INDEPENDENT AUDITORS' REPORT

To the Trustees
V. Marchese, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of V. Marchese, Inc. Profit Sharing Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the plan. As permitted by 29 CFR 2520.013-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

V. MARCHESE, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - V. Marchese, Inc. Profit Sharing Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2021 through October 13, 2022, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which would impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - V. Marchese, Inc. is the plan sponsor/employer and the plan administrator. Cut Fresh, LLC is a participating employer as part of a controlled group. Sikich LLP is the third party administrator and performs various compliance tests as tax counsel. Two officers of V. Marchese, Inc. are the plan trustees. Morgan Stanley Smith Barney LLC is the plan's investment advisor. Transamerica Financial Life Insurance Company ("Transamerica") was the investment agent that maintained investment and participant records through March 31, 2020. Effective April 1, 2020, Great-West Trust Company, LLC is the investment agent that holds custody of the plan's mutual funds and maintains investment and participant records. Great-West Life & Annuity Insurance Company also holds custody of a plan investment. Empower Retirement is the brand name which refers to the products and service provided by both Great-West entities discussed above, collectively referred to as "Great-West".

Investments - The plan sponsor/employer determines the investments available to plan participants. The participants allocate their company contributions and transfer existing balances among the available investment options. Earnings, including the net appreciation (depreciation) in fair value of investments bought, sold and held during the years, are reflected in the statements of changes in net assets available for benefits. Participants should refer to the investment account summaries and prospectuses for more information.

Investments at fair value - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows.

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

Mutual funds - The plan invests in mutual funds, which are valued at the daily quoted market prices as reported by the funds. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value and are deemed to be actively traded.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as summarized below.

	Investments at fair value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds and other	\$5,001,942	\$ -	\$ -	\$5,001,942
Total investments at fair value	\$5,001,942	\$ -	\$ -	\$5,001,942

	Investments at fair value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds and other	\$5,468,284	\$ -	\$ -	\$5,468,284
Total investments at fair value	\$5,468,284	\$ -	\$ -	\$5,468,284

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General - The plan was established on January 1, 1993 as a defined contribution profit sharing plan and was restated effective September 1, 2016 to allow participants to direct the investments in their accounts and to comply with all applicable rules and regulations. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible once they have completed one year of service, defined as 1,000 hours, are employed on the last day of the year, and have reached age 21 unless they are classified as leased employees in which case they are not eligible to participate in the plan. An employee enters the plan on the January 1 or July 1 after meeting the eligibility requirements.

Contributions - The employer makes discretionary profit sharing contributions to the plan as determined by its board of directors. Participants are grouped into one of four different classifications and within each classification the employer contribution is allocated to participants on a pro-rata basis based on compensation earned during the year. No profit sharing contributions were declared for 2021 and 2020. There are no employee contributions to the plan.

Participant accounts - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with an allocation of the employer's contribution. Participants are allowed to transfer funds between the various investment options daily.

Vesting - Participants begin vesting in employer contributions and related earnings upon two years of service, at which time they are 20% vested. The participant then vests at the rate of 20% for each year thereafter. Upon death, disability or qualified retirement, participants become 100% vested.

Payment of benefits - Benefit payments may commence upon termination of employment, death, disability, or attainment of normal retirement age (defined by the plan as age 62). Distributions may be in the form of a single lump sum or installment payments. In-service withdrawals of fully vested accounts may commence upon attaining age 59 ½. Hardship withdrawals are permitted in certain circumstances.

Administrative expenses - Certain administrative fees of the plan are paid by the employer. Certain other fees are paid using plan assets and recorded as administrative expenses in the accompanying financial statements. Administrative expenses include participant directed charges for distribution fees and nonparticipant directed charges for services and administrative fees.

Loans to participants - Loans to participants are not permitted under the plan.

Forfeitures - Forfeited nonvested accounts can be utilized to reduce the amount of the employer contributions or be reallocated to participants. There were no forfeitures used in 2021 and 2020. Unapplied forfeitures were \$28,000 and \$25,000 as of December 31, 2021 and 2020, respectively.

3. PARTY-IN-INTEREST TRANSACTIONS

Transamerica and Great-West managed/manage plan investments and were/are the investment agents, therefore, investment transactions qualify as party-in-interest transactions. Direct fees paid by the plan to the investment agents were \$35,000 in 2021 and \$15,000 in 2020. Certain fees are allocated to the participants on an account value basis.

Transamerica and Great-West also provided/provides certain administrative services to the plan pursuant to service agreements between the plan sponsor and the agents. The agents receive revenue from investment service providers for services the agents provide to the funds. This revenue is partially used to offset certain amounts that would otherwise be owed by the plan for administrative services provided to the plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the employer has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and related earnings.

5. INCOME TAX STATUS

Prior to January 1, 2022, the plan was operating under an Evolution Retirement Services, Inc. Prototype Non-Standardized Profit Sharing Plan that received a favorable opinion letter on March 31, 2014. Effective January 1, 2022, the plan adopted a Sikich LLP Non-Standardized Defined Contribution Pre-Approved Plan that received a favorable opinion letter on June 20, 2020. There were no functional changes to the plan in connection with the adoption of the new Non-Standardized Plan. The opinion letters from the Internal Revenue Service state that the plans, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained separate Internal Revenue Service opinion or determination letters for the plan. The plan administrator and tax counsel believe that the plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by applicable authorities. Plan management analyzed the requirements for accounting such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2021 and 2020. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

6. INFORMATION CERTIFIED BY THE AGENTS

Management has obtained certifications from the agents as defined in Note 1, which are qualified institutions under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held by the agents for the plan and the fair values of such as of December 31, 2021 and 2020;
- b. Dividend and interest income and net appreciation (depreciation) in fair value of investments during the years ended December 31, 2021 and 2020;
- c. Purchases and sales of investments during the years ended December 31, 2021 and 2020; and
- d. Contributions to, investment income credited to, benefits paid from and transfers between investment accounts the years ended December 31, 2021 and 2020.
