INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
NEP Broadcasting, LLC 401(k) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the NEP Broadcasting, LLC 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, and to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NEP BROADCASTING, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the NEP Broadcasting, LLC 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution savings plan originally established by NEP Supershooters, L.P. (an affiliated entity through common ownership) on June 3, 1991. Effective January 1, 2003, the Plan was transferred from its former sponsor, NEP Supershooters, L.P., to NEP Broadcasting, LLC (Company). The Plan is administered by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees are eligible to participate in the Plan upon attaining age 18, on the first day of the month coinciding with or immediately following their date of hire. Employees meeting the above eligibility requirements are automatically enrolled in the Plan at a 3% deferral rate, unless he or she specifically opts out of automatic enrollment. Employees who are auto-enrolled are eligible on the first day of the month coinciding with or immediately following their date of hire, and are automatically entered into the Plan at that date, providing that the age requirement has been met.

Contributions - Each participant in the Plan may elect to make salary deferral contributions, including Roth deferrals. Participants may contribute to the Plan a maximum amount that does not exceed 90% of eligible compensation and will not cause the Plan to violate the provisions of the Actual Deferral Percentage Test or the Maximum Annual Additions Test provided in Internal Revenue Code (IRC) Section 415, while also subject to the dollar amount limitation imposed by Section 402(g) of the IRC: \$19,500 for 2021. The Plan allows participants who attain age 50 by the end of the plan year to make catchup contributions of \$6,500 for the 2021 plan year. Combined contributions made to the traditional 401(k) account and Roth 401(k) account may not exceed the above-mentioned maximum allowable contribution guidelines. Traditional 401(k) contributions are excluded from the participants' federal taxable income (but not necessarily state and local taxable income) until such amounts are received by them as a distribution from the Plan. Roth 401(k) contributions are included in the participant's taxable income in the tax year contributions are made. Roth 401(k) distributions and earnings are not subject to taxes, provided the distribution is made at least five years after the first Roth contribution was made and after the participant attains the age of 59-1/2. In addition, the Company provides an employer matching contribution equal to 100% of the participant's combined traditional 401(k) and Roth 401(k) contribution, limited to 2% of the participant's total eligible compensation. All employer matching contributions are made to the traditional 401(k) account in accordance with the Economic Growth Tax Relief Reconciliation Act.

The employer may also contribute an additional discretionary amount. Such contributions, if any, are allocated to each participant account in proportion to his or her eligible earnings for the plan year while a participant. Only participants who have completed a year of service (1,000 hours) during the plan year and are actively employed on the last day of the plan year are eligible to share in the discretionary contribution for the year. There were no discretionary contributions for the 2021 plan year.

NEP BROADCASTING, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts - Each participant's account is adjusted by the participant's salary deferral contributions, rollover contributions (if any), withdrawals or distributions made, the employer matching contributions and an allocation of (a) employer discretionary contributions; (b) plan earnings and losses; and (c) administrative fees. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants - A loan provision is available to participants, who may borrow from their individual accounts. The minimum amount permitted to be borrowed is \$1,000, while the maximum amount cannot exceed the lesser of \$50,000 reduced by the highest outstanding note receivable balance for the participant during the prior 12-month period or 50% of the participant's vested account balance. The Plan permits qualifying participants up to one outstanding borrowing from their account. If the qualifying participant has an existing note, he or she may not apply for another note until the existing note is paid in full. The period of repayment is not to exceed five years unless it is for the purchase of a principal residence, in which case the repayment period may not extend beyond 15 years. Interest is fixed at the prime lending rate in effect at the time the note is entered into plus 1%. Notes receivable are secured by participant vested account balances. Principal and interest is paid ratably through biweekly deductions.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law, providing both plan sponsor and participant relief. Under the CARES Act, the Plan elected to increase the maximum loan borrowing for certified individuals to 100% of the participant's vested account balance or \$100,000, and allowed participants who had loans due from March 27, 2020 through December 31, 2020 to delay repayments and extend the term of the loan for up to one year.

Vesting - Participants are immediately and always fully vested in their voluntary salary deferral contributions, rollover contributions, plus or minus actual earnings or losses thereon. Participants vest in the Company's matching and discretionary contributions ratably over a four-year period or earlier, upon normal retirement after attaining age 62, total permanent disability or upon death.

Payment of Benefits - Benefits are recorded when paid. Upon termination of service, inclusive of death, disability and retirement, distributions from the Plan will be made in a single lump-sum cash payment. If a participant's vested benefit in the Plan exceeds \$5,000, the participant must consent to the distribution before it is made. If a participant's vested benefit in the Plan does not exceed \$5,000, the benefit will be distributed to the participant in a lump-sum payment as soon as administratively feasible. In addition, the Plan provides for in-service withdrawals. Hardship withdrawals from a participant's elective contributions account balance are allowable under certain circumstances. The Plan administrator may determine that a financial hardship exists based on several events outlined in the Plan document. Events that may constitute financial hardship include expenses for medical care, payment of tuition expenses, costs related to the purchase of a principal residence, and payments necessary to prevent the participant from being evicted from his or her principal residence. In addition, the Plan administrator must also determine if the participant has any other alternative resources available to him/her before granting a hardship withdrawal.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeiture - A forfeiture results from the nonvested portion of the employer matching and/or discretionary account of a terminating participant. The Plan requires that a forfeiture will occur as of the earlier of (a) the last day of the plan year in which the former participant incurs five consecutive one-year breaks in service, or (b) the distribution of the entire vested portion of the participant's account balance. If a participant received a distribution of participant-vested account balance and is subsequently reemployed, the participant may have the right to repay this distribution. If the entire amount of the distribution is repaid, the forfeited amount of the participant account balance will be restored. This repayment must be made within five years from the date of reemployment or, if earlier, before the participant incurs five consecutive one-year breaks in service. If a participant was fully vested when he or she left, the participant does not have the opportunity to repay the participant distribution.

If a participant has no vested benefit in the account balance when he/she terminates employment, the account balance will be terminated. However, if the participant returns to service before incurring five consecutive one-year breaks in service, the participant account balance as of participant termination date will be restored, unadjusted for any gains or losses.

Forfeited amounts in any year are used to reduce employer matching or employer discretionary contributions or to correct any failed discrimination tests. The forfeiture account balance is also permitted to be used for Plan administrative expenses previously paid by the Company. At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$71,000 and \$69,000, respectively. During 2021, employer contributions were reduced by approximately \$69,000 from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by management in the preparation of the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Plan are presented using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments in mutual funds are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement. Investments that are considered to be fully benefit-responsive are stated at contract value because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of contract value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements and are immaterial. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events - Subsequent events were evaluated through October 17, 2022, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The Mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

		2021		
		Level 1	Level 2	Level 3
		Total		
Mutual funds	\$	172,201,876	-	-
		\$	172,201,876	
		2020		
		Level 1	Level 2	Level 3
		Total		
Mutual funds	\$	150,325,089	-	-
		\$	150,325,089	

NOTE 4 - STABLE VALUE FUND

In 2020 and 2021, the Plan held an interest in the New York Life Anchor Account, a stable value fund that is a pooled account with New York Life Insurance Company (New York Life) and made available to participating plans through a group annuity contract. Contributions to the fund are directed to a New York Life pooled separate account, which primarily invests in a diversified portfolio of high-quality, fixed-income securities that are owned by New York Life. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting interest rate is reviewed on a semiannual basis for resetting.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value, which is the relevant measure for fully benefit-responsive investment contracts since it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Fidelity Management Trust Company (Fidelity), represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 - STABLE VALUE FUND (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer, including (1) amendments to the Plan's documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletions of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan; (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer that also would limit the ability of the plan to transact at contract value with the participants.

NOTE 5 - CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments at December 31, 2021 and 2020, and investment income and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, the trustee of the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, participants would become 100% vested in their employer contributions.

NOTE 7 - TAX STATUS

The Plan has adopted a nonstandardized volume-submitter plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants are loans from the Plan that are held by employees of the Company, the sponsor of the Plan. Additionally, certain Plan investments are managed by the trustee, therefore these transactions qualify as party-in-interest transactions that are allowable under ERISA. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.
