Independent Auditor's Report

To the Plan Administrators
Thomas, Bennett & Hunter, Inc.
Employee Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C)). The financial statements comprise the statement of net assets available for benefits as of December 30, 2021, and the related statement of changes in net assets available for benefits for the year ended December 30, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 30, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (Continued)**2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 30, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 30, 2021 and 2020

Note 1: Description of Plan

The following description of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a noncontributory profit-sharing plan established by Thomas, Bennett & Hunter, Inc. (the Company) and currently operating under a Volume Submitter Profit Sharing Plan with CODA sponsored by Massachusetts Mutual Life Insurance Company, (MassMutual) for the year ended December 30, 2021. During 2021, Empower Retirement acquired the retirement business of Mass Mutual, using its subsidiary of Great-West Life & Annuity Insurance Company to service the Plan. The Plan covers generally all employees of the Company who have completed one year of service. The Plan qualifies under Section 401(a) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions: The Plan generally does not permit participant contributions; however, participants are allowed to rollover their account balances from other qualified retirement plans.

Employer Contributions: The Company may make discretionary contributions to the Plan in such amounts as the board of directors of the Company, in its sole discretion, shall determine. Discretionary contributions are allocable to those participants who have completed at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. Employer contributions for the year ended December 30, 2021 and 2020 represents discretionary contributions made by the Company.

Participant Accounts: Each participant's account is credited with allocations of the Company's contributions and Plan earnings. Company contributions are allocated based on the compensation of the eligible participants as defined by the Plan. Plan earnings are allocated based on the account balances of the participants at the beginning of the year and time weighted contributions posted during the plan year. The benefit to which a participant is entitled is that benefit which can be provided from the participant's vested account. Participants can make rollover contributions from other plans.

Vesting: Vesting in the Company's contributions plus earnings thereon is based on years of continuous service. A participant becomes fully vested in their account after six years of service or upon retirement, death, or disability.

Notes Receivable from Participants: Participants may borrow from their accounts up to the lesser of \$50,000 or 50 percent of their vested account balance. The loans, which must be for at least \$1,000, and secured by the balance of the participants account, bear interest at prevailing rates for similar loans, as determined by the plan administrator, and are carried at their outstanding principal balance. Repayments are generally made through payroll deductions.

Payment of Benefits: Upon termination of employment, a participant may elect to have Plan benefits to which they are entitled distributed as a lump-sum payment, installment payments, or an annuity distribution which allows the participant to elect to have a plan administrator use the participant's vested balance to purchase an annuity. Participants are generally required to take minimum distributions upon reaching age 72. An in-service participant can receive plan benefits if the participant experiences a hardship as recognized by the IRS, or is at least age 60 with seven years of service.

December 30, 2021 and 2020

Note 1: Description of Plan (Continued)

Forfeitures: The non-vested portion of a participant's account balance is forfeited upon termination of employment. Forfeitures can be used to pay administrative expenses or reduce future employer contributions. During the years ended December 30, 2021 and 2020, forfeitures of \$11,500 and \$10,500 were used to pay administrative expenses. During the years ended December 30, 2021 and 2020, no forfeitures were used to reduce employer contributions. As of December 30, 2021 and 2020, forfeited accounts totaled \$23,149 and \$16,125, respectively.

Note 2: Summary of Significant Accounting Policies

Following is a description of significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Fair Value Measurements: Generally Accepted Accounting Principles (GAAP) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. As of December 30, 2021 and 2020, the Plan did not own any investments that are required to be measured and disclosed under the fair value hierarchy table.

Notes to Financial Statements
December 30, 2021 and 2020

Note 2: Summary of Significant Accounting Policies (Continued)

Following is a description of the valuation methodologies used for Plan assets. There have been no changes in the methodologies used at December 30, 2021 and 2020.

Investments in Pooled Separate Accounts: Investments in pooled separate accounts are valued at fair value based on account value. The separate accounts offered are proprietary to Great-West Life and Annuity Insurance Company (formerly MassMutual) under a group annuity contract, and many invest exclusively in one underlying mutual fund traded on an established market. Those separate accounts investing in mutual funds are measured at net asset value, and the net asset value is used as a practical expedient to estimate fair value. While the separate accounts purchase shares of the underlying investments, neither the plan nor participants own shares of the mutual funds or other investment contracts; instead, participants own "accumulation units" in the separate accounts.

Investment in Guaranteed Interest Account (GIA): The Plan has an investment contract that is fully benefit-responsive and reported at contract value (see Note 4).

The Plan performs a detailed analysis of the assets and liabilities that are to be reported at fair value. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient: The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 30, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments.

December 30, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 8,614,678	n/a	Daily	None
December 30, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 7,708,828	n/a	Daily	None

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 30, 2021 and 2020

Note 2: Summary of Significant Accounting Policies (Continued)

Net Appreciation in Fair Value of Investments: Net appreciation in fair value of investments reflects the changes in the respective unit values of the pooled separate accounts which includes unrealized gains and losses relating to investments held at year end and the realized gains and losses on investments sold during the year. In addition, the separate account unit values are recorded to reflect charges, such as investment management and administrative charges, as set forth in the group annuity contract.

Payment of Benefits: Benefit payments to participants are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 16, 2022, the date the financial statements were available to be issued. During the period from December 30, 2021 through October 16, 2022, the Plan did not have any material recognizable subsequent events.

Note 3: Information Certified by the Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC, the current custodians of the Plan for the year ended December 30, 2021, and by Mass Mutual, the former custodian of the Plan for the year ended December 30, 2020, except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments in pooled separate accounts and guaranteed interest account and notes receivable from participants held at December 30, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 30, 2021 and 2020, was derived from information certified as complete and accurate by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC, and MassMutual.

Note 4: Fully Benefit-Responsive Contract

The Plan holds a traditional investment contract that meets the fully benefit-responsive investment contract criteria required by GAAP and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The traditional investment contract held by the Plan is a guaranteed investment account (GIA). The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, including current market rates and the maturities of the underlying investments, and was approximately 3% for 2021 and 2020. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The general account has no stated maturity dates and interest rates are reset every six months.

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 30, 2021 and 2020

Note 4: Fully Benefit-Responsive Contract (Continued)

Upon full or partial contract or plan termination and certain other sponsor-initiated events, distributions from the GIA may be subject to a liquidation value (market value) adjustment pursuant to a formula specified in the contract. The market value formula may produce a value that is more or less than the book value of the Plan's investment in the GIA.

Note 5: Notes Receivable from Participants

As of December 30, 2021 and 2020, 44 and 37 participants were indebted to the Plan in the total amount of \$519,124 and \$343,909, respectively, as a result of loans made to them by the Plan. The loans are evidenced by promissory notes bearing interest at 4.25% to 6.50% per annum, and are payable in installments, the latest of which is due in January 2031. The notes are fully secured by the participants' vested account balances.

Note 6: Plan Termination

The Company has the right under the Plan agreement to discontinue its contributions and terminate the Plan, subject to applicable statutory provisions of ERISA. In the event of termination, all Plan participants will become fully vested. The Company has not indicated any intention to terminate the Plan.

Note 7: Income Tax Status

The Internal Revenue Service has ruled in a letter dated March 31, 2014 that the Volume Submitter Profit Sharing Plan established by MassMutual and sponsored by Great-West Trust Company, LLC qualifies under applicable sections of the Internal Revenue Code. An employer who adopts this plan is generally considered to have a plan that is also qualified. The Plan's federal tax returns are subject to examination by the Internal Revenue Service generally for a period of three years after the returns are filed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8: Parties-In-Interest

The Plan offers participants various investment options, all of which are products of Great-West Life and Annuity Insurance Company, the custodian of the Plan. During the years ended December 30, 2021 and 2020, the Plan paid administrative fees of \$16,009 and \$12,472, respectively, to Great-West Life and Annuity Insurance Company and MassMutual and other service providers. Certain officers and employees of the Plan sponsor are administrators of the Plan, acting as fiduciaries and as custodians, and are also participants in the Plan.

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 30, 2021 and 2020

Note 9: Administrative Expenses

The Plan provides that the Company, at its discretion, may pay administrative expenses of the Plan. For the years ended December 30, 2021 and 2020, the Company paid Plan administrative expenses totaling approximately \$0 and \$100, respectively.

Note 10: Reports to Governmental Agencies

The financial statements of the Plan for the years ended December 30, 2021 and 2020 differ from the amounts reported on Schedule H (Financial Information) of Form 5500 (Annual Return/Report of Employee Benefit Plan) filed with the Internal Revenue Service.

The significant differences are as follows:

Note 11: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
