Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Centrica Business Solutions US, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

7 Washington Square, Albany, NY 12205 Ph: (518) 456-6663 | Fax: (518) 456-3975 www.tbccpa.com

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Centrica Business Solutions US, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centrica Business Solutions US, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centrica Business Solutions US, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Centrica Business Solutions US, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplementary Schedule Required by ERISA (Continued)

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Centrica Business Solutions US, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(K) PLAN

Notes To Financial Statements

Note 1: Description Of Plan

The following description of the Centrica Business Solutions US, Inc. 401(k) Plan (formerly Smartwatt Energy, Inc. 401(k) Profit Sharing Plan) (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering substantially all employees of Centrica Business Solutions US, Inc. (the Company), who are age 21 or older, except those subject to collective bargaining agreements and certain nonresidential aliens, and who have attained one month of credited service. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute a percentage of annual compensation, as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants have the option of making after tax Roth contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has elected a stated tiered matching contribution. The Company contributes 100% of each employee's elective deferrals up to 3% of the employee's base compensation and contributes 50% of elective deferrals which are over 3% of base compensation, not to exceed 5% of the base compensation as safe-harbor contributions. The Company may make additional discretionary matching or profit sharing contributions to the Plan. For the years ended December 31, 2021 and 2020, the discretionary contribution was equal to 25% of the first 4% of employee contributions.

Participants' accounts - Each participant's account is credited or charged, as applicable, with the participant's contribution and allocations of the Company's contributions, plan earnings (losses), withdrawals, forfeitures, expenses, or other distributions made to or from such accounts during the period. Allocations are based on participant earnings or account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance.

Vesting - Participants are immediately vested in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions or profit sharing contributions portion of their account is based on years of continuous service; a participant is 100% vested in discretionary matching contributions after three years of credited service and six years of credited service for profit sharing contributions. Participant accounts become fully vested upon attainment of the normal retirement age of 65, upon death, or disability.

Participant loans - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans must be adequately secured and made in accordance with the terms of the Plan. Principal and interest is paid ratably through payroll deductions. The Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions, adopted in 2020, impacted the Plan's loan terms and are described in Note 9.

401(K) PLAN

Notes To Financial Statements

Note 1: Description Of Plan (Continued)

Payment of benefits - On termination of service due to death, disability, retirement, or separation of service, a participant or their beneficiary will be entitled to receive a distribution of the participants total vested account balance. Benefits will be paid in accordance with terms of the Plan. The CARES Act provisions, adopted in 2020, impacted the Plan's benefit payments and are described in Note 9.

Forfeited accounts - At December 31, 2021 and 2020, the Plan had forfeitures from terminated, non-vested participant accounts of \$13,196 and \$49,703, respectively. These amounts can be used to pay for Plan expenses or reduce employer contributions. The Company used \$51,359 and \$-0- of forfeitures to reduce employer contributions during the Plan years ended December 31, 2021 and 2020, respectively.

Note 2: Summary Of Significant Accounting Policies

Investment valuation and income recognition - Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The three levels of the fair value hierarchy in accordance with accounting principles generally accepted in the United States of America are described below:

Level 1: Unadjusted quoted prices in active markets for identical, unrestricted assets, or liabilities that the Plan has the ability to access at the measurement date;

Level 2: Quoted prices which are not active, quoted prices for similar assets or liabilities in active markets, or inputs other than quoted prices that are observable (either directly or indirectly) for substantially the full term of the asset or liability; and

Level 3: Significant unobservable prices or inputs (including the Plan's own assumptions in determining the fair value of investments) where there is little or no market activity for the asset or liability at the measurement date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

401(K) PLAN

Notes To Financial Statements

Note 2: Summary Of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis with the gain or loss based upon the average-cost method. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Income taxes - The Plan is exempt from federal income tax under the Internal Revenue Code. Tax positions are evaluated and recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has adopted a volume submitter plan which has an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. The application of these accounting principles involves the exercise of judgment and use of assumptions as to future uncertainties and, as a result, actual results could differ from these estimates. The Plan periodically evaluates estimates and assumptions used in the preparation of the financial statements and makes changes on a prospective basis when adjustments are necessary.

Presentation - Certain reclassifications, when applicable, are made to the prior year financial statement presentation to correspond to the current year's format. Reclassifications, when made, have no effect on total net assets available for benefits or changes in net assets available for benefits.

Note 3: Investments

The statements of net assets available for benefits, the investment activities included in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the accompanying notes to the financial statements (other than the assignment of levels) were prepared in part or entirely from information certified by Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC in 2021 and Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC and Matrix Trust Company for 2020, the Custodians, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of \$19,197,675 and \$11,917,550 at December 31, 2021 and 2020, respectively, and related investment income of \$2,420,966 and \$1,516,877 for the years ended December 31, 2021 and 2020, respectively.

Note 4: Fair Value Measurements

The following is a description of the valuation methodologies used for assets at fair value at December 31, 2021 and 2020:

Mutual funds: Valued at quoted market prices at year end.

Self-directed brokerage accounts: Valued at the net asset value based on the value of the underlying securities. Shares/units can be redeemed daily.

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Fair Value Measurements At Reporting Date Using:

	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
<u>December 31, 2021</u>

In accordance with accounting principles generally accepted in the United States of America, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes To Financial Statements

Note 5: Investment Contract With Insurance Companies

The Plan has a fully benefit-responsive contract with Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC called Great-West Investments Fixed Account. This investment is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC maintain the contributions in a general account, which is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC. Contract value represent contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC may not terminate the contract at any amount less than contract value.

Note 6: Related Party Transactions

Certain fees for administrative services may be paid by the Company.

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC as denoted on the supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year). Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC are the Custodians and record-keepers for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Note 7: Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which could impact operating results and cause volatility in financial markets. However, the duration and any related financial impact is unknown at this time.

CENTRICA BUSINESS SOLUTIONS US, INC.
401(K) PLAN

Notes To Financial Statements

Note 8: Commitments And Contingencies

The Plan follows the guidance for uncertainty in income taxes. As of December 31, 2021, the Plan believes that it has appropriate support for the income tax positions taken and to be taken based on an assessment of many factors including experience and interpretations of tax laws applied to the facts of each matter. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits.

Note 9: Plan Amendments

Effective April 24, 2020, the Plan adopted the distribution and loan provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which was signed into law on March 27, 2020. The CARES Act permits the Plan to implement the provisions of the CARES Act immediately and to retroactively amend the Plan. The CARES Act provisions allow participants to waive the 10% early withdrawal penalty on Coronavirus-related distributions, up to \$100,000. Loan provisions of the CARES Act include the option to temporarily defer loan repayments until December 31, 2020 and to borrow a maximum loan amounting to the lesser of \$100,000 or 100% of the participant's vested account balance. These provisions applied through December 31, 2020.

Note 10: Subsequent Events

Subsequent events have been evaluated through October 17, 2022, which is the date the financial statements were available to be issued.
