INDEPENDENT AUDITORS' REPORT

Board of Trustees
Tri-Gas & Oil Co., Inc.
401(k) Profit Sharing Plan and Trust
Federalsburg, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has

been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust were audited by TGM Group, LLC who have merged with UHY LLP as of January 3, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The image shows a handwritten signature in dark ink. The letters 'UHY' are written in a large, stylized, cursive font, and 'LLP' is written in a smaller, more standard cursive font to the right of 'UHY'.

TRI-GAS & OIL CO., INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2021

Note 1. DESCRIPTION OF PLAN

The following description of the Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Tri-Gas & Oil Co., Inc. (the "Company") who have six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and is qualified under Section 401(k) of the Internal Revenue Code, as amended.

Tri-Gas & Oil Co., Inc. is the Plan administrator. Reliance Trust Company is the asset trustee of the Plan and T. Rowe Price is the Plan's recordkeeper.

Comfort Plus Services, LLC is an adopting employer and participates with Tri-Gas & Oil Co., Inc. in the Plan.

Contributions

Participants may contribute an amount not to exceed the dollar limit that is set by law, of pretax and post-tax annual compensation, as defined by the Plan. The Plan has an automatic enrollment and salary deferral feature. For newly eligible participants salary deferrals equal to 3% of eligible compensation will be contributed as pre-tax deferrals. Effective June 1, 2020 there are automatic elective deferral increases of 1% of eligible compensation yearly until a maximum deferral of 6% is reached. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Beginning in 2021, the Company contributes 75 percent of the first six percent of base compensation that a participant contributes to the Plan. Prior to 2021, the Company contributed 50 percent of the first six percent of base compensation. The matching Company contributions are invested in a portfolio of investments as directed by the participant. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments as directed by the participant. Contributions are subject to certain limitations. For the years ended December 31, 2021 and 2020 the Company did not make any additional profit-sharing contributions to the Plan.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 32 mutual fund accounts and one stable value fund as investment options.

Note 1. DESCRIPTION OF PLAN (Continued)

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution and b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 20 percent vested each year after two years of credited service, and is 100 percent vested after six years of credited service. However, the vesting percentage for a participant who is an employee on or after the earliest of 1) the date he/she reaches normal retirement age, 2) the date of death, 3) the date he/she meets the requirements of early retirement date, or 4) the date of total and permanent disability, shall be 100% on such date.

Notes Receivable from Participants ("Loans")

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. A participant may have only one outstanding loan at a given time. The loans, which are evidenced by notes receivable, are secured by the balance in the participant's account and bear interest at a reasonable fixed rate as of the date of origination. Principal and interest is paid ratably through payroll deductions and all interest paid is credited to the participant's account.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity. Other forms of benefits are available. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Excess Contributions

Excess contributions primarily represent salary deferrals withheld from participants in excess of IRC limitations. These amounts are refunded to participants subsequent to year-end. Excess contributions for 2021 were recorded as a liability and refunded to participants in 2022. Excess contributions for 2020 had not been returned to participants at December 31, 2021 (see Note 5).

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeited Accounts

During 2021, **\$3,000** in Plan administrative expenses were paid from forfeited non-vested accounts.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates and Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted within the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported by Reliance Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants ("Loans")

Notes receivable from participants are recorded at the unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investments Expenses

Certain administrative expenses of the Plan are paid by Tri-Gas & Oil Co., Inc.

Note 3. INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation/depreciation in the fair value of investments, interest, and dividends for the year ended December 31, 2021 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company.

Note 4. FAIR VALUE MEASUREMENTS

ASC Topic 820 Fair Value Measurements establishes the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan determines the fair value of its financial instruments based on the fair value hierarchy. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Transfers between levels are recognized at the end of the reporting period.

Note 4. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Various mutual funds are offered to Plan participants. Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Stable value common collective trust fund: The T. Rowe Price Stable Value Fund is the only stable value common collective trust fund available to the Plan. The Plan uses the net asset value ("NAV") per share of the fund provided by the trustee as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of funds, the trustee reserves the right to require 12 or 30 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The fund's units are redeemed daily at a constant NAV of \$1 per unit. There are no unfunded commitments. The fund invests in a variety of investment contracts such as guaranteed investment contracts ("GICs"), bank investment contracts ("BICS"), synthetic investment contracts ("SICS"), and/or separate account contracts ("SACS"). The fund's investment objective is stability of principal and high current income.

Interest-bearing cash: Valued at the dollar value of cash held in the account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Common collective trust measured at net asset value (a)	<u>134,990</u>			
	<u>\$ 7,279,097</u>			

The Plan has no assets or liabilities utilizing fair value measurements on a non-recurring basis.

Note 5. EXCESS PARTICIPANT CONTRIBUTIONS

Excess participant contributions for the year ended December 31, 2021 total **\$6,138** which includes \$4,097 in excess participant contributions from the year ended December 31, 2020 that have not been returned by the Plan as of December 31, 2021. The Plan took corrective measures during 2022. As a result, in addition to the excess contributions payable, the Plan has recorded an employer contribution receivable of \$4,097 and an other payable of \$410 to reflect potential excise taxes due.

Note 6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain officers of the Company are Trustees of, and participants in the Plan. Certain Plan investments are shares of funds managed by. T. Rowe Price Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to **\$31,399** for the year ended December 31, 2021.

For the year ended December 31, 2021

Note 7. PLAN TERMINATION

In the event of termination of the Plan, the net value of each participant's account shall become fully vested. Upon termination no portion of the Plan's assets may be used for any purpose other than the exclusive benefit of the participants and their beneficiaries. Although it has not been expressed any intent to do so, the Plan has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8. INCOME TAX STATUS

The Plan was amended and restated effective December 31, 2021 to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). The Plan utilizes the Non-Standardized Defined Contribution Pre-Approved Plan as provided by DST Retirement Solutions, LLC which obtained its latest opinion letter on June 30, 2020, whereby the IRS stated that the Defined Contribution Volume Submitter Plan and Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan was previously amended and restated on June 1, 2020 when the asset trustee was changed to Reliance Trust Company and the recordkeeper was changed to T. Rowe Price. That amended and restated Plan utilized the DST Retirement Solutions, LLC Volume Submitter 401(k) Profit Sharing Plan and obtained its latest opinion letter on June 1, 2015. The Plan had been amended since receiving that opinion letter, however, the plan administration believes that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. As of December 31, 2021, the following tax years are subject to examination for both federal and state jurisdictions: open years for filed returns: 2018 through 2020; returns to be filed in 2022: 2021.

Prior to that, the Plan utilized the Prototype Non-standardized Profit-Sharing Plan with CODA as provided by Principal, which obtained its latest advisory letter on March 31, 2014, in which the Internal Revenue Service stated that the form and content of the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan had been amended since receiving the advisory letter, however, the plan administration believed that the Plan was designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more than likely than not would not be sustained upon examination. The plan administrator has analyzed tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no current audits for any tax periods in progress.

Note 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
