordance with regulations. However, we do not believe these excess contributions would be material to the Plan.
25. During the 2020 plan year, the Plan adopted certain provisions within the SECURE and CARES Act. The Plan will make the required amendments before the last day of the first plan year beginning on or after January 1, 2022. The adoption date of the most recent Plan amendment was January 8, 2021 as provided to you.
26. The Plan operates under a volume submitter prototype agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Empower. This prototype Plan Document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.
27. The Plan has complied with the fidelity bonding requirements of ERISA.
28. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
29. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.
30. With respect to any nonattest services you have provided us during the year, including assisting with the preparation of financial statements:
 - a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
 - b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
 - c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
 - d. We have evaluated the adequacy of the services performed and any findings that resulted.
31. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.
32. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions and loan repayments..
33. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.
34. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).

35. With regard to supplementary information:

- a. We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.
- b. We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
- c. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
- d. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
- e. The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- f. If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

36. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the plan sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.

37. The Village Care of New York is an exempt organization under Section 501 (c)(3) of the Internal Revenue Code. Any activities of the organization or any related entities of which we are aware that would jeopardize the organization's tax-exempt status have been disclosed to you.

38. We have evaluated whether there are conditions or events known or reasonably knowable, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of this letter without consideration of potential mitigating effects of management's plans not yet fully implemented and concluded substantial doubt does not exist.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
