INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Advanced Medical Management 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Advanced Medical Management 401(k) Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator and Participants of
Advanced Medical Management 401(k) Retirement Plan

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator and Participants of
Advanced Medical Management 401(k) Retirement Plan

Auditor's Responsibilities for the Audit of the 2021 Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator and Participants of
Advanced Medical Management 401(k) Retirement Plan

2021 Supplemental Schedule Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established on January 1, 1999. The Plan covers all eligible employees of Advanced Medical Management, LLC (the Company), and its affiliates, Multi-Specialty Health Care, LLC, Harford County Ambulatory Surgical Center, LLC, MDDE Chiropractic, LLC and MDDE Medical, LLC (collectively, the Companies). The Plan is subject to the provisions of ERISA.

Eligibility - The Plan covers substantially all employees of the Companies; however, independent contractors are excluded from participating. Employees are eligible to participate once they have completed six months of service and are age 18 or older. Employees may enter the Plan on the first day of each quarter coinciding with or following the attainment of these requirements.

Contributions - Each year, participants may elect to contribute from 1% up to 100% of their eligible compensation, up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pre-tax or after-tax Roth deferral contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies may make the following contributions on behalf of participants:

A discretionary matching contribution, on an annual basis, as determined by the Company. No discretionary matching contribution was made for 2021.

A discretionary nonelective contribution as determined by the Company. The contribution allocated to each participant shall be equal to the total contribution multiplied by the ratio of each participant's eligible compensation to the total eligible compensation for all eligible participants. In order to share in the allocation of the discretionary nonelective contribution, participants must have completed 1,000 hours of service during the plan year and be actively employed on the last day of the plan year. No discretionary nonelective contribution was made for 2021.

The Plan allows for Qualified Nonelective Contributions (QNECs), as defined. No QNECs were made for 2021.

Participant Accounts - Each participant's account is credited with the participant's contributions and Companies' contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and any of the Companies' contributions into a group annuity contract with Principal Life Insurance Company (PLIC). The group annuity contract offered by the Plan contains various registered investment companies (mutual funds), pooled separate accounts, common/collective trust funds and a guaranteed income fund. For those participants who do not make an investment selection, their contributions and the related Companies' contributions are automatically invested in the Plan's qualified default investment account.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their contributions and QNECs plus earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Regardless of the vesting schedule, participants will become fully vested upon reaching the normal retirement age, death or disability, as defined by the Plan.

Participant Loans - The Plan does not allow for participant loans.

Payment of Benefits - Benefit payments may be in the form of lump sums and are payable upon termination of employment, death, disability or retirement at age 65. A maximum of two voluntary benefit payments may be made by each participant during any 12 month period. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals at age 59 ½ are also permitted, subject to provisions defined in the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in a guaranteed income fund, which is considered to be fully benefit-responsive. The Statements of Net Assets Available for Benefits present the contract value of the fully benefit-responsive investment contract.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the pooled separate accounts and common/collective trust funds are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily.

ADVANCED MEDICAL MANAGEMENT 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Unit Values - continued - The funds' earnings are automatically reinvested in additional units. Generally, contributions to and withdrawals and expenses from each fund are converted to units by dividing the amounts of such transactions by the unit values last determined (see Note 3), and the participants' accounts are charged or credited with the number of units properly attributable to each participant. The daily unit value is calculated by dividing the expense adjusted assets (as defined) by the beginning units.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment, as they are paid through revenue sharing. Fees related to the administration of participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ADVANCED MEDICAL MANAGEMENT 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: Valued based on the NAV of the funds' underlying investments as the close of business on the valuation date. The underlying investments may include mutual funds, pooled separate accounts or collective trusts. In calculating unit value for each unit class, investment income, realized and unrealized gains and losses and expenses other than class-specific expenses, are allocated daily to each unit class based upon the proportion of net assets of each unit class at the beginning of each day. Expenses relating to a specific unit class are charged directly to that class.

Pooled Separate Accounts: The value of a PSA is the market value of the underlying assets of the PSA plus income accrued but not yet received less operating expenses accrued but not deducted, if any.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Fair Value of Investments in Entities that Use Net Asset Value (NAV)

The following table and additional disclosures summarize investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

Investment	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
Pooled Separate Accounts	\$ 1,398,760	\$ 1,372,176	None	Daily	None
Common/Collective Trust Funds	\$ 5,830,476	\$ 5,510,882	None	Daily	None

Certain registered investment companies and pooled separate accounts held by the Plan have transfer restriction periods ranging from 30 to 60 days to protect against the negative impact of market timing on investment performance.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and dividend and interest income for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal), a qualified institution.

NOTE 5 - PRINCIPAL GROUP ANNUITY CONTRACT

The Plan has entered into a Group Annuity Contract (Contract) with PLIC. The Contract offers the Principal Fixed Income Guaranteed Option (PFIGO account). The PFIGO is a single group annuity contract with a fixed rate of interest. PLIC maintains the assets in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against the investment contracts for credit risk of the contract issuer or otherwise.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. The contract value represents contributions made under the contract, plus earnings, less any participant-directed withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value.

In general, payments and transfers are made in full within 3 business days after the date payment or transfer has been requested. In the event that market conditions are such that it is determined that they will not allow for the orderly transfer or sale of financial instruments, up to an additional 30 days may be required to make such payments or transfers.

ADVANCED MEDICAL MANAGEMENT 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 - PRINCIPAL GROUP ANNUITY CONTRACT - CONTINUED

Additionally, a surrender charge of 5% will be assessed on all transfers by a plan sponsor in excess of 10% of the cumulative transfer percentages (as defined) as of the date of the transfer. Should the plan sponsor terminate the Contract, a twelve month notice is required and depending on the cumulative transfer percentages, a surrender charge of 5% may apply.

The crediting interest rate is based on a formula agreed upon with the issuer, and under the terms of the existing contract, the composite crediting rate (as defined) is currently reset on a semiannual basis and will never be less than the guaranteed minimum interest rate (as defined). In no case will the guaranteed minimum interest rate be less than 1% or greater than 3%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 6 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed Principal Life Insurance Co, by a letter dated March 31, 2014, that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments consist of pooled separate accounts, common/collective trust funds and a guaranteed income fund managed by PLIC or Principal Global Investors Trust Company, which are members of Principal Financial Group. Principal, the trustee of the Plan, is a subsidiary of Principal Financial Group and therefore, these transactions qualify as party in interest transactions.

PLIC provides certain administrative services to the Plan pursuant to the Services and Expense Agreement (the Agreement) between the Plan and PLIC. PLIC and its affiliates may earn compensation through revenue sharing in connection with the services provided to the Plan and PLIC may earn compensation in the form of short-term interest ("float") on certain items in connection with the Plan.

ADVANCED MEDICAL MANAGEMENT 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS - CONTINUED

Participants also pay transactional fees relative to distributions. Transactional fees paid by the Plan to PLIC amounted to \$1,750 for the year ended December 31, 2021. The Plan or Companies may make payments to PLIC for administrative expenses not covered by revenue sharing.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contribution portion of their accounts.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2021 and 2020, 64% and 65%, respectively, of net assets available for benefits is invested in the Principal Global Investors Trust Company Lifetime Hybrid Funds; however, by their nature, the Principal Global Investors Trust Company Lifetime Hybrid Funds are a diversified mix of equities and fixed income that rebalance over time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 to Schedule H of Form 5500:

Net assets available for benefits per the financial statements	\$ 8,468,269
Add - excess contributions payable	<u>59,877</u>
Net assets available for benefits per the Form 5500	<u>\$ 8,528,146</u>

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2021, to Schedule H of Form 5500:

Benefits paid to participants per the financial statements	\$ 1,065,540
Add - prior year excess contributions payable	<u>59,877</u>
Benefits paid to participants per the Form 5500	<u>\$ 1,125,417</u>

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October XX, 2022, the date the financial statements were available to be issued.

NOTE 11 - SUBSEQUENT EVENTS - CONTINUED

The Plan was amended effective January 1, 2022. The following changes were made to plan provisions as a result of this amendment:

- MS-HC PA, PLLC was added as a participating employer;
- The six month service requirement was removed; and
- Employees may enter the Plan immediately upon meeting eligibility requirements.

Effective June 30, 2020, the prototype plan with PLIC was amended and restated in accordance with the Cycle 3 Restatement as required by the IRS. Accordingly, the plan administrator executed a new Principal Adoption Agreement effective February 17, 2022. As of this date, partial payments are an approved form of benefit payments to participants. There were no other significant changes to plan provisions as a result of this amendment and restatement. In conjunction with the amendment and restatement, the Plan executed a new directed trust agreement with Principal effective February 21, 2022.

The Plan was further amended effective August 1, 2022 to add Excelsia Pa, PLLC as an adopting employer.

Executed on July 26, 2022 was Amendment No. 6 to the group annuity contract with PLIC which replaces all pages, endorsements and riders from the previous contract, including new vintage schedules effective June 1, 2022. Relevant changes made to the provisions of the group annuity contract include composite crediting rate changes and a change to the excess transfer percentage in the surrender charge calculation.
