INDEPENDENT AUDITOR'S REPORT

Plan Trustees and Administrators
Edwards Companies 401(k) Savings Plan and Trust
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Edwards Companies 401(k) Savings Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Edwards Companies 401(k) Savings Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the Edwards Companies 401(k) Savings Plan and Trust (the “Plan”), is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: Edwards Companies 401(k) Savings Plan and Trust is a 401(k) profit sharing plan, formed effective April 1, 2004 for the purpose of providing retirement benefits to the employees of The Edwards Companies, LLC and its affiliated companies (the “Company”).

Eligibility: All employees as defined by the Plan document who have attained age 18 and have completed one half year of service are eligible to make compensation reduction contributions to the Plan. Participation is voluntary.

Participant Contributions: A participating employee may elect to defer up to 90% of eligible compensation to the Plan. However, total deferrals by an individual participant in any calendar year may not exceed a dollar limit set by law (\$19,500 in 2021). This limit may be increased in future years for cost of living changes. Plan participants who are at least 50 years old by the end of the year may make special “catch-up” contributions. The limit for “catch-up” contributions was \$6,500 in 2021.

Employer Contributions: At the Company’s discretion, it may choose to match up to 25% of the first 8% of compensation reduction contributions made by participants. For 2021, the Company made \$120,643 in discretionary matching contributions.

The Company also has the ability to make a discretionary profit sharing contribution on behalf of all qualified employees (18 years of age and one half year of service completed as of the last day of the Plan year). Each qualified employee receives a pro rata share of a profit sharing contribution based on the relationship of his or her compensation to total compensation times the amount contributed. No discretionary profit sharing contribution was made during 2021.

Participant Accounts: Each participant’s account is credited with the participant’s contributions, employer’s matching contributions, employer’s profit sharing contributions, forfeiture redistributions and Plan earnings or losses, and is charged with his or her withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from his or her vested account.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

1. Description of the Plan (continued)

Notes Receivable from Participants: The Plan allows for notes receivable from participants. These notes are secured by the vested portion of the participant's account balance. The amount a participant may borrow is limited to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest payments are made via payroll deductions or check.

Forfeitures: Forfeitures are made available to reinstate previously forfeited account balances of reemployed participants. Remaining forfeitures are used to reduce the employer's contributions, and if so elected by the employer, to reduce administrative expenses, and/or allocated to eligible participants who are employed as of the last day of the year. During 2021, no forfeitures were used to reduce employer contribution and \$17,145 were used to pay expenses of the Plan. There were \$13,643 and \$19,807 of unused forfeitures at December 31, 2021 and 2020, respectively.

Vesting: Participants are immediately vested in their voluntary contributions plus earnings (losses) thereon. Participants vest in the Company's matching contribution 100% after three years of service. The Company's profit sharing contribution, plus actual earnings thereon vests at a rate of 20% per year after two years of service until they are 100% vested after 6 years of service.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum payment equal to the vested interest in his or her account, or annual installments over their life expectancy. For termination and other distributions, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or in installments. A participant may withdraw his or her vested account balance prior to normal retirement age only upon reaching age 59 ½ or upon demonstrating a hardship need as defined by the Internal Revenue Code ("IRC").

Administrative and Investment Management Expenses: The Plan's record keeping and custodial fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. Expenses include, but are not limited to plan management, investment, and legal and audit fees. All other expenses of the Plan are paid by the Company.

Investment Options: The participant directs both their own and the Employer's contributions into the investment options offered by the Plan. At any time, participants may also elect to reallocate existing account balances between investment options or to change their investment elections for future contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting: The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Risk and Uncertainties: The Plan provides for various investment options. The investments are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Excess Contributions: Refunds of excess participant deferral contributions may be required to satisfy the relevant nondiscrimination provisions of the Plan. Such refunds are accrued as a liability and reduction in contributions in the Plan year in which the excess deferrals were made to the Plan.

Benefit Payments: Benefit payments to participants are recorded upon distribution.

Subsequent Events: Management has evaluated all subsequent event transactions and events through October 17, 2022, the date on which these financial statements were available to be issued and have determined that there were no subsequent events requiring recognition or disclosure in the financial statements other than the below.

3. Fair Value Measurements

ASC 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of its investments. There have been no changes in methodologies used at December 31, 2021 and 2020.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in the collective trusts are based on the net asset values per unit as reported by the fund managers. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trusts, the issuer reserves the right to require 24 month notice in order to ensure that securities liquidations will be carried out in an orderly business manner. The Plan has no contractual obligations to further invest in the funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements (continued)

Investments are measured at fair value on a recurring basis are summarized below:

		Assets at Fair Value as of December 31, 2021			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 10,942,763	\$ -	\$ -	\$ 10,942,763
Total assets in the fair value hierarchy		<u>\$ 10,942,763</u>	<u>\$ -</u>	<u>\$ -</u>	<u>10,942,763</u>
Collective trusts	(a)				4,851,442
Investments at fair value					<u>\$ 15,794,205</u>

		Assets at Fair Value as of December 31, 2020			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 9,032,001	\$ -	\$ -	\$ 9,032,001
Total assets in the fair value hierarchy		<u>\$ 9,032,001</u>	<u>\$ -</u>	<u>\$ -</u>	<u>9,032,001</u>
Collective trusts	(a)				4,489,227
Investments at fair value					<u>\$ 13,521,228</u>

- (a) In accordance with Subtopic 820-10 of ASC 820, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Certified Investments and Notes Receivable from Participants

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

5. Income Tax Status

The Plan sponsor adopted a Non-Standardized Prototype Plan Document. The Internal Revenue Service has determined and informed the prototype plan sponsor, by an opinion letter dated June 30, 2020, that the prototype plan is designed in accordance with applicable sections of the IRC. Plan management believes that the Plan is currently designed and is being operated in compliance with applicable requirements of the IRC.

Edwards Companies 401(k) Savings Plan and Trust
Notes to Financial Statements
December 31, 2021 and 2020

5. Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the Department of Labor or Internal Revenue Service. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

6. Parties-In-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. At December 31, 2021 and 2020, certain Plan investments were shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company is a subsidiary of Fidelity Investments and is a trustee as defined by the Plan, and therefore, these investments qualify as party-in-interest investments. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Additionally, certain consulting services were provided to the Plan and therefore, qualifies as a party-in-interest. The Plan held notes receivable from participants which represent party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. Upon the termination of the Plan, the rights of each participant to the assets then held for his or her account under the Plan become non-forfeitable.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31, 2021	December 31, 2020
Net assets available for benefits per the financial statements	\$ 15,872,983	\$ 13,591,324
Excess contributions payable	15,027	-
