INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
NE Construction, LLP 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of NE Construction, LLP 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of NE Construction, LLP 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NE Construction, LLP 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NE Construction, LLP 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NE Construction, LLP 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NE Construction, LLP 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
NE Construction, LLP 401(k) Profit Sharing Plan & Trust

We were engaged to audit the accompanying statement of net assets available for benefits of NE Construction, LLP 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the accrual basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Voya Retirement Insurance and Annuity Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

**Report on Form and Content in Compliance With DOL Rules and Regulations for 2020
Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Participants should refer to the Plan document and the Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan covering all employees who have been employed during a two-consecutive-month period. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective January 1, 2020, the Plan’s trustee was changed to Voya Retirement Insurance and Annuity Company (“Voya”) from Mid Atlantic Trust Company. All of the plan assets with Mid Atlantic Trust Company were transferred to Voya. The special trustee is Charlie Nicholas, Owner of the Plan sponsor.

Each year, participants may contribute up to 100% of compensation, as defined by the Plan and make a contribution to the Plan on a pre-tax basis. Participants are able to designate a portion of elective contributions as Roth Elective Contributions. Participants who have attained an age of fifty before the end of the plan year are eligible to make catch-up contributions. Total contributions are subject to statutory limitations.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company matching contributions are discretionary as determined by the Company. During 2021 and 2020, the Company matched 100% of employees’ deferrals up to a maximum of 4% of employees’ compensation. The Company profit-sharing contributions are discretionary as determined by the Company. During 2021 and 2020, the Company made no profit-sharing contributions.

NOTE A –GENERAL DESCRIPTION OF PLAN-continued

Participants Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus investment earnings and losses thereon. Vesting in the Company's discretionary contributions portion of their accounts plus investment earnings and losses thereon is based on years of continuous service. Vesting begins after one year of credited service and 100% vesting occurs after five years of credited service. Notwithstanding the preceding description of vesting, the participant or their designated beneficiary is 100% vested in the participant's entire account balance upon disability as defined by the Plan or death of the participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. All loans must be repaid in level payments on at least a quarterly basis over a maximum five-year period unless it is for the purchase of a principal residence, in which case, the loan may be repaid over a thirty-year period. The loans are secured by the balance in the participant's account and bear interest at rates as determined by the Plan Administrator commensurate with local prevailing rates. Principal and interest is paid ratably through monthly payroll deductions. At December 31, 2021 and 2020, the interest rates on participant loans ranged from 4.25% to 6.5%. The loans are due at various dates through 2026.

Distributions

On termination of service, retirement, disability or attaining age 59 1/2, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may roll over the account to another qualified retirement plan. The Plan also allows in-service hardship distributions based on specific criteria.

NE CONSTRUCTION, LLP 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements

December 31, 2021 and 2020

NOTE A –GENERAL DESCRIPTION OF PLAN-continued

Forfeitures

All employer contributions credited to a Participant's account, but not vested, are forfeited by the Participant upon his/her termination from the Plan. Per the Plan document forfeited balances of terminated participants' non-vested accounts are used to pay plan administrative expenses or reduce future Company contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$2,535 and \$1,063, respectively. Forfeitures in the amount of \$31,414 were used in 2021 to reduce the employer match.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared on the accrual basis of accounting.

The plan investments are reported at fair value except for the Voya fixed account. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for fair value measurement.

Investment transactions are recorded on a trade-date basis. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for uncollectible accounts has been recorded as of December 31, 2021 or 2020.

Benefits are recorded when paid.

All direct expenses of the Plan, Trustee, Plan Administrator and Investment Fiduciary or any other person in furtherance of their duties will be paid or reimbursed by the Company, and if not so paid or reimbursed, shall be proper charges to the Trust Fund and shall be paid therefrom.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from these estimates.

NE CONSTRUCTION, LLP 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements

December 31, 2021 and 2020

NOTE C – INCOME TAX STATUS

The Plan was adopted based upon a Non-Standardized Defined Contribution Pre-Approved Plan. The pre-approved plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) stating that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The Company and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan administrators believe the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE D - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements, accompanying notes and supplemental schedules, including investments at December 31, 2021 and 2020, net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company, the trustee of the Plan as applicable, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Income Security Act of 1974.

NOTE E – PLAN TERMINATION

The Company, at its discretion, may discontinue the contributions and terminate the Plan subject to the provisions of ERISA. Upon termination, all participants would become fully vested in their accounts.

NOTE F – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for identical or similar assets or liabilities in active or inactive markets, observable inputs other than quoted prices or inputs derived from or corroborated by observable market data by correlation or other means and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide a more reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 3 inputs for the periods presented.

		<i>Fair Value As of December 31, 2020</i>		<i>Fair Value Measurements Using:</i>		
				<i>(Level 1)</i>	<i>(Level 2)</i>	<i>(Level 3)</i>
Pooled Separate Accounts	\$	4,824,043	\$	---	\$ 4,824,043	\$ ---

Voya Fixed Account measured at net asset value (NAV)		1,179,820				
Total investments at fair value	\$	6,004,926				

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts

Pooled Separate Accounts are valued at estimated fair value as provided by Voya Retirement Insurance and Annuity Company (VRIAC). There are no unfunded commitments as of December 31, 2021.

Voya Fixed Account:

The fixed account is measured at net asset value (NAV) as the practical expedient to estimate fair value. NAV as provided by the fund's management is based on the fair value of the underlying investments held by the fund less its liabilities.

Participants may make daily fund transactions at NAV. The fixed account requires participants to invest withdrawals from the fund in a "non-competing fund", as defined, for at least 90 days before transferring to a "competing" fund option, as defined. If the Plan initiates a full redemption of the collective trust fund, a 12-month notification of intent to withdraw its assets is required. There is no redemption notification period for participants. There are no unfunded commitments as of December 31, 2021 for the fixed account.

Notes to Financial Statements

December 31, 2021 and 2020

NOTE F - FAIR VALUE MEASUREMENTS - Continued

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted prices in active markets for the assets held at year end.

Investments at Net Asset Value

The Plan invests in the Reliance Trust Stable Value Fund, MetLife Series 25157, Class O, a collective trust. The fair value of the Plan's participation units in the collective trust is based on the net asset value (NAV) as reported by Reliance Trust Company. NAV per unit is computed by dividing the total assets of the collective trust fund less its liabilities by the total number of units outstanding at the valuation date. Investment income earned is reinvested in the collective trust fund and included in the determination of the NAV per unit. The collective trust invests in the MetLife Group Annuity Contract 25157 which consists of separately managed investment portfolios in fixed income securities, and also wrapper contracts which are issued by third-parties. The collective trust provides for daily redemptions by the Plan at NAV.

Notes to Financial Statements

December 31, 2021 and 2020

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan invests in pooled separate accounts and the fixed account managed by the Plan's trustee. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

The Plan incurred audit fees in the amounts of \$11,500 and \$10,500 for the years ended December 31, 2021 and 2020 respectively. The audit fees were paid by NE Construction, LLP.

NOTE J – CORONAVIRUS (COVID-19) PANDEMIC

During the first quarter of 2020, the World Health Organization declared COVID-19 to be a public health emergency. COVID-19 has led to increased short-term volatility and may have adverse long-term effects on U.S. and world economies and markets in general. The duration of these uncertainties and the ultimate effects cannot be reasonably estimated at this time.

NOTE L – DATE TO WHICH SUBSEQUENT EVENTS EVALUATED

The date to which events occurring after December 31, 2021 have been evaluated for possible adjustment to the financial statement or disclosure is October 13, 2022, which is the date on which the financial statements were available to be issued.
