INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Angelini Pharma 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Angelini Pharma 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Angelini Pharma 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the plan by Ascensus Trust Company, the custodian, that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by Ascensus Trust Company, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Ascensus Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Note E to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Angelini Pharma 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management for the 2021 Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubts about Angelini Pharma 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

(Cont.)

Auditor's Responsibility for the 2021 Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Angelini Pharma 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelini Pharma 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Cont.)

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation Report on the 2020 Financial Statement

Plan management is responsible for the accompany financial statement of Angelini Pharma 401(K) Plan, a defined contribution employee benefit plan, which is comprised of the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on this financial statement.

ANGELINI PHARMA

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF THE PLAN

The following description of the Angelini Pharma 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Angelini Pharma, Inc. ("the Company") who have completed a consecutive three months of service and have reached the age of 21 or older. Plan entry may occur the first day of each month of the Plan Year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The benefits under this plan are not insured by the Pension Benefit Guaranty Corporation.

2. Contributions

a. Each participant may contribute through payroll deferral not less than 1% of earnings and not more than 100% of pre-tax annual earnings subject to the Internal Revenue Code Rules and Regulations.

b. The Company has elected to make the ADP test safe harbor contributions to the Plan in an amount equal to 7% of each eligible participant's compensation during the Plan year. The Company has also elected to make the ADP test safe harbor matching contributions of less than or equal to 4% of 100% of each eligible participant's elective deferral.

c. Eligible participants may transfer funds from other qualified plans and the transfer is 100% vested as defined in the Plan. The transferred amount shall be invested and administered as a part of the trust fund.

d. The eligible participants who are projected to reach age fifty (50) during a Plan year will be eligible to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit as defined by the Internal Revenue Code Rules and Regulations, or the limit as defined by the Plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for the year 2021 was \$6,500 per individual.

ANGELINI PHARMA

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF THE PLAN (CONT.)

3. Participant accounts

Each participant's account is credited with his/her contribution during the plan year. Each participant will have full responsibility for the investment results of his/her investment choices as offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account, taking into consideration the participant's vesting in the employer's contribution as provided in the Plan. All significant costs of plan administration are being absorbed by the employer.

4. Vesting and forfeitures

The participant is always 100% vested in his or her own contribution account. Also, the participant will always be automatically 100% vested in his or her safe harbor matching contributions account.

5. Payment of benefits

All distributions of benefits under this plan shall be made by the companies holding the investments in accordance with the terms and conditions set forth in the group contract. Benefits of \$5,000 or less are distributed by the Plan administrator as a rollover to an IRA established for the participant.

6. Loans and withdrawals

A participant may elect to withdraw from his or her account by demonstrating the need for an immediate and heavy financial hardship and that the money can not be obtained from any other source. Immediate and heavy financial hardships are: post-secondary tuition payments for the education of the participant and immediate family members; the purchase of a principal residence; non-elective medical expenses; and payments to prevent the eviction of the participant from a principal residence.

The loan may not exceed the lesser of \$50,000 or one-half of the participant's vested amount, excluding Roth deferrals. All loans bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rate charged by persons in the business of lending money. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence which will be determined at the time of the loan. Loan repayments and interest are deducted ratably from the participant's compensation in each payroll period.

A. DESCRIPTION OF THE PLAN (CONT.)

7. Forfeiture accounts

Forfeited accounts, as defined in the Plan, will be applied first to reduce employer's contributions at the end of the plan year. Any remaining balance of forfeitures will be applied to pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$22 and \$0, respectively. During the year 2021, the Company had used \$29 to reduce the 2021 matching contribution. Forfeited credits of \$22 and \$0 at December 31, 2021 and 2020, respectively, were included in the investments at fair market value and reflected in the statement of net assets available for benefits. If forfeited credits were excluded from the investments, the total net assets available for benefits would be \$4,400,153 and \$2,268,053 at December 31, 2021 and 2020, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Date of management's review

Subsequent events were evaluated through October 17, 2022, which is the date the financial statements were available to be issued.

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of benefits

Benefits are recorded when paid. However, \$1,045,628 of allocated balances as of December 31, 2021 for terminated participants were not paid because the participants did not request the withdrawal of their vested balances.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

C. FAIR VALUE MEASUREMENTS (CONT.)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

		<u>Fair value</u> <u>measurements at</u> <u>reporting date using:</u> Quoted prices in active markets for identical assets (Level 1)
	<u>Fair value</u>	
<u>December 31, 2021</u>		
Money market funds	\$ 30,435	\$ 30,435
Mutual funds	<u>4,185,147</u>	<u>4,185,147</u>
Total	<u>\$ 4,215,582</u>	<u>\$ 4,185,147</u>
<u>December 31, 2020</u>		
Money market funds	\$ 22,222	\$ 22,222
Mutual funds	<u>\$ 2,189,025</u>	<u>\$ 2,189,025</u>
Total	<u>\$ 2,211,247</u>	<u>\$ 2,211,247</u>

Level 1 Fair Value Measurements

The fair value of money market funds and mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

D. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE/CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee/custodian as of and for the year ended December 31, 2021:

Investments at fair value:	
Money market funds	\$ 30,435
Mutual funds	4,185,147
Participants notes receivable	<u>184,593</u>
Total investments	\$ <u><u>4,400,175</u></u>
Investment income for the year:	
Interest and dividends	\$ 8,820
Net appreciation in fair value of investments	405,071
Interest on participant notes	<u>4,434</u>
Total investment income	\$ <u><u>418,325</u></u>

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

F. TAX STATUS

The Internal Revenue Service has informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

G. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds and money market accounts that are not managed by the custodian. Accordingly, these transactions do not qualify as party-in-interest transactions. Included in plan assets are loans with participants. Participants who borrow from the Plan and whose balances represent notes receivable qualify as parties-in-interest.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

K. CARES ACT AND COVID-19

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted in 2020 in reaction to the worldwide public health crisis that was triggered by an outbreak of a novel strain of coronavirus ("COVID-19"). Portions of the CARES Act made changes to existing law. The CARES Act expanded and permitted penalty-free distributions and distribution options, and enacted favorable tax treatment for up to \$100,000 of coronavirus-related distributions from eligible retirement plans (including section 401(k) plans) to qualified individuals, while implementing special rollover rules with respect to such distributions. It increased the limit on the amount a qualified individual may borrow from an eligible retirement plan and permitted a plan sponsor to allow qualified individuals up to an additional year to repay their plan loans. Plan Management implemented the provisions of the CARES Act in 2020.

The penalty exemptions offered by the CARES Act ended on December 31, 2020. The continuation of the effects of COVID-19 could result in significant disruption of global financial markets, however, the ultimate impact of COVID-19 on the financial performance of the Plan's investments cannot be reasonably estimated at this time.
