INDEPENDENT AUDITOR'S REPORT

To the Plan Administrative Committee
LaCalle Group, LLC 401k Profit Sharing Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of LaCalle Group, LLC 401k Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of LaCalle Group, LLC 401k Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LaCalle Group, LLC 401k Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LaCalle Group, LLC 401k Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LaCalle Group, LLC 401k Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LaCalle Group, LLC 401k Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of Year) Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LACALLE GROUP, LLC 401K PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of LaCalle Group, LLC 401k Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Prior to an amendment made on December 9, 2019, the Plan's name was Allied Health Media 401k Plan.

General

The Plan is a defined contribution plan covering all employees of the company who are age eighteen (18) or older. The Plan is designed to meet the requirements of Internal Revenue Code Section 401(a) and is subject to provisions of the Employment Retirement and Income Security Act of 1974 (ERISA). Entry dates for participants is the date in which the eligibility requirement is satisfied.

Contributions

Participants may elect to contribute to the Plan a percentage of their compensation; however, total deferrals in any taxable year may not exceed a certain dollar amount which is set by law. The employer may make discretionary matching and/or profit sharing contributions each year. Participants who reach the age of 50 before the close of a calendar year are eligible to make catch-up elective deferral contributions to the Plan. Participants may designate part or all of their salary deferral contributions as Roth after-tax contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contributions portion of their accounts, plus earnings thereon have a five-year graded vesting period as follows:

<u>Complete Years of Service</u>	<u>Vested Percentage</u>
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant with an account balance of \$5,000 or less will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment as soon as administratively feasible. Participants with account balances larger than \$5,000 can elect to receive the balance in a lump-sum payment or in installments over a period not to exceed their life expectancy or that of their beneficiary, determined at the time of the distribution. In addition, a participant may withdraw their elective deferrals for financial hardships. Discretionary profit sharing contributions may only be withdrawn upon termination of employment, disability, death or plan termination.

Notes receivable from participants

Participants may borrow, subject to certain conditions, from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Administrative Expenses

Administrative expenses for the plan custodial fees are charged against each participant's account. Other expenses such as audit fees are paid by the plan sponsor.

Basis of Accounting

The financial statements are prepared using the accrual method of accounting and present the net assets available for the benefit of the participants and changes in those net assets.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes and disclosures. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Forfeitures

The Employer may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Plan Benefits presents fair value of the investment contract, as well as the adjustment of the fully benefit-responsive investment contract from fair value to contract value. The Statement of Changes in Net Assets Available for Plan Benefits is prepared using contract value for the fully benefit-responsive investment contract.

Purchases and sales are recorded as of the trade date. Interest is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 3 – CERTIFIED FINANCIAL INFORMATION

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following assets:

	December 31,	
	2021	2020
Investments at fair value:		
Guaranteed investment contracts	\$ 169,939	\$ 225,383

LACALLE GROUP, LLC 401K PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 – CERTIFIED FINANCIAL INFORMATION (CONTINUED)

Nationwide Financial Services, Inc. has certified to the completeness and accuracy of the \$1,723,153 of the net appreciation in fair value of investments and \$2,811 of the interest and dividends for the year ended December 31, 2021. Nationwide Financial Services, Inc. also certified the \$2,653 of interest income from participant loans for the year ending December 31, 2021.

Nationwide Financial Services, Inc. has certified to the completeness and accuracy of the \$1,716,198 of the net appreciation in fair value of investments and \$5,198 of the interest and dividends for the year ended December 31, 2020. Nationwide Financial Services, Inc. also certified the \$3,035 of interest income from participant loans for the year ending December 31, 2020.

NOTE 4 – TAX STATUS

The Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”) in a letter dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator and its tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The plan administrator has analyzed tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The plan administrator believes that the Plan is no longer subject to income tax examination for years ending prior to December 31, 2018.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

LACALLE GROUP, LLC 401K PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 6 – CONCENTRATIONS OF CREDIT RISK

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – RELATED-PARTY AND PARTY-IN INTEREST TRANSACTIONS

The Plan paid administrative fees to parties-in-interest (Custodian and other service providers) totaling \$107,511 and \$63,628 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Input to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

LACALLE GROUP, LLC 401K PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value used by the Plan.

Investment shares in registered investment companies: Valued at quoted market prices which represent the net asset value (NAV) of shares held by the plan at year end.

Guaranteed investment contract: The guaranteed account is fully benefit responsive and is therefore reported at fair value (see Note 2). The guaranteed account is measured at contract value which approximates fair value. Fair value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets and liabilities recorded at fair value have been categorized based upon the fair value hierarchy in accordance with FASB ASC 820. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
Investments	Level 1	Level 2	Level 3	Total
Guaranteed investment contract	\$ -	\$ -	\$ 169,939	\$ 169,939
Investment shares in registered investment companies	12,755,018	-	-	12,755,018
	<u>\$ 12,755,018</u>	<u>\$ -</u>	<u>\$ 169,939</u>	<u>\$ 12,924,957</u>
Assets at Fair Value as of December 31, 2020				
Investments	Level 1	Level 2	Level 3	Total
Guaranteed investment contract	\$ -	\$ -	\$ 225,383	\$ 225,383
Investment shares in registered investment companies	9,500,530	-	-	9,500,530
	<u>\$ 9,500,530</u>	<u>\$ -</u>	<u>\$ 225,383</u>	<u>\$ 9,725,913</u>

Transfers between levels

For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 3 and no transfers in or out of Level 2.

LACALLE GROUP, LLC 401K PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 9 – EXCESS CONTRIBUTION PAYABLE

The excess contributions payable relate to amounts payable to certain active participants of excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. There were excess contributions payable of \$125 for the year ended December 31, 2020.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2021 and 2020, per the financial statements to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 13,054,499	\$ 9,813,192
Plus excess contributions payable	-	125
Net assets available for benefits per the Form 5500	<u>\$ 13,054,499</u>	<u>\$ 9,813,317</u>

The following is a reconciliation of the net increase in net assets available for benefits for the years ended December 31, 2021 and 2020, per the financial statements to Form 5500:

	2021	2020
Net increase (decrease) in net assets available for benefits per the financial statements	\$ 3,241,307	\$ 2,487,167
Less excess contributions payable at the beginning of the year	(125)	-
Plus excess contributions payable at the end of the year	-	125
Net income per the Form 5500	<u>\$ 3,241,182</u>	<u>\$ 2,487,292</u>

NOTE 11 – GUARANTEED INVESTMENT CONTRACT

During 2021 and 2020, the Plan had a benefit-responsive guaranteed investment contract, the Nationwide Fixed Select Option Account, with Nationwide Financial Services, Inc. Nationwide Financial Services, Inc. maintained the contributions to the Fixed Select Option Account in a general account. The account was credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The issuer of the guaranteed investment contract is contractually obligated to repay the principal and specified interest rates that are guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. Participants ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value.

NOTES TO FINANCIAL STATEMENTS

NOTE 11 – GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events limited the ability of the Plan to transact at contract value with the issuer, including termination of the guaranteed investment contracts. The Plan administrator believes that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, was not probable. The guaranteed investment contract does not permit the custodian to terminate the agreement prior to the scheduled maturity date.

There were no valuation reserves recorded to adjust contract amounts at December 31, 2021 and 2020. The average yield and declared interest rate of the guaranteed account was 1.28% and 1.55% for the years ended December 31, 2021 and 2020, respectively. On a quarterly basis, Nationwide Financial Services, Inc. declares a guaranteed interest rate that shall apply for a three-month period. The guaranteed rate of interest shall not change during the three month period for which it is effective. There is no minimum guaranteed interest rate under this contract.

NOTE 12 – BONDING REQUIREMENT

The Plan was in compliance with the bonding requirement by ERISA, Title I, Section 412 as of January 1, 2021 and 2020.

NOTE 13 - SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Plan through October 17, 2022, the date the financial statements were available to be issued.
