INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
OnePoint HRO, LLC Multiple Employer 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of OnePoint HRO, LLC Multiple Employer 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OnePoint HRO, LLC Multiple Employer 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OnePoint HRO, LLC Multiple Employer 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from

material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OnePoint HRO, LLC Multiple Employer 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OnePoint HRO, LLC Multiple Employer 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OnePoint HRO, LLC Multiple Employer 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at Year End as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the

underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ONEPOINT HRO, LLC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of OnePoint HRO, LLC Multiple Employer 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General and Eligibility

The Plan is a defined contribution plan covering all eligible employees of participating employers (collectively the "Company"). The participating employers elect the eligibility and date of entry on the Participation Agreement. Participating employers may elect a service period requirement for eligibility of immediate, three months, six months or one year. Participating employers may elect a monthly or quarterly plan entry date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Investment Options

Each year, participants may contribute up to 100% of pretax annual compensation as defined by the Plan, subject to qualified limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows for both catch up and Roth contributions.

For each Plan year, the participating employers elect the formula for employer matching contributions as offered in the participation agreement. The participation agreement allows the participating employers to elect to make no employer matching contribution, discretionary matching contributions, or a basic 401(k) safe harbor match. In addition, the participating employers may elect to make non-elective discretionary contributions.

Participants direct the investment of their account balances into participant-directed and self-directed accounts. For participant-directed accounts, participants may choose between various mutual fund investments offered by Mid-Atlantic Trust Company. Participants can change their investment allocations at their discretion by communicating directly with the Plan custodian via the telephone or internet. Participants direct the investment of their accounts by electing the percentages they wish to allocate between investment alternatives. The Plan provides a qualified default investment alternative for those participants who do not make an investment election. For self-directed accounts, participants may invest in individual stocks, bonds, or other securities selected by the employee which are publicly traded on major U.S. exchanges.

Participant Accounts

Separate accounts are maintained for each participant and are credited with the participant's contributions, employer matching and extra contributions, and rollover contributions, if any, including the allocations of earnings and losses to these accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow up to 50% of his or her vested balance subject to a minimum of \$1,000 and a maximum of \$50,000, with any note secured by such 50% portion, under rules adopted by the Plan administrator. Such rules are subject to certain conditions, including: the term of the note may not exceed five years (or a reasonable period of time if participant is acquiring a principal residence); the interest rate shall be the prime rate plus

2% which management considers to be commensurate with then prevailing rates in the local community for similar notes; for employees, notes shall be repaid by payroll deductions in approximately equal payments; notes for terminated employees are repaid at least quarterly in advance, and; notes shall be repaid at the time a distribution becomes payable to the borrower by deducting unpaid principal and interest from the benefits otherwise payable. Based on contribution allocations, the aggregate note balance is estimated to be repaid to the funds in a proportionate manner. The notes bear interest at rates that range from 4.25% to 7.15%.

Vesting

Participants are immediately vested in their voluntary contributions and in their employer safe harbor contributions plus actual earnings thereon. For employer contributions, not subject to the safe harbor provisions, a participating employer may elect immediate vesting or a vesting schedule equal to 20% after the first two years, then 20% for each year of service until participants are fully vested after six years or more. Participants are credited for a year of service for each calendar year in which the participant completes 1,000 hours of service. Participants also become fully vested in all of their accounts in the event of retirement after age 65, upon death or disability, or if the Plan is terminated.

Non-vested balances of employees who terminate are forfeited and may be used to reduce future employer matching contributions or Plan expenses at the end of the Plan year.

Hardship Withdrawals

Participants may withdraw from the Plan part or all of the participant's contributions in the event of undue financial hardship. The maximum hardship withdrawal is the total of a participant's 100% vested balance. The Trustees shall determine what portion of all of such account balance is necessary to alleviate the hardship. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, or any dependents of the participant;
2. The purchase (excluding mortgage payments) of a principal residence of a participant;
3. Certain educational expenses for the participant, his or her spouse, or dependents of the participant;
4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence; or
5. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Payment of Benefits

At the time of a participant's retirement or termination of employment because of disability, or termination of employment for reasons other than retirement, death or disability, a

participant is entitled to receive a lump sum payment of the full amount of his or her before-tax, after-tax, rollover, and safe harbor contribution accounts plus the vested portion of his or her prior years' matching and extra contribution accounts.

A participant may choose either a cash distribution with the mandatory 20% withholding for tax or a rollover distribution for the full amount to another qualified plan or an individual retirement account.

Death Benefits

If an active employee dies, the participant becomes fully vested. The participant's account balances are paid in a lump sum to the beneficiary.

Forfeited Accounts

Forfeitures from non-vested accounts may be used to reduce matching or non-elective employer contributions or plan expenses. For the years ended December 31, 2021 and 2020, \$0 of forfeited amounts were used to reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$49,025 and \$36,574, respectively.

Investment Management Fees and Operating Expenses

Certain investment management fees and operating expenses are charged to the Plan for investments in mutual funds and are deducted from income earned on a daily basis and reflected as a component of administrative fees.

Administrative Expenses

Fees for the investment managers, third party administrators, and the audit are paid out of assets of the Plan. OnePoint HRO LLC, the Plan sponsor, pays all other fees incurred by the Plan and provides personnel who perform various administrative services. The expenses incurred by the Plan sponsor are not included in the accompanying financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Valuation of Investments and Income Recognition

Investments are stated at fair value. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon the terms of the plan document. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded.

ONEPOINT HRO, LLC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting guidance on fair value measurements and disclosures defines fair value, establishes a framework for measuring the fair value of assets and liabilities using a hierarchy system and defines required disclosures. It clarifies that fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the reporting entity transacts business.

The Plan's statements of net assets available for benefits contain Plan investments that are recorded at fair value on a recurring basis. The three-level valuation hierarchy for disclosure of fair value is as follows:

Level 1

Uses quoted market prices in active markets for identical assets or liabilities.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Uses unobservable inputs that are not corroborated by market data.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

When available, quoted market prices are used to determine the fair value of investments held in the Plan, and such items are classified within Level 1 of the fair value hierarchy. An example is registered investment companies with available market prices. A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements. The Plan's policy is to recognize transfers between levels at the end of each reporting period, if applicable.

Stable Value Fund:

Valued at the contract value held by the Plan at year end. The contract value is based on similar assets in active markets and is therefore classified within Level 2 of the valuation hierarchy.

Registered Investment Companies:

Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the quoted market price of each fund and are classified within Level 1 of the valuation hierarchy.

Common stock:

Common stock is recorded at fair value, which is the closing price per the major stock exchange where the stock is traded. Common stock is classified within Level 1 of the valuation hierarchy.

The following tables present the balances of assets and liabilities measured at fair value on a recurring basis by level as of December 31, 2021 and 2020:

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 9 – INCOME TAX STATUS

The Plan was amended and restated effective January 1, 2009, by adopting a volume submitter proto- type plan. The prototype plan has obtained an opinion letter dated March 31, 2008 from the IRS that the Plan is qualified, and the trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code. The Plan has been amended since this determination letter was issued, however, Plan management believes that the Plan continues to be operated in compliance with the applicable provisions of Internal Revenue Service Code and the Plan is exempt from federal income taxes.

Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan applies the standards on accounting for uncertainty in income taxes. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

There are no reconciling items between the financial statements and Form 5500 net assets available for benefits or net increase in assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated the financial statements for subsequent events occurring through the date of this report, which is the date the financial statements were available to be issued.
