Independent Auditors' Report

To the Plan Administrator of
Service First Insurance Group, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Service First Insurance Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Service First Insurance Group, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Service First Insurance Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Service First Insurance Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Service First Insurance Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year), Schedule H, Line 4(i) as of December 31, 2021 and the Schedule of Delinquent Participant Contributions, Schedule H, Line 4(a) for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Service First Insurance Group, LLC 401(k) Plan (formerly Sound Shore Holdings, LLC Companies 401(k) Plan). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Service First Insurance Group, LLC 401(k) Plan

Notes to Financial Statements Year Ended December 31, 2021

1. Description of the Plan

The following brief description of the Service First Insurance Group, LLC 401(k) Plan (the "Plan") provides only general information. The Plan was formerly known as Sound Shore Holdings, LLC Companies 401(k) Plan, and was renamed effective January 1, 2021. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan and covers all eligible employees of Cypress Group Holdings, Inc. and its affiliates (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees of the Company with the exception of union, nonresident aliens, and leased employees, are eligible to participate immediately in elective deferral contributions, profit sharing contributions, and non-safe harbor contributions.

Contributions

Contributions to the Plan are made by eligible employees on either a pre-tax or post-tax ("Roth") basis. Contributions may be made by eligible employees up to the maximum allowable under the Internal Revenue Code ("IRC") in any calendar year (\$19,500 plus \$6,500 for catch-up contributions for eligible employees), or 100% of their annual earnings.

Any participant who did not make an affirmative election to the contrary shall be deemed to have elected participation in the Plan's automatic deferral provision under which each eligible employee who has not made an elective deferral shall be deemed to have elected to make a deferral of 6% of compensation, as defined by the Plan, for the years ended December 31, 2021 and 2020.

For 2021 and 2020, the Company has elected to make safe harbor contributions. The Company's safe harbor contributions equal 100% of each participant's elective deferral, up to the first 6% of the participant's eligible compensation.

The Company may also make discretionary profit sharing contributions to the Plan. In 2021 and 2020, the Company did not make any discretionary contributions or non-safe harbor matching contributions.

Participants may also make rollover contributions from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined. Contributions to the Plan are invested by the custodian as directed by the participants. Each participant may elect one or more of the investment vehicles offered pursuant to the Plan.

Vesting

The Plan provides that participants shall at all times be fully vested in all funds contributed to the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a reasonable rate, which is determined by the Company, based on the prevailing rates, and must be repaid within five years. Loan repayments are made through payroll reductions and are monitored by the plan administrator.

Service First Insurance Group, LLC 401(k) Plan

The maximum number of loans a participant may have outstanding at any time is one. Certain fees, as defined, are charged to the participant for each loan made and while the loan is outstanding. The interest rates charged on loans outstanding as of December 31, 2021 ranged from 4.25% to 6.50% per annum and the loans mature on various dates through 2025.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act includes several relief provisions available to the Plan and its participants. The Plan Administrator has evaluated and adopted the following provisions:

- Availability of coronavirus-related distributions in 2020, taken during March 27, 2020 through December 31, 2020, where impacted participants had the option to take a distribution of up to \$100,000 if certain criteria were met.
- Waiver of 2020 required minimum distributions
- Loan deferment and enablement, where participants had the option to borrow the lesser of 100% vested balance or \$100,000 for loans initiated between March 27, 2020 through September 22, 2020.

In accordance with the CARES Act, the Plan will be amended to retroactively adopt these provisions no later than the last day of the plan year beginning on or after January 1, 2022.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participants' vested interest in his or her account.

Participants experiencing serious financial hardships may also be entitled to a withdrawal upon approval of the plan administrator. All distributions are made in cash as a lump-sum payment.

Participants are also entitled to in-service distributions provided that they attain 59 ½ years of age.

Qualified distributions of Roth contributions, and earnings, thereon, may be made under certain conditions as defined in the Plan.

Administration

The non-investment administrative expenses of the Plan, if not paid by the Company, are paid by the Plan.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date-basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Service First Insurance Group, LLC 401(k) Plan

Forfeitures

Forfeitures shall be used to reduce any employer contribution or pay plan expenses.

Reclassifications

Certain amounts in 2020 have been reclassified to conform with the 2021 presentation.

3. Financial Information Certified by the Plan's Custodians

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Great-West Life & Annuity Insurance Company, specifically related to the fixed annuities, and Great-West Trust Company, LLC, related to all other investments aside from the fixed annuities, the Plan's custodians, have certified that the following information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the accompanying financial statements, is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020 and the supplemental schedule of assets (held at end of year) as of December 31, 2021.
- Investment activity and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

4. Fair Value Measurements

The accounting guidance, titled *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value of measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value fall into one of the three levels of the fair value hierarchy and are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

- *Mutual Funds and Self-Directed Brokerage Accounts* – Valued at quoted market prices which represent the net asset value ("NAV") of shares held by the plan at year-end.
- *Fixed Annuities* – The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as reported by the annuity provider.
- *Collective Trust Funds* – Valued by observing share prices or NAV's that are obtained directly from the fund house or other investment provider.

Service First Insurance Group, LLC 401(k) Plan

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

December 31, 2021

	Level 1	Level 2	Total
Mutual funds	\$11,200,992	\$ -	\$11,200,992
Fixed annuities	-	557,194	557,194
Self directed brokerage accounts	15,513	-	15,513
Total investments in the fair value hierarchy	<u>\$11,216,505</u>	<u>\$ 557,194</u>	11,773,699
Common collective trusts, measured at net asset value (a)			<u>8,713,987</u>
Total investments at fair value			<u>\$ 20,487,686</u>

December 31, 2020

	Level 1	Level 2	Total
Mutual funds	\$ 9,170,143	\$ -	\$ 9,170,143
Fixed annuities	-	463,622	463,622
Self directed brokerage accounts	20,370	-	20,370
Total investments in the fair value hierarchy	<u>\$ 9,190,513</u>	<u>\$ 463,622</u>	9,654,135
Common collective trusts, measured at net asset value (a)			<u>6,591,150</u>
Total investments at fair value			<u>\$ 16,245,285</u>

- (a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. Income Tax Status

The Plan is a volume submitter profit sharing plan from Sentinel Benefits Group Inc. An opinion letter was obtained on the volume submitter plan dated November 30, 2020, stating that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). Generally, the Plan administrator and the Plan may rely on the opinion letter received as to the form of the Plan qualifying under the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Service First Insurance Group, LLC 401(k) Plan

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that it is no longer subject to income tax examinations for years prior to 2018.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Plan Termination

The Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. The Plan Sponsor shall make no further contributions after the termination of the Plan. In the event of plan termination, amounts credited to the employee's account as of the date of termination will be fully vested.

9. Transactions with Party-in-Interest

Certain Plan investments are funds managed by Great-West Trust Company, LLC and Putnam Investment Company, which are affiliates of Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

Fees paid by the Plan for these services to Great-West Life & Annuity Insurance Company included in administrative fees were \$25,858 and \$17,326 for the year ended December 31, 2021 and 2020, respectively.

10. Subsequent Events

The Plan has evaluated subsequent events through October 17, 2021, the date these financial statements were available for issuance.
